

Sky-Patrol Teams Zoom Across Mumbai to Fight Smog!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Amid rising pollution concerns, the Brihanmumbai Municipal Corporation has launched flying squads in all wards to enforce its 28-point air-quality guidelines.

Detailed analysis:

The move underscores municipal innovation in environmental governance, a frequent UPSC topic under "Urban Development & Pollution Control". Candidates should note the shift from static monitoring to proactive enforcement.

Source: <https://www.ndtv.com/india-news/mumbai-civic-body-deploys-flying-squads-to-improve-air-pollution-control-9671965#publisher=newsstand>

Iran Taps Saudi Middle-Man to Re-Ignite US Nuclear Deal!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Iran has asked Saudi Arabia to persuade the United States to restart stalled nuclear talks, citing fears of renewed Israeli strikes and deepening economic woes.

Detailed analysis:

This highlights the complex triangular diplomacy in South-Asia and the Middle East, relevant for "International Relations" and "Nuclear Non-Proliferation" sections of the exam.

Source: <https://www.ndtv.com/world-news/iran-seeks-saudi-help-to-revive-nuclear-talk-with-us-9671923#publisher=newsstand>

Rs 1,452 Crore Seized in High-Stakes Ambani Bank Fraud Crackdown!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The Enforcement Directorate attached assets worth more than Rs 1,452 crore linked to alleged bank frauds by Anil Ambani's Reliance Group.

Detailed analysis:

Exam aspirants should link this to "White-Collar Crime", the role of the ED, and the impact of corporate fraud on the Indian economy—a recurring GS-II theme.

Source: <https://www.ndtv.com/india-news/fresh-assets-worth-over-rs-1-400-crore-attached-in-case-against-anil-ambani-9671879#publisher=newsstand>

Red Fort Ramps Up Security Ahead of Grand Celebration After Terror Blast!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

With a mega event marking Guru Tegh Bahadur's 350th death anniversary, Delhi Police have intensified security at the Red Fort following a recent blast nearby.

Detailed analysis:

Security management of heritage sites is a key point for "Internal Security" and "Cultural Heritage Protection"—areas often examined in the mains answer on terrorism and public safety.

Source: <https://www.ndtv.com/india-news/red-fort-gears-up-for-its-first-mega-event-post-blast-security-heightened-9671740#publisher=newsstand>

Corporate Giant Teams Up With Govt to Re-Launch Ancient Indian Knowledge!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The Adani Group, together with the Ministry of Education's Indian Knowledge Systems, will host a national programme to promote Indology from 20-22 November in Ahmedabad.

Detailed analysis:

The initiative reflects the government's push for Indian knowledge systems, a topic under "Education Policy" and "Cultural Revival" that can be asked in essay or GS-II sections.

Source: <https://www.ndtv.com/india-news/adani-group-ministry-of-education-host-programme-to-revive-indology-9671132#publisher=newsstand>

Heineken, Diageo, Pernod Ricard Demand \$337 Million from Telangana!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

International alcohol companies representing Heineken, Diageo and Pernod Ricard have urged Telangana to clear overdue payments totaling Rs 2,985 crore, warning of possible supply disruptions.

Detailed analysis:

The dispute illustrates challenges in foreign investment, state-level fiscal management, and supply-chain stability—core issues for the "Economic Development" and "Industrial Policy" modules.

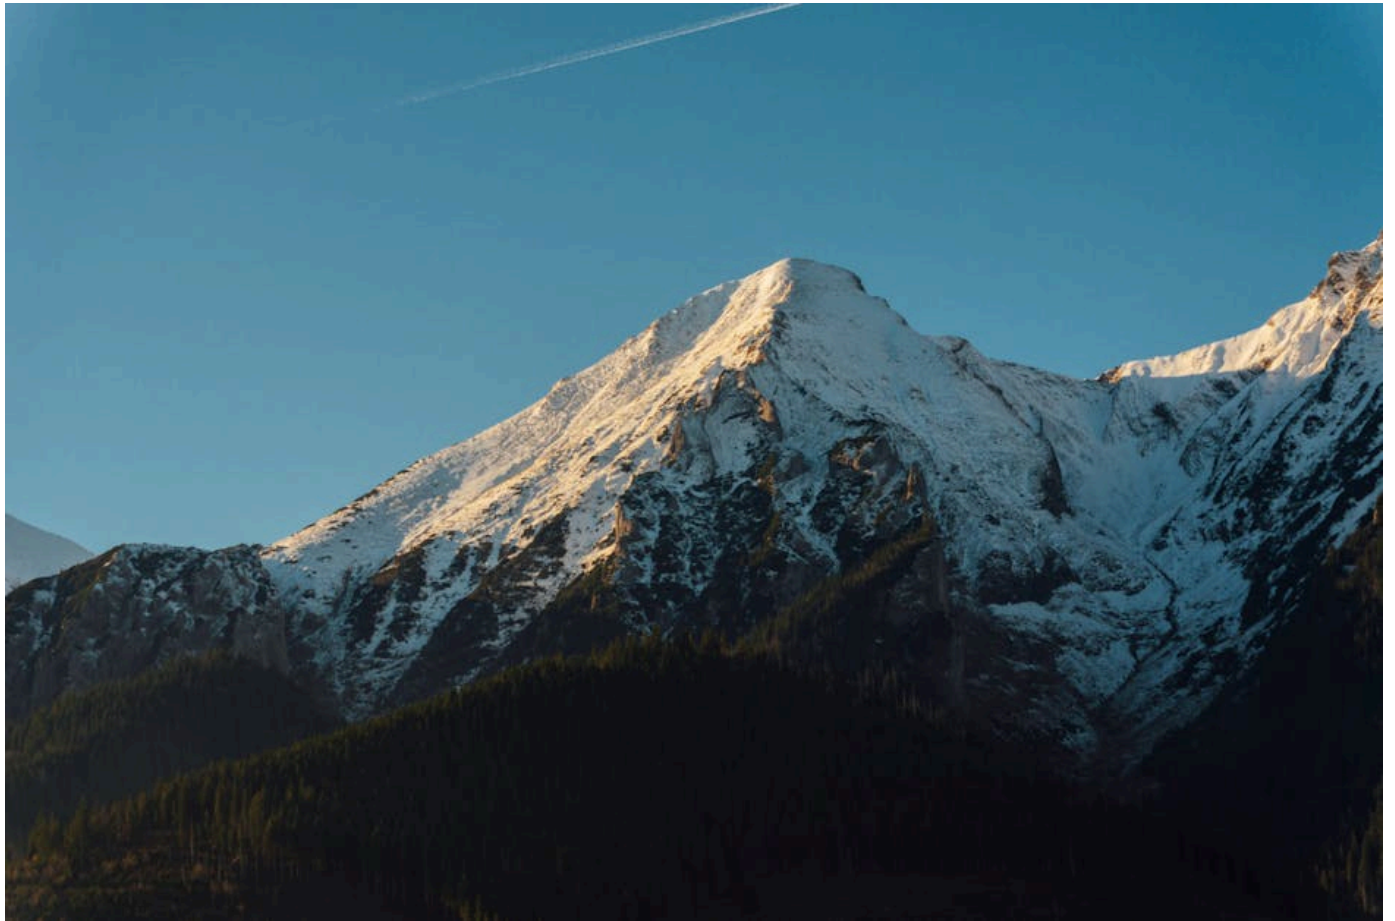

Source: <https://www.ndtv.com/india-news/global-liquor-giants-seek-rs-2-985-crore-payment-from-telangana-9670989#publisher=newsstand>

Modi Jets to Africa for G20 Power Play!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

At the Summit, Prime Minister Modi will put forth India's perspectives on the G20 agenda. He is expected to speak in all three sessions of the Summit

Detailed analysis:

Highlights India's diplomatic outreach and its role in shaping global economic policies—a key topic for UPSC and other civil service exams focusing on foreign policy and international relations.

Source: <https://www.thehindu.com/news/international/pm-modi-to-visit-johannesburg-on-nov-21-23-to-attend-g20-summit-in-south-africa/article70301565.ece>

India Gets New Missile Arsenal in \$93 Million US Deal!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The deals to purchase the projectiles and missiles come three days after India announced the conclusion of the first-ever long-term deal where Indian oil companies would import American LPG into the country

Detailed analysis:

Signals deepening Indo-US defence cooperation and modernisation of India's armed forces—important for questions on strategic partnerships, defence procurement and national security.

Source: <https://www.thehindu.com/news/international/us-approves-928-million-deal-to-supply-javelin-missiles-excalibur-projectiles-to-india/article70301785.ece>

Gaza Bloodshed: Israeli Strikes Shatter Fragile Truce!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Medics said that one strike on a house in Bani Suhaila town east of Khan Younis killed three people, including a baby girl, and wounded 15 others, while another killed a man and wounded three others in the nearby Abassan town.

Detailed analysis:

Underscores the volatility of the Israel-Palestine situation, affecting India's diplomatic balancing act in the Middle East and providing a case study for conflict resolution and humanitarian law.

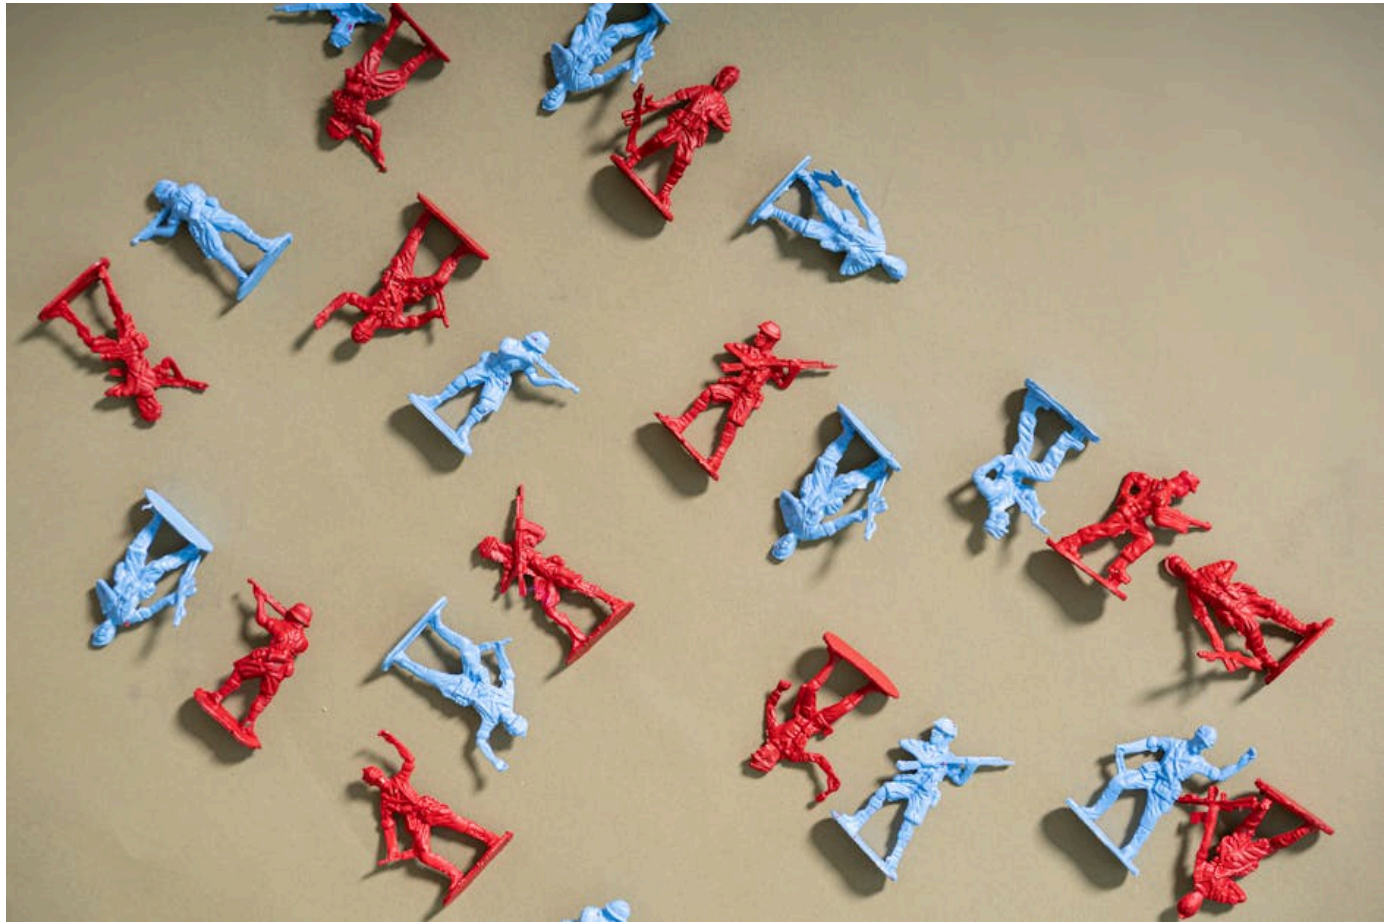

Source: <https://www.thehindu.com/news/international/israeli-fire-kills-four-in-gaza-casting-further-doubt-on-ceasefire/article70302780.ece>

Dead Soldiers Swapped: Russia-Ukraine War's Grim Gesture

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Kyiv and Moscow have conducted swaps of thousands of fallen bodies during the war, which began with Russia's full-blown invasion of Ukraine on February 24, 2022.

Detailed analysis:

Reflects ongoing humanitarian negotiations amid the war, relevant for topics on international humanitarian law, conflict resolution, and the geopolitical impact on South Asian security calculations.

Source: <https://www.thehindu.com/news/international/ukraine-says-it-received-bodies-of-fallen-servicemen-from-russia/article70302941.ece>

China-Japan Trade Tumble Sparks Economic Shockwaves!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Japanese PM told lawmakers this month that a Chinese attack on Taiwan threatening Japan's survival could trigger a military response from Tokyo

Detailed analysis:

Highlights rising Sino-Japanese economic friction, which can affect regional supply chains and India's trade strategies; useful for economics and geopolitics sections of the exams.

Source: <https://www.thehindu.com/news/international/china-says-trade-cooperation-with-japan-taken-great-hit/article70302389.ece>

Vietnam Deluge: Torrential Rains Claim 16 Lives!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Rainfall exceeded 1,500 millimetres in several parts of central Vietnam over the past three days. The region is home to a key coffee production belt as well as the country's most popular beaches, but it is highly prone to storms and floods.

Detailed analysis:

Serves as a concrete example of climate-change-induced disasters in South-East Asia, illustrating challenges for disaster management, food security, and regional cooperation—key themes in environment and geography papers.

Source: <https://www.thehindu.com/news/international/several-dead-as-floods-worsensin-central-vietnam-updates/article70301840.ece>

Britain Opens Golden Door: High-Earners Get PR in Just 3 Years!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The UK government plans to allow high-earning individuals and entrepreneurs to apply for permanent residency after just three years, as per a report.

Detailed analysis:

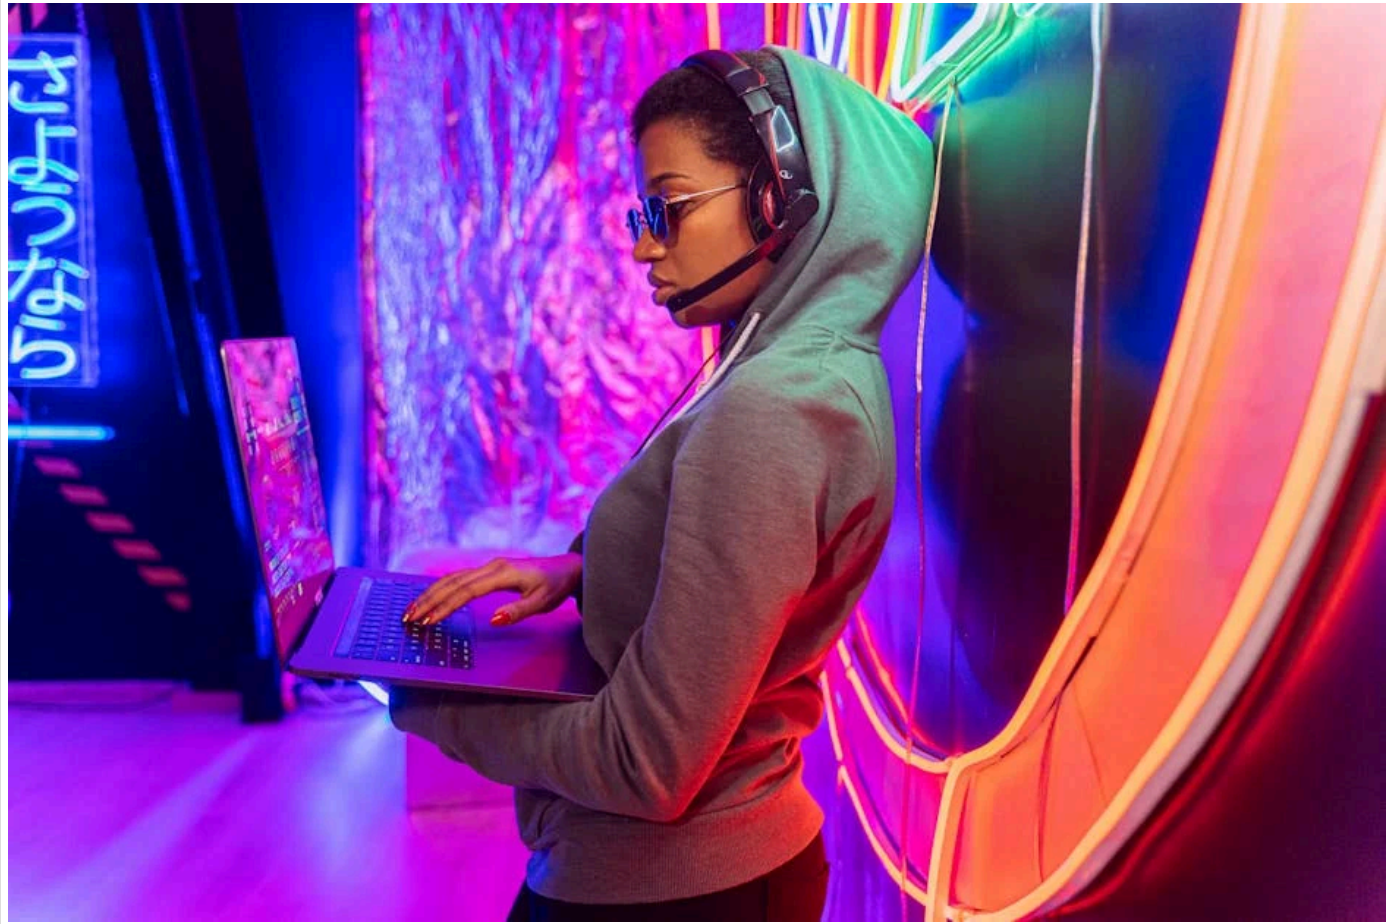

Highlights a major immigration policy shift aimed at attracting wealthy talent and investment, useful for questions on foreign investment incentives and immigration law.

Source: <https://www.livemint.com/news/world/uk-to-fast-track-permanent-residency-for-high-earners-and-entrepreneurs-apply-after-just-three-years-11763648309444.html>

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The move addresses outdated regulations and aligns with international benchmarks, ensuring safer infrastructure and consumer products in the face of rising cyber threats and evolving technology.

Detailed analysis:

Shows government's push for regulatory modernization across critical sectors, relevant for questions on policy reforms, energy transition, and consumer protection.

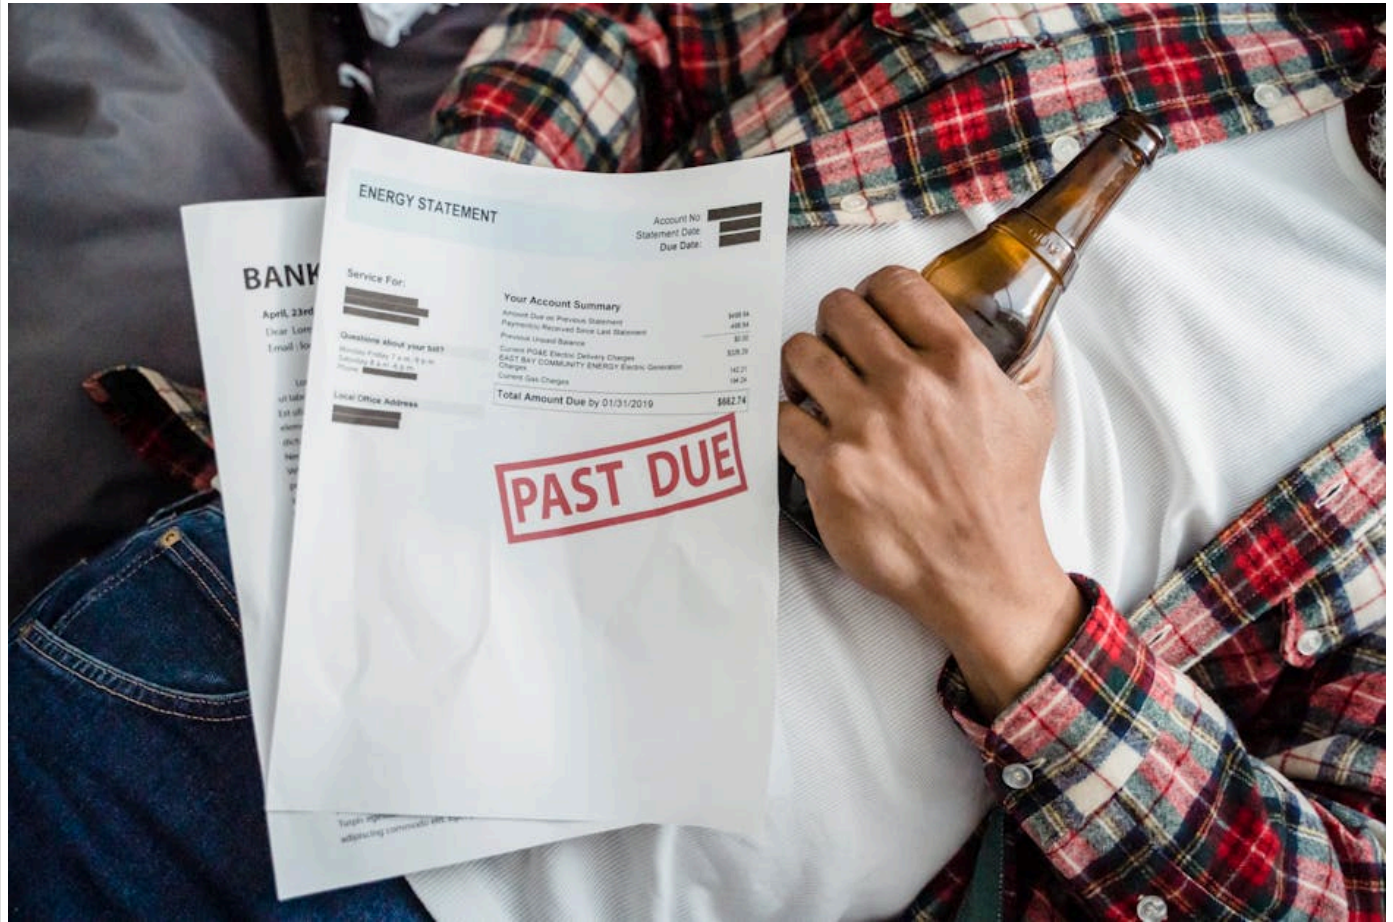

Source: <https://www.livemint.com/news/india/india-brings-new-standards-for-cybersecurity-wind-energy-and-homeopathic-medicines-sets-april-2026-deadline-11763636017506.html>

Bankruptcy Breakthrough: New Valuation Formula to Slash Court Battles!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

IBBI has proposed an asset valuation format to enhance credibility and reduce legal hassles in bankruptcy cases. The new rules will make valuations clearer and more consistent, covering all necessary aspects and addressing potential conflicts of interest and risks.

Detailed analysis:

Important for understanding recent reforms in insolvency law, which aim to streamline bankruptcy proceedings—a frequent topic in commercial law papers.

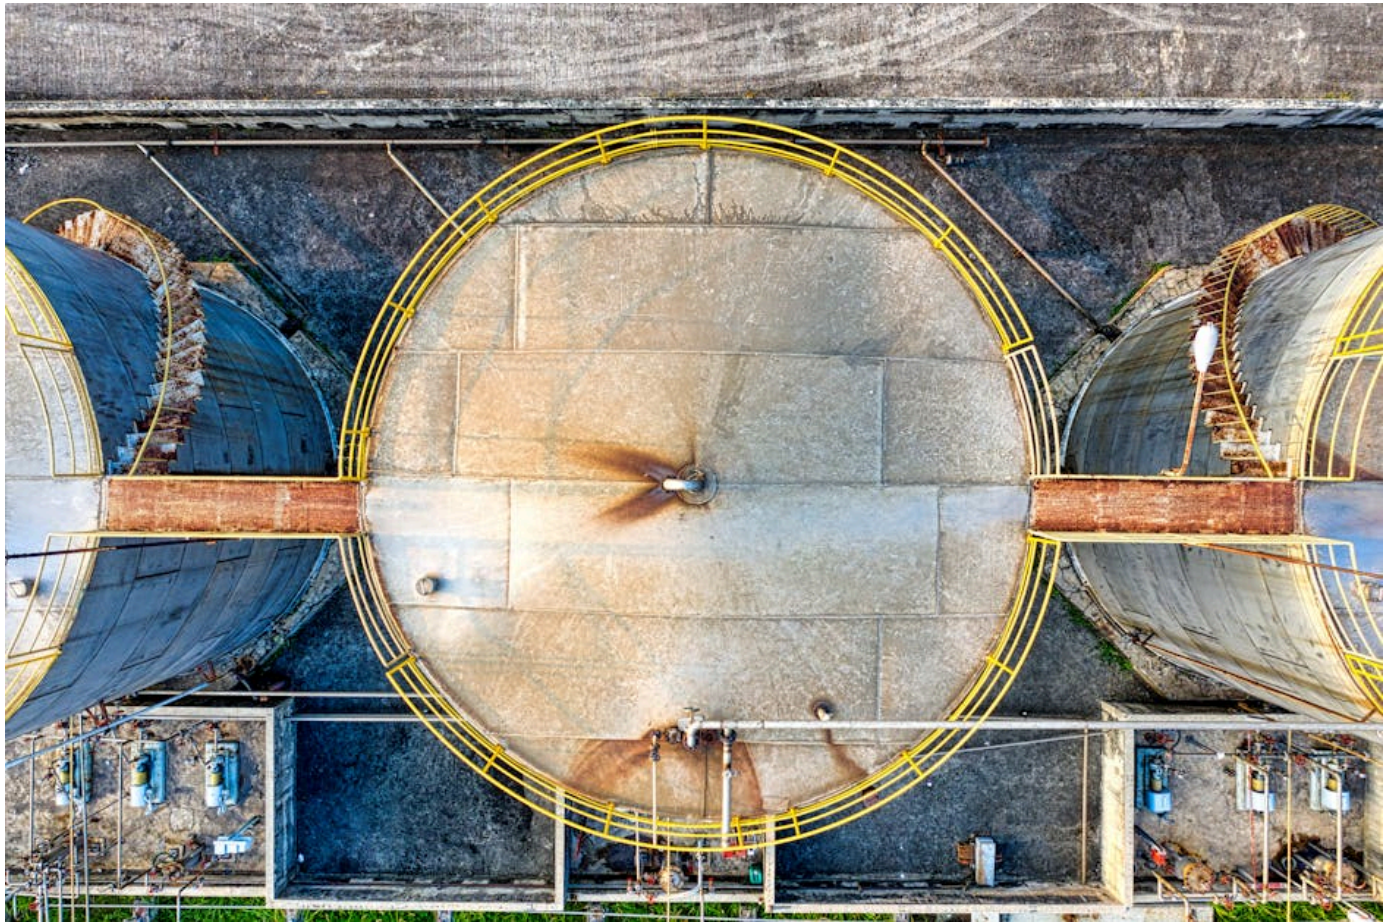

Source: <https://www.livemint.com/news/india/ibbi-proposes-asset-valuation-format-to-reduce-bankruptcy-litigation-11763635255696.html>

Russia Dominates India's Oil Bowl: 30%+ Share Despite Sanctions!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The Russian ambassador to India, Denis Alipov, claims that Russia maintains over 30% market share as the top oil supplier to India. He emphasized that despite Western sanctions, Russia is prepared to offer favorable energy terms.

Detailed analysis:

Emphasizes energy security dynamics and India's reliance on Russian crude, a key point for geopolitics and energy economics sections of exams.

Source: <https://www.livemint.com/news/india/russia-remains-largest-supplier-of-oil-to-india-with-over-30-market-share-ambassador-denis-alipov-11763639258725.html>

UK's Indo-Pacific Star Lands in India to Unlock Massive Trade Goldmine!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

UK Minister Seema Malhotra embarks on her inaugural visit to India, aiming to operationalize the recently-signed India-UK free trade agreement and boost strategic ties. Apart from trade and industry, the visit underscores collaboration in technology, education and skills.

Detailed analysis:

Signals deepening UK-India economic partnership post-FTA; relevant for questions on bilateral trade agreements and strategic economic diplomacy.

Source: <https://www.livemint.com/news/india/uk-minister-indo-pacific-fta-trade-strategic-ties-seema-malhotra-technology-education-11763640793627.html>

Supreme Court's Shock Ruling Could Freeze State Economic Bills Forever!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

A Supreme Court ruling clarifies that governors and the President have discretion over bill approvals, rejecting timelines. While this could raise possible delays in key state economic bills, as seen in the past in Tamil Nadu, Punjab, and West Bengal, experts say the ruling has some checks in place.

Detailed analysis:

Highlights constitutional balance between legislature and executive in state-level economic legislation, a frequent subject in public administration and constitutional law exams.

Source: <https://www.livemint.com/news/india/supreme-court-ruling-governor-bill-assent-state-economic-impact-india-11763623166359.html>

Esha Singh shatters glass ceiling with bronze – India's first female shooter to stand on the world podium!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Esha Singh became the first Indian woman to win an individual medal at the ISSF World Championship, securing bronze and marking a milestone for Indian shooting sport.

Detailed analysis:

This achievement underscores India's growing stature in shooting, a sport that contributes significantly to the country's medal tally at multi-sport events. Aspirants should note the importance of grassroots infrastructure, government schemes like Khelo India, and the role of corporate sponsorship in nurturing talent.

Source: <https://www.hindustantimes.com/htcity/leisure/esha-singh-on-winning-bronze-at-issf-world-championship-grateful-that-i-m-first-to-get-this-medal-in-women-category-101763621717254.html>

Chess prodigy Arjun Erigaisi's World Cup dream crushed – coach blames 'mind-games' and sloppy tactics!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Arjun Erigaisi was knocked out in the quarter-finals of the FIDE World Cup by Wei Yanze. His former coach highlighted deficiencies in his sense of position and end-game technique.

Detailed analysis:

Erigaisi's exit highlights the need for holistic training—psychological resilience, end-game mastery, and preparation against diverse playing styles. For exam aspirants, it illustrates how sport policy must support continuous skill development beyond early successes.

Source: <https://www.hindustantimes.com/sports/others/arjun-erigaisi-ex-coach-dissects-indian-gms-chess-world-cup-exit-he-needs-to-work-on-few-things-like-his-sense-101763622271095.html>

SC panel blows the whistle on Indian football – AIFF's cash-flow to be overhauled!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

A Supreme Court-appointed committee suggests restructuring the All India Football Federation's commercial framework, cutting guaranteed payments and allowing partners to manage broadcasting rights for a more viable ISL ecosystem.

Detailed analysis:

The recommendations aim to make Indian football financially sustainable and attract private investment. Understanding these reforms is crucial for aspirants focusing on sports administration, law, and public-policy modules.

Source: <https://www.hindustantimes.com/sports/football/isl-report-to-sc-favours-more-viable-commercial-framework-101763574423267.html>

Dreams shattered: Arjun Erigaisi's World Cup chase ends in heartbreak against Chinese prodigy!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Arjun Erigaisi's bid to qualify for the Candidates Tournament ended with a defeat to China's Wei Yanze, ending India's chances in the World Cup cycle.

Detailed analysis:

The loss emphasizes the competitive gap at the highest level of chess and the necessity for strategic planning, international exposure, and support systems for elite players—key discussion points for sports policy studies.

Source: <https://www.hindustantimes.com/sports/others/indias-world-cup-challenge-over-as-arjun-goes-down-to-wei-101763571481785.html>

Messi's French fiasco revealed – Leonardo spills the beans on the 'misunderstandings'!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Former PSG sporting director Leonardo explains the challenges Messi faced during his time in France, citing miscommunication and adaptation issues.

Detailed analysis:

Messi's experience underscores the importance of cultural integration and clear contract terms in international sports transfers—topics relevant to sports management curricula and policy formulation.

Source: <https://www.hindustantimes.com/sports/football/expsg-sporting-director-breaks-silence-on-lionel-messis-complicated-stint-in-france-a-lot-of-misunderstanding-101763609388049.html>

Barca drama: No Messi stadium rename – fans outraged over ‘tiny’ statue!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Barcelona's vice-president refused to rename the Camp Nou after Lionel Messi, leading to fan uproar, especially after a controversial decision regarding the size of a proposed Messi statue.

Detailed analysis:

The episode highlights governance challenges in legacy clubs, fan-club relations, and branding decisions—critical for students of sports law and administration.

Source: <https://www.hindustantimes.com/sports/football/barcelona-vice-president-refuses-to-rename-stadium-after-lionel-messi-sparks-uproar-as-statue-deemed-too-short-101763573443065.html>

Can Climate Attribution Science Save Lives?

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The article discusses how climate attribution science, which links specific weather disasters to human-induced greenhouse gas emissions, is becoming more robust and could influence policy, legal actions, and disaster response.

Detailed analysis:

Highly relevant for UPSC and other government exams as it covers climate change, environmental policy, and international climate commitments—key topics in the Environment and Ecology syllabus.

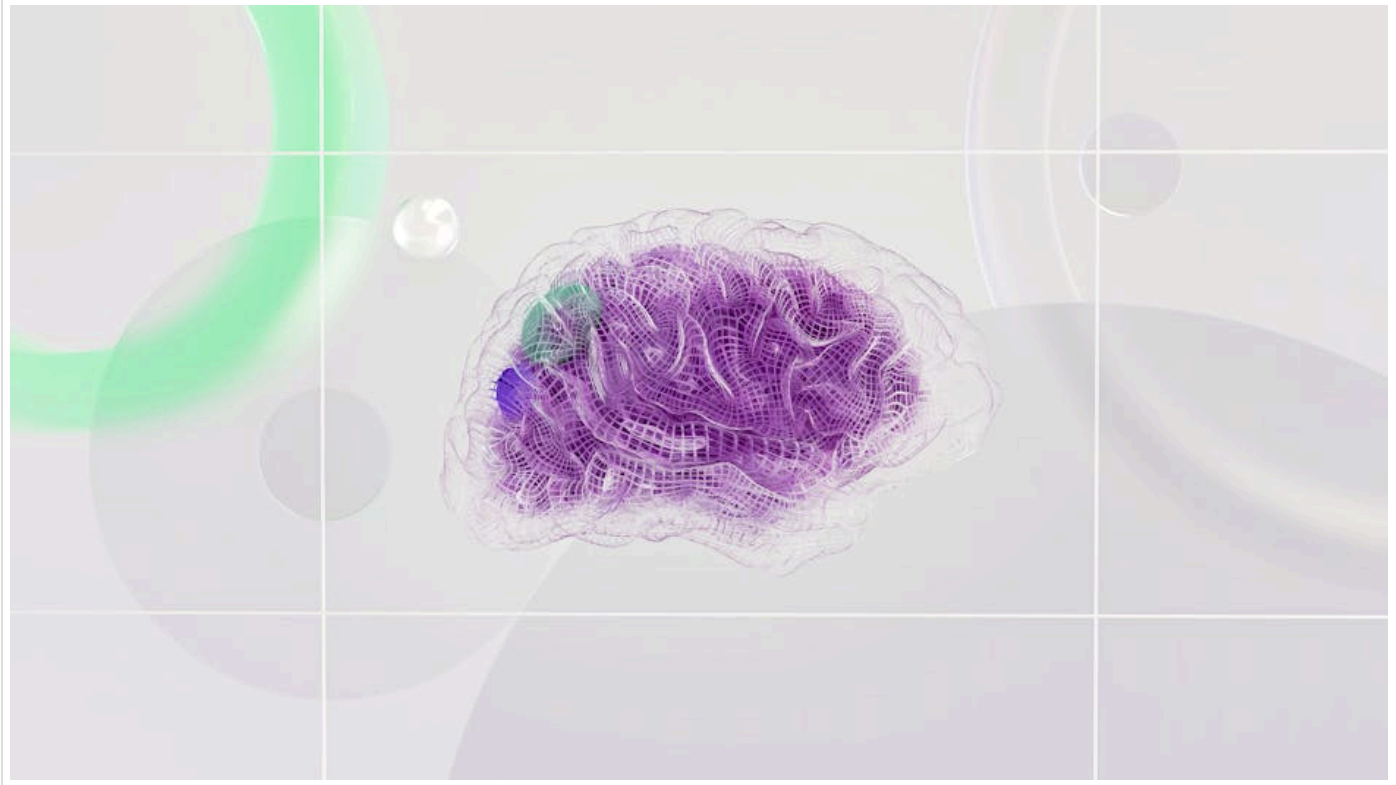

Source: <https://www.thehindu.com/sci-tech/energy-and-environment/can-climate-attribution-science-save-lives/article70274326.ece>

Brain-Inspired Artificial Neuron Breakthrough!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Researchers have created an artificial neuron that mimics brain activity by using electrical pulses to process information, marking a step forward in neuromorphic computing and AI hardware.

Detailed analysis:

Important for technology and science sections of competitive exams; highlights advances in AI, neuroscience, and potential applications in defense and industry, aligning with the Science & Technology syllabus.

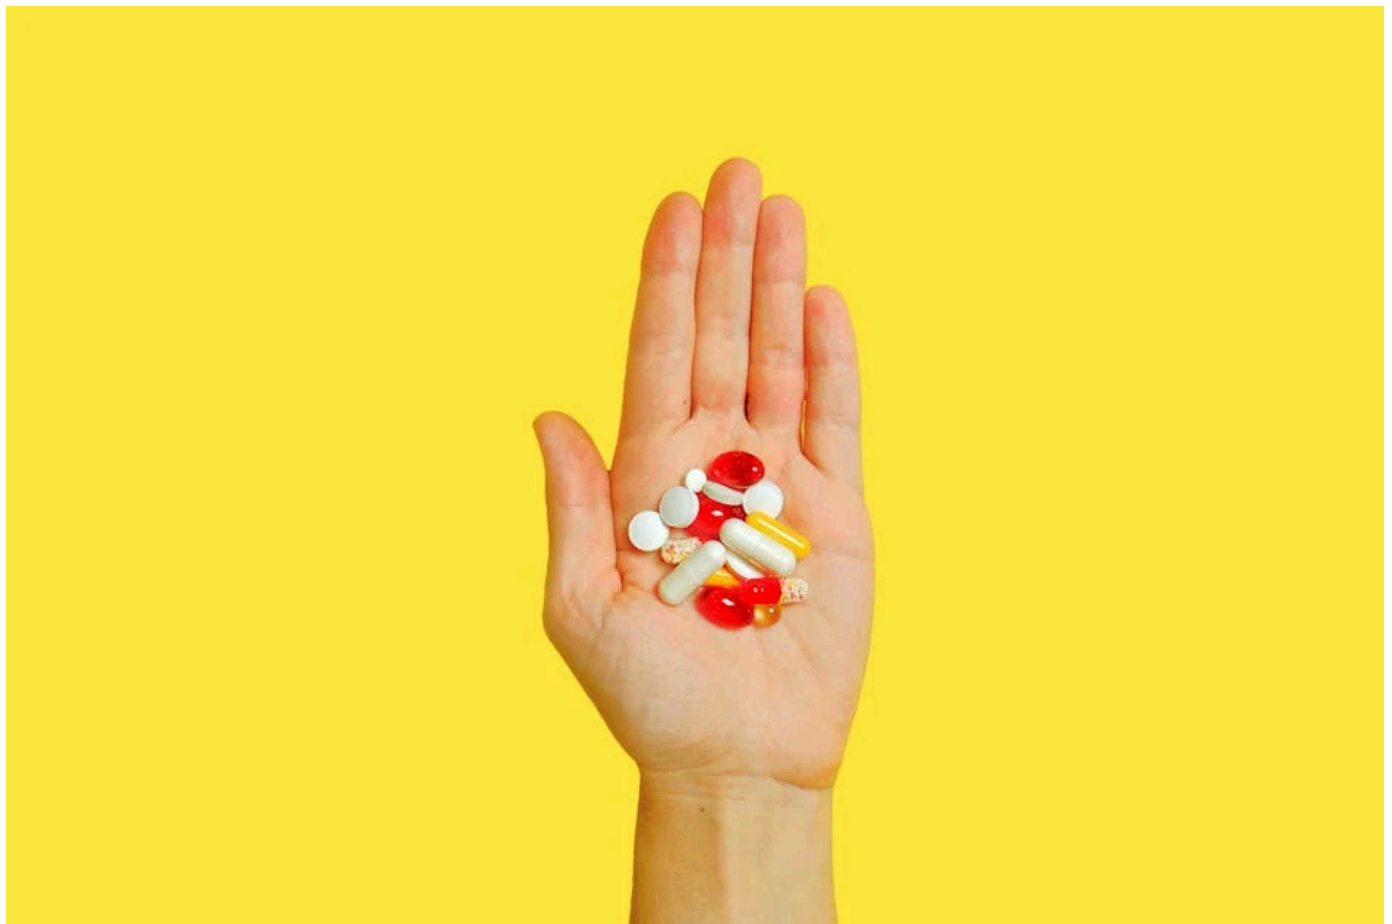

Source: <https://indianexpress.com/article/technology/science/new-artificial-neuron-uses-electrical-pulses-to-process-information-in-a-brain-like-manner-10376793/>

Heart-Saving Vitamins: The 6 Secret Pills Doctors Won't Tell You!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Add important vitamins including A, B6, B12, C and more to your diet through foods and supplements for better heart health, suggests a cardiologist.

Detailed analysis:

A cardiologist stresses that specific micronutrients play a crucial role in cardiac function. For UPSC and other government exams, note that the Ministry of Health promotes dietary supplementation in the National Programme for Prevention and Control of Cardiovascular Diseases. Understanding vitamin-C's antioxidant effect, B-vitamins in homocysteine regulation, and vitamin-D's influence on blood pressure can help answer questions on preventive cardiology and nutrition policies.

Source: <https://www.hindustantimes.com/health/cardiologist-says-vitamins-are-vital-for-heart-health-suggests-6-vitamins-you-must-take-daily-101763564792793.html>

Fake ORS Drinks Banned: FSSAI Cracks Down on Health Scams!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The Food Safety and Standards Authority of India has directed the immediate withdrawal of beverages falsely labeled as oral rehydration solutions from retail and online platforms.

Detailed analysis:

The move underscores the regulator's focus on consumer protection and accurate health claims. Exam takers should remember that ORS is defined by specific electrolyte concentrations under the National Oral Rehydration Solution guidelines. Mislabeling violates the Food Safety and Standards (Food Products Standards and Food Additives) Regulations, 2016, which can be asked in questions on food safety law and public health enforcement.

Source: <https://www.thehindu.com/news/national/telangana/fssai-orders-immediate-removal-of-misleading-ors-labelled-beverages-from-markets-e-commerce-platforms/article70302541.ece>

Invisible Enemies: How Home Climate Fuels a New Wave of Lung Infections!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Experts emphasise that Respiratory infections are increasingly shaped by micro-environmental factors: recognising these patterns and responding early may be the most effective way to reduce severe illness and prevent avoidable and complications

Detailed analysis:

The article links indoor climate variables to the dynamics of respiratory disease transmission. For civil services exams, connect this to the Integrated Disease Surveillance Programme (IDSP) and the National Programme for Prevention and Control of Pneumonia. Knowledge of how humidity (>60%) and temperature fluctuations affect viral stability helps answer epidemiology questions on infection control in schools, hospitals, and slums.

Source: <https://www.thehindu.com/sci-tech/health/humidity-indoor-microbes-and-temperature-swings-are-changing-how-respiratory-infections-spread-experts/article70298375.ece>

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The role of a paediatric radiologist extends far beyond reading scans; it involves understanding the developmental anatomy of children, providing inputs that influence both diagnosis and treatment and collaborating closely with paediatricians and surgeons

Detailed analysis:

Paediatric radiology is integral to early diagnosis of congenital anomalies, trauma, and malignancies. In exam contexts, note its link to the Child Health Programme and the National Health Mission's emphasis on specialised diagnostic services at district hospitals. Understanding how radiological imaging guides surgical planning can be asked in questions on multidisciplinary health care delivery.

Source: <https://www.thehindu.com/sci-tech/health/seeing-beyond-the-surface-paediatric-radiologys-role-in-healthcare/article70290184.ece>

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The childcare worker in India needs better policies, decent wages and working conditions and a strengthened care infrastructure

Detailed analysis:

Childcare workers form the backbone of early childhood development (ECD) services. For competitive exams, link their welfare to the National Early Childhood Care and Education (ECCE) Policy, the Integrated Child Development Services (ICDS), and schemes like the Maternity Benefit (Amendment) Act that affect wages. Questions may probe how improving working conditions can boost enrolment, nutrition, and health outcomes in the first six years.

Source: <https://www.thehindu.com/opinion/lead/recognise-the-critical-role-of-the-childcare-worker/article70299985.ece>

TB Victory Plan: India's Bold Blueprint to End the Disease Globally!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

 Pexels Image

Summary:

This year's Kochon Prize highlights how India is creating scalable solutions that can transform global health equity

Detailed analysis:

India's innovative approaches—digital adherence tools, private-sector engagement, and community-based active case finding—are shaping the global TB agenda. Exam candidates should remember the Revised National Tuberculosis Control Programme (RNTCP) now called the National Tuberculosis Elimination Programme (NTEP), and the significance of the Kochon Prize as a marker of international recognition. Topics may include drug-resistant TB strategies, financing under the Global Fund, and the role of public-private partnerships in achieving WHO's End TB targets.

Source: <https://www.thehindu.com/opinion/op-ed/redefining-the-narrative-of-tb-eradication-worldwide/article70300129.ece>

— ECONOMY —

Swiggy's shares crash 36% – back to IPO level – as quick-commerce burn fuels huge losses!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Swiggy's stock has fallen 36% from its peak, returning nearly to its IPO price of Rs 390. Despite a 54% revenue jump, the company's net loss widened to Rs 1,092 crore in Q2FY26, primarily due to quick commerce expansion. Brokerages remain divided on its future prospects.

Detailed analysis:

The sharp correction highlights the volatility of high-growth unicorns post-IPO. For exam takers, note the impact of aggressive expansion on profitability and the importance of broker sentiment in stock price movements.

Source: <https://economictimes.indiatimes.com/markets/stocks/news/swiggy-back-to-square-one-as-stock-sinks-56-from-peak-returns-to-ipo-price-whats-ahead/articleshow/125453876.cms>

PhysicsWallah's share price does a magic trick – down on BSE, up on NSE!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

PhysicsWallah's stock delivered conflicting signals at Thursday's close, finishing higher on the NSE and lower on the BSE in an unusual split that highlighted heightened volatility in the days following its blockbuster listing. The divergent closing prices came after a sharp intraday slide that erased significant market value.

Detailed analysis:

Dual-exchange price divergence signals thin liquidity and possible arbitrage. Aspirants should remember that post-IPO volatility can cause price gaps across exchanges, affecting short-term trading strategies.

Source: <https://economictimes.indiatimes.com/markets/stocks/news/physicswallahs-mathematics-puzzle-stock-ends-2-lower-on-bse-3-higher-on-nse/articleshow/125460760.cms>

India's small-cap nightmare: Rs 4 lakh crore hit as earnings miss frenzy spreads!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Recent Q2 earnings reveal a troubling trend in India's stock market. Small-cap companies are experiencing the highest number of earnings misses, leading to a substantial Rs 4 lakh crore loss in market value this year. While mid-caps and large-caps show positive growth, the riskier small-cap segment faces continued weakness.

Detailed analysis:

The data underscores systemic risk in the small-cap segment, a key focus for macro-economics questions. Watch for policy measures aimed at stabilising earnings quality and market confidence.

Source: <https://economictimes.indiatimes.com/markets/stocks/news/q2-earnings-shows-rs-4-lakh-crisis-may-deepen-in-stock-markets-riskier-corners/articleshow/125452023.cms>

Tata Technologies sinks Rs 25,000 crore – a colossal loss that haunts investors!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Tata Technologies, once a dream listing, has seen its market value plummet by Rs 25,000 crore from its peak. Revenue concentration on Tata Motors and JLR, coupled with their challenges, has led to uneven financial performance and cautious brokerage sentiment. Investors face a long road to recovery as the stock struggles to regain its footing.

Detailed analysis:

Concentration risk is evident here. For exam preparation, remember that over-reliance on a few customers can magnify downside when those clients face headwinds.

Groww tumbles 18% in 48 hours – profit-booking and short-selling shake the platform!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Groww share price experienced a significant decline, dropping as much as 9% to Rs 154 on Thursday. This profit-booking follows a substantial post-listing surge, with the stock now down 18% in two sessions amid concerns over stretched valuations and continued short-selling.

Detailed analysis:

Rapid post-IPO corrections illustrate valuation discipline. Candidates should note how profit-booking and short-selling can swiftly erode gains in newly listed fintech stocks.

Sammaan Capital rebounds 9% after clearing CBI probe rumors – market breathes easy!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Sammaan Capital shares rebounded sharply on Thursday after the company clarified that no investigative or regulatory agency has any ongoing probe related to allegations in a 2019 PIL filed by a whistleblower forum. The Supreme Court also noted that no affidavit indicated wrongdoing by the firm, helping the stock recover following Tuesday's sharp decline.

Detailed analysis:

Regulatory clarity can instantly restore investor confidence. In exam contexts, understand how legal clarifications impact stock volatility and market perception.
