

India's Fighter Jets Will Never Be 'Old-Tech' – Defence Boss Says!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The Indian Air Force (IAF) has placed a large order for 180 Light Combat Aircraft (LCA) Tejas. However, some have speculated that by the time the IAF gets all the aircraft it had ordered, these platforms would become dated.

Detailed analysis:

The article underscores India's push for self-reliance in defence (Make in India) and the strategic importance of the LCA Tejas programme. For UPSC aspirants, note the link between indigenous defence production, procurement policy and national security considerations.

Source: <https://www.ndtv.com/india-news/exclusive-lca-tejas-wont-become-dated-defence-secretary-rajesh-kumar-singh-explains-why-10965742#publisher=newsstand>

India-US Trade Pact Set to Super-Charge the Rupee!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The Indian rupee is going to be one of the big beneficiaries of the India-US trade deal, Chief Economic Adviser V Anantha Nageswaran believes, as the country gears up for wider access to key American markets.

Detailed analysis:

A stronger rupee signals confidence in trade ties and can affect the balance of payments, import-export dynamics, and inflation. Candidates should link this to external sector management, exchange-rate policy and the impact of bilateral trade agreements on the economy.

Source: <https://www.ndtv.com/india-news/rupee-to-be-big-beneficiary-of-india-us-trade-deal-chief-economic-adviser-v-anantha-nageswaran-10965083#publisher=newsstand>

India Holds Its Ground on Russian Oil – No Cuts Ahead!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

India has a strategy to diversify energy purchases to meet the needs of 1.4 billion people, the Ministry of External Affairs (MEA) said in a press briefing today.

Detailed analysis:

Energy security remains a top priority; despite geopolitical pressure, India maintains its Russian oil imports while seeking diversification. This ties into UPSC topics on energy policy, foreign relations, and the impact of sanctions on Indian energy imports.

Source: <https://www.ndtv.com/india-news/will-russian-oil-imports-be-cut-foreign-ministry-reiterates-old-stand-10965261#publisher=newsstand>

Sitharaman Urges Private Players to Fuel India's Next Growth Sprint!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

NDTV Profit Conclave 2026 Live Updates: The NDTV Profit Conclave 2026, themed "India: The Real Deal," began, with this year's edition taking place in Delhi.

Detailed analysis:

The statement stresses the government's intent to deepen private-sector participation in infrastructure, manufacturing and services. Relevant for aspirants studying economic reforms, PPP models and the role of the private sector in achieving GDP targets.

Source: <https://www.ndtv.com/india-news/ndtv-profit-conclave-2026-live-updates-india-real-deal-profit-conclave-opens-with-focus-on-new-india-us-trade-deal-nirmala-sitharaman-piyush-goyal-10964117#publisher=newsstand>

Modi and Malaysia's Anwar Jam Together in a Diplomatic Carpool!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Prime Minister Narendra Modi on Saturday shared a car ride with his Malaysian counterpart, Anwar Ibrahim, following the former's arrival in Malaysia as part of his two-day visit in the Southeast Asian nation.

Detailed analysis:

The gesture reflects deepening India-Malaysia ties, covering trade, connectivity and regional security. For exams, note the relevance to India's Act East Policy, bilateral cooperation in ASEAN and strategic engagements with Southeast Asian neighbours.

Source: <https://www.ndtv.com/world-news/pm-modi-shares-car-ride-with-malaysian-counterpart-on-way-to-community-meet-10964965#publisher=newsstand>

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Acknowledging it is difficult to give precise answers, Chief Economic Adviser V Anantha Nageswaran warned on Saturday that AI advancements put coding and cognitive jobs at risk, which will inevitably affect hiring trends.

Detailed analysis:

AI's disruptive potential raises policy questions on skill up-gradation, education reforms and employment generation. Aspirants should connect this to the government's Digital India agenda, Skill India initiatives, and labour market dynamics.

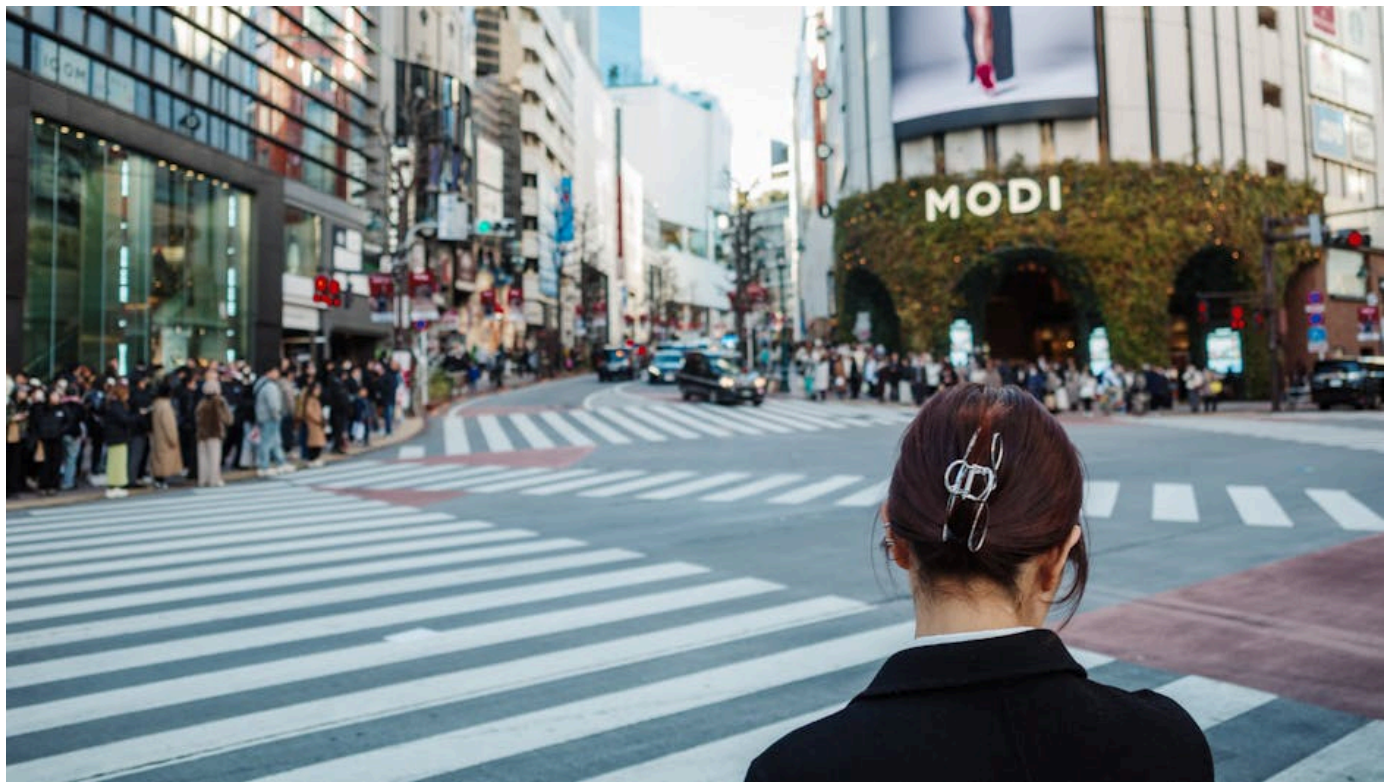

Source: <https://www.ndtv.com/india-news/ndtv-profit-conclave-2026-future-hiring-will-be-impacted-chief-economic-adviser-v-anantha-nageswaran-on-ai-role-10965341#publisher=newsstand>

Modi Hails India as the World's Strongest Currency in Malaysia!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

“Trust has become India’s strongest currency,” Mr. Modi said, citing trade deals with the UK, UAE, Australia, New Zealand, Oman, the EU and the U.S.

Detailed analysis:

The speech underscores India’s diplomatic push to position itself as a reliable trade partner in Southeast Asia, a key focus for UPSC aspirants studying India’s foreign policy and economic outreach under the current government.

Source: <https://www.thehindu.com/news/national/pm-modi-address-indian-community-in-malaysia/article70603986.ece>

Pakistan's Economy Cripples Over Indian Vaccine Shortage!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The government currently provides 13 types of vaccines free of charge to citizens, yet none are produced locally

Detailed analysis:

Health diplomacy is a strategic tool; India's vaccine exports affect regional stability and trade balances, a topic relevant for questions on India-Pakistan relations and public health policy.

Source: <https://www.thehindu.com/news/international/lack-of-access-to-cost-effective-indian-vaccines-straining-pakistans-economy-minister/article70603551.ece>

China Flexes Muscle: Massive Naval-Air Showdown in the South China Sea!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

“In an attempt to stir up troubles in the South China Sea, the Philippine side roped in countries outside the region and conducted so-called ‘bilateral air patrol’,” said the China Southern Theater

Detailed analysis:

The increased Chinese activity heightens maritime security challenges for India’s Eastern Command and underscores the importance of the Indian Ocean Region in strategic studies.

Source: <https://www.thehindu.com/news/international/china-conducts-naval-air-patrols-around-disputed-south-china-sea/article70603750.ece>

Russia Unleashes 400 Drones and 40 Missiles in a Devastating Energy Blitz!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The government launched emergency cut-offs of power across the country

Detailed analysis:

The escalation signals Russia's willingness to target critical infrastructure, a scenario that could influence global energy prices and India's energy security planning.

Source: <https://www.thehindu.com/news/international/russia-strike-ukraine-kyiv-energy-sector-zelensky/article70603338.ece>

Iran and U.S. Near New Missile Talks – Tension Rises Again!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Iran's Foreign Minister said that Iran's missile programme was "never negotiable" because it relates to a "defence issue".

Detailed analysis:

Developments in Iran-U.S. negotiations impact the security dynamics of the Middle East, affecting India's energy imports and its strategic calculus in the region.

Source: <https://www.thehindu.com/news/international/iran-fm-us-talks-next-round-missile-program/article70603652.ece>

Deadly Mosque Suicide Blast Triggers Massive Arrests in Pakistan!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Investigators have also revealed that prior to the Islamabad bombing, the attacker had remained in Afghanistan for approximately five months where he allegedly received formal training in weapons handling and suicide attacks

Detailed analysis:

Cross-border militancy remains a critical concern for India's internal security and its diplomatic engagement with Pakistan and Afghanistan, a frequent UPSC exam theme.

Source: <https://www.thehindu.com/news/international/islamabad-mosque-suicide-attack-blast-peshawar-arrest-feb-7-2026/article70603399.ece>

India's Oil Lifeline Under Fire: Goyal Promises 'Crystal-Clear' Answers While Washington Watches

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Piyush Goyal highlighted India's efforts to safeguard farmers and assured that the Ministry of External Affairs will soon clarify the status of Russian oil imports amid heightened US scrutiny.

Detailed analysis:

Energy security and geopolitical risks dominate India's trade balance. Aspirants should note the impact of sanctions on oil prices, the role of the MEA in diplomatic negotiations, and how such clarifications affect the balance of payments and farmer subsidies.

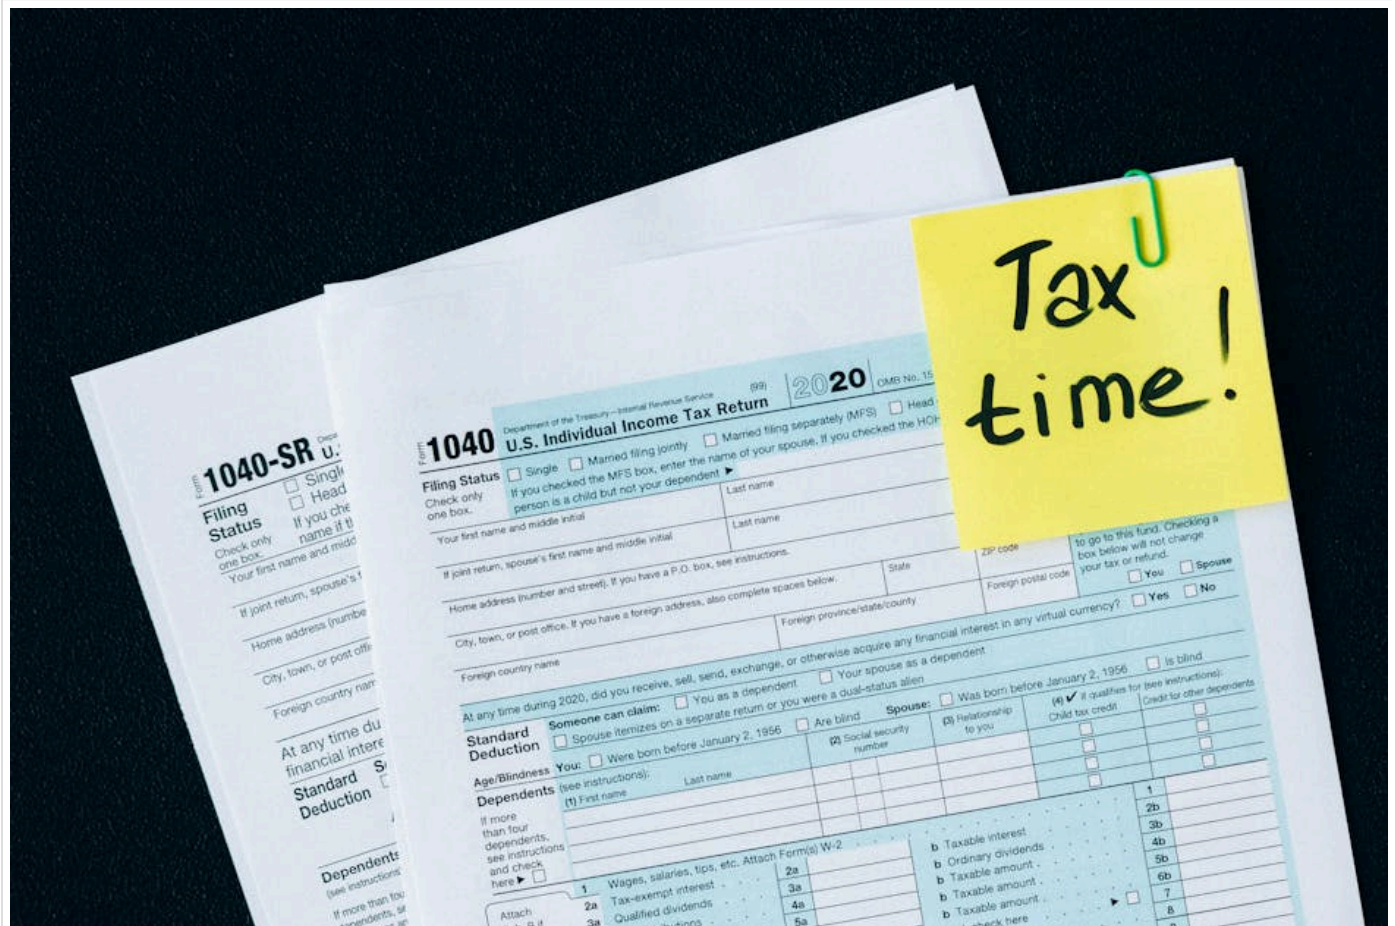

Source: <https://www.livemint.com/news/india/piyush-goyal-says-mea-will-provide-clarity-on-india-s-russian-oil-imports-as-us-set-to-monitor-supplies-11770457978139.html>

Wall Street's Secret Weapon Under Siege: India Moves to Tax Jane Street's Gains and Block Treaty Perks

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Tax authorities have proposed treating Jane Street Group's earnings as capital gains and denying treaty benefits with Singapore, reflecting ongoing tensions with the securities regulator SEBI.

Detailed analysis:

The move underscores India's aggressive stance on taxing foreign trading firms and protecting domestic markets. Candidates must understand capital-gain taxation, treaty-benefit clauses, and SEBI's regulatory scope.

Source: <https://www.livemint.com/news/jane-street-profits-tax-capital-gain-recommend-indian-income-tax-official-seek-deny-singapore-treaty-benefit-gaar-report-11770451186459.html>

Cartographic War: US Trade Map Stirs Diplomacy Fire by Painting Kashmir as One India

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

A United States Trade Representative post displayed India as a single territory, including Pakistan-occupied Kashmir and Aksai Chin, prompting online debate over geopolitical messaging.

Detailed analysis:

Trade negotiations often blend economics with geopolitics. Aspirants should note how visual representations can influence public perception and bilateral talks, potentially affecting tariff structures and market access.

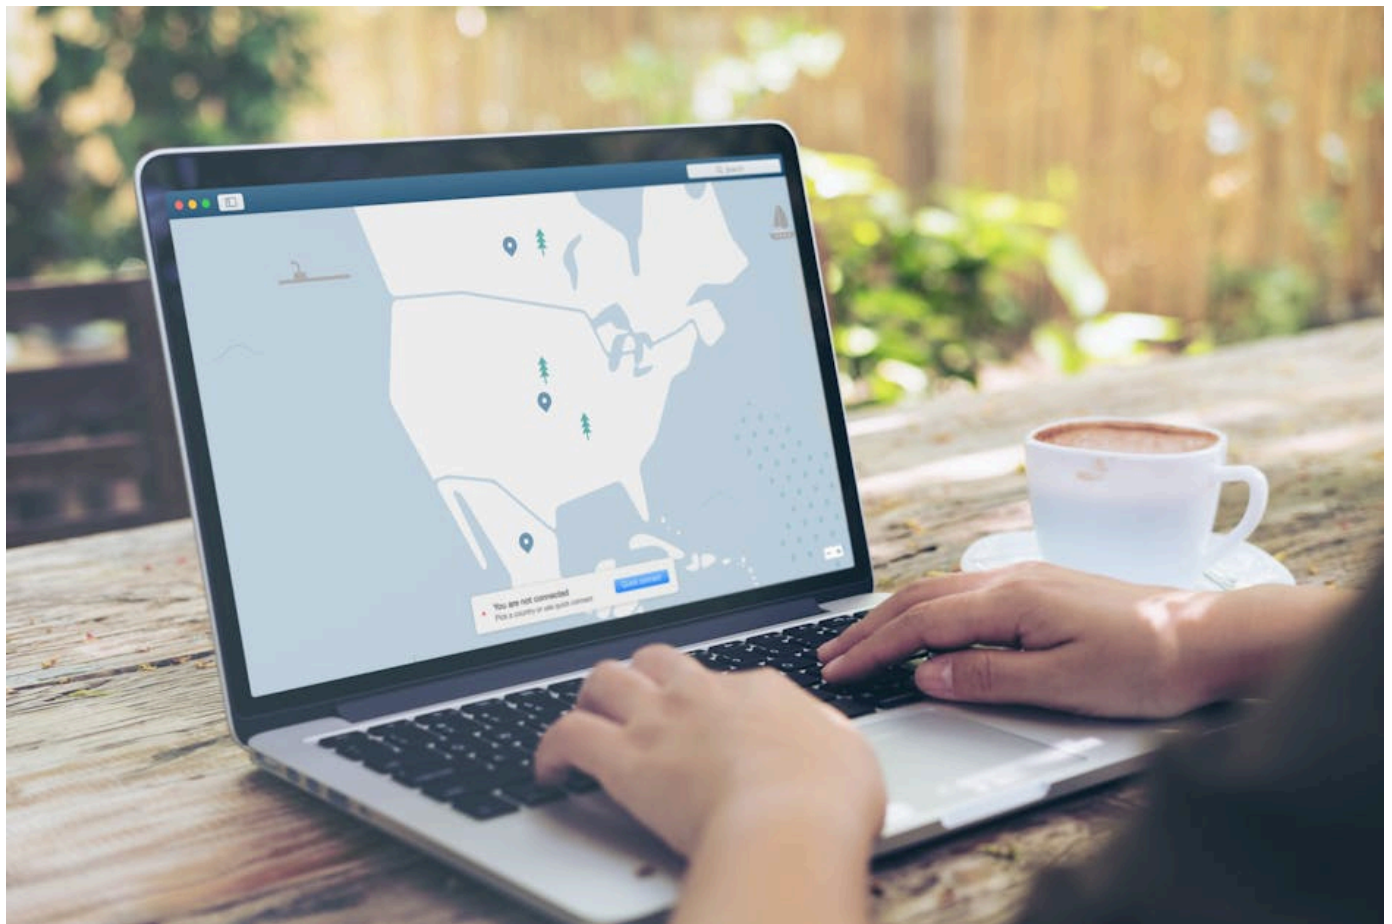

Source: <https://www.livemint.com/news/india/ustr-graphic-on-india-trade-deal-shows-map-with-undivided-j-k-netizens-say-message-to-pak-11770449929713.html>

Retirees Brace for Money Drop: Social Security's Feb 11 Payday Revealed Amid 2.8% COLA Surge

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The February 2026 Social Security payout schedule is outlined, with the main disbursement on Feb 11 and a 2.8% cost-of-living adjustment for retirees, while SSI payments may shift due to weekend holidays.

Detailed analysis:

Understanding the timing of government transfers aids in macro-economic forecasting. The COLA impacts disposable income, consumer spending, and inflation trends—key topics for UPSC and banking exams.

Source: <https://www.livemint.com/news/us-news/social-security-february-2026-payments-who-gets-paid-on-february-11-full-schedule-and-ssi-details-11770473558588.html>

Piketty's Shock Warning: Protectionism Is a Wealth-Killer, Free Trade Is the Real Gold Mine

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Thomas Piketty argues that restricting trade to protect domestic industries usually makes a country poorer overall.

Detailed analysis:

The quote reinforces classic comparative-advantage theory. For exam preparation, link it to India's trade policies, WTO commitments, and the balance between liberalisation and strategic industries.

Source: <https://www.livemint.com/news/trends/quote-of-the-day-economist-thomas-piketty-shares-his-bit-on-free-trade-protectionism-does-not-produce-wealth-11770452955635.html>

Coal Catastrophe: 27 Dead as Mine Blast Shakes India's Energy Backbone

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Meghalaya Minister Lahkmen Rymbui reported that two individuals were detained during the active probe into the tragedy, which has raised concerns over mining safety standards.

Detailed analysis:

The incident highlights regulatory challenges in the mining sector, affecting supply-side economics for coal—a critical input for power generation. Candidates should note safety compliance, environmental impact, and its ripple effect on energy pricing.

Source: <https://www.livemint.com/news/india/meghalaya-coal-mine-blast-death-toll-surges-to-27-search-rescue-operations-ongoing-11770455185694.html>

Milan-Cortina Olympics Unleashed: Politics Storms the Opening Ceremony!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

OLYMPICS-2026-OPENING:Olympics-Italian president declares Milano Cortina Games open as politics intrudes

Detailed analysis:

The opening ceremony sets the tone for the 2026 Winter Games, highlighting geopolitical sensitivities that may affect athlete participation and media coverage—key for UPSC and state exam essay topics on sports diplomacy.

Inside Vijay Kedia's ₹1,118 Cr Portfolio Decline—What Investors Must Watch

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Investors often track the portfolios of seasoned market veterans for insights. In this context, ETMarkets reviewed the investment holdings of veteran investor Vijay Kedia. According to the latest available data for the December 2025 quarter, Kedia has publicly disclosed stakes in around 17 companies, with a combined market value of approximately Rs 1,118 crore as of February 6, 2026. This marks a decline of nearly 19% from Rs 1,378 crore recorded in March 2025.

Detailed analysis:

Portfolio-value erosion highlights the impact of macro-economic shifts on equity holdings—key for case-based questions on market risk in competitive exams.

Tiger Trekker Tamed! River-Crossing Beast Captured in East Godavari

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

After a 53-day movement through forest corridors and inhabited areas, the transient male tiger is secured in a cattle shed at Kurmapuram village on Friday evening, forest officials say. They add that the animal does not attack any human during its long journey and is in stable condition, with a decision yet to be taken on shifting it to a zoo or a rescue centre

Detailed analysis:

Illustrates wildlife corridor effectiveness and inter-state coordination in managing large carnivores, a key topic for civil-service exams covering human-wildlife conflict, forest administration, and biodiversity corridors.
