Supreme Court Grills Bengal Over Election Officer Snag!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The Supreme Court on Monday, while issuing additional directions to streamline the ongoing SIR in West Bengal, questioned the Mamata Banerjee government over the delay in providing a list of Group-B officers to the Election Commission.

Detailed analysis:

Emphasizes judicial oversight in electoral processes and the importance of timely compliance with election machinery norms—relevant for constitutional law and governance studies.

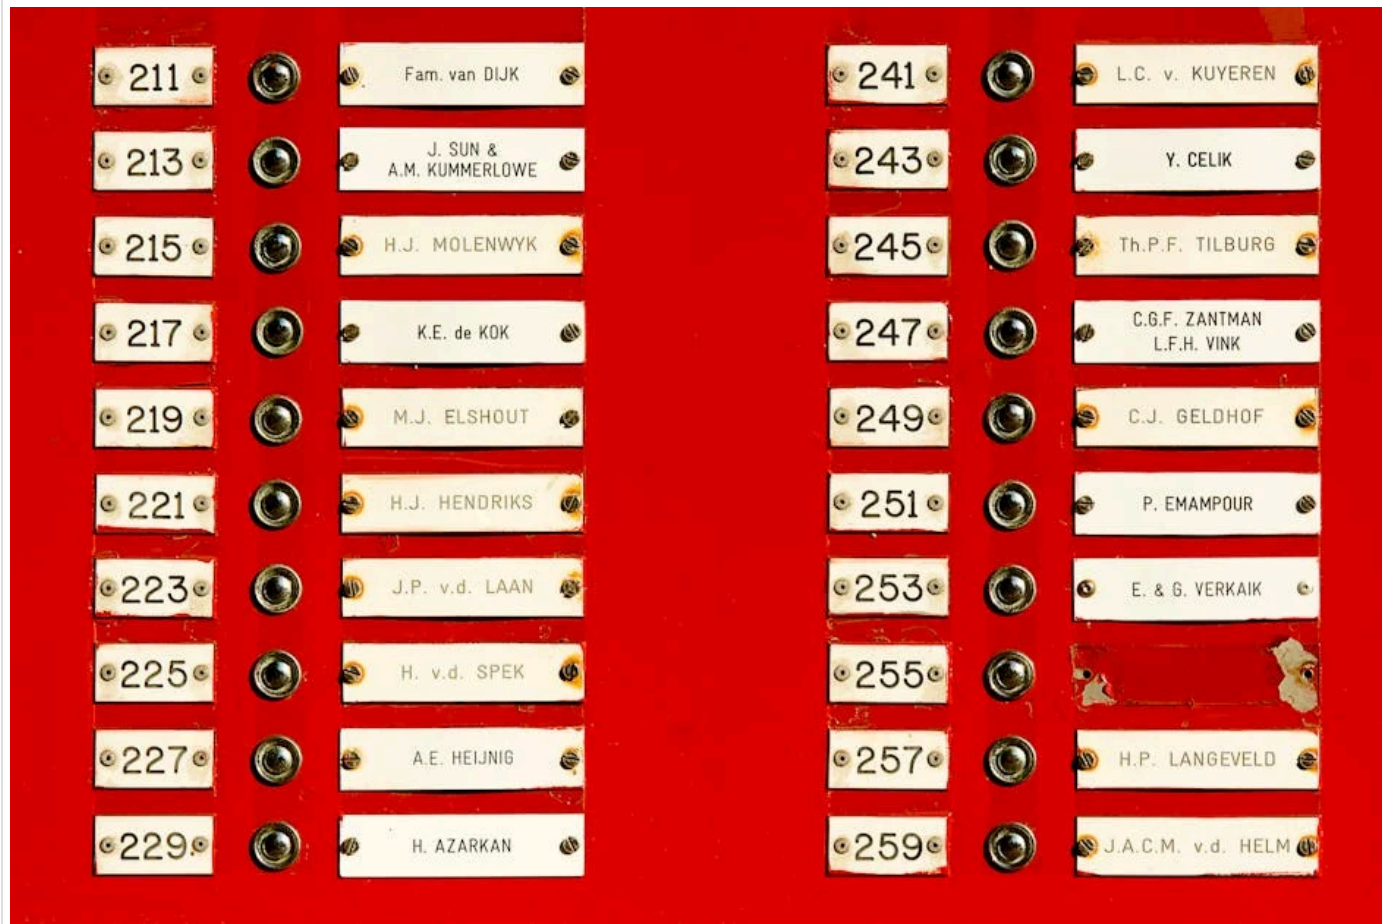

Source: <https://www.ndtv.com/india-news/top-court-questions-mamata-banerjee-government-over-delay-in-sharing-names-of-group-b-officers-for-sir-exercise-10977054#publisher=newsstand>

Counterfeit Money Trail Uncovers ₹19 Cr Cocaine Hoard!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Questioning of an accused in a counterfeit currency case led police to bust a drug trafficking racket, resulting in the recovery of 1,937.80 g of cocaine worth Rs 19.37 crore in Jammu and Kashmir's Samba district.

Detailed analysis:

Shows inter-agency linkages between financial crime investigations and narcotics enforcement, underscoring the multidimensional nature of crime fighting—a point often examined in policing and security curricula.

Source: <https://www.ndtv.com/india-news/fake-currency-case-leads-to-rs-19-crore-cocaine-bust-in-j-k-10976519#publisher=newsstand>

Supreme Court Orders National Playbook to Stop Digital Heists!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The Supreme Court on Monday described the siphoning of over Rs 54,000 crore by digital frauds as absolute "robbery or dacoity" and asked the Centre to draft a standard operating procedure in consultation with stakeholders like the RBI and banks.

Detailed analysis:

A landmark directive that could reshape cyber-crime response mechanisms, vital for understanding recent legal reforms in digital security and financial regulation.

Source: <https://www.ndtv.com/india-news/top-court-directs-centre-to-frame-sop-to-deal-with-digital-arrest-scams-10974292#publisher=newsstand>

Farmers Fear Fallout: US-India Trade Pact Hits Soybean Heartland!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

As details of the India-US trade agreement slowly emerge, unease is spreading through the farms and mandis of Madhya Pradesh.

Detailed analysis:

Reflects the domestic impact of international trade negotiations on agriculture, a frequent exam topic linking economics, policy and rural livelihoods.

Source: <https://www.ndtv.com/india-news/india-us-trade-deal-triggers-anxiety-across-soybean-fields-of-madhya-pradesh-10976015#publisher=newsstand>

Cricket Showdown Revived: Pakistan Dumps Boycott, Faces India!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

In a massive development, the PCB (Pakistan Cricket Board) has reportedly taken a u-turn in their decision to not play against India in the ongoing T20 World Cup 2026. Pakistan will travel to Colombo and take on India on February 15.

Detailed analysis:

Highlights the intersection of sports and diplomacy, illustrating how geopolitical decisions can shift swiftly—useful for current affairs sections focusing on Indo-Pak relations.

Source: <https://www.indiatvnews.com/sports/cricket/pakistan-set-to-play-against-india-in-t20-world-cup-2026-takes-u-turn-on-boycott-decision-report-2026-02-09-1029543>

Iraq's Blood-Stained Revenge: Ex-General Hanged for Saddam-Era Murder!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The National Security Service said Saadoun Sabri al-Qaisi, a former major general under Saddam, was convicted of grave crimes against humanity and executed.

Detailed analysis:

Highlights Iraq's ongoing reckoning with past atrocities, signaling a tougher stance on human rights violations which may affect regional stability and sectarian dynamics—crucial for UPSC and diplomatic studies.

Source: <https://www.thehindu.com/news/international/iraq-executes-former-senior-officer-under-saddam-for-1980-killing-of-shiite-cleric/article70610639.ece>

Tragedy at Sea: Tiny Lives Lost as Over-50 Drown in Libyan Shipwreck!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Two Nigerian women survived; the rest, including many infants, perished or remain missing, according to UN IOM.

Detailed analysis:

Reflects the acute Mediterranean migration crisis, the role of UN agencies, and Libya's instability—key topics for international relations and humanitarian policy exams.

Source: <https://www.thehindu.com/news/international/babies-among-53-dead-or-missing-after-migrant-boat-sinks-off-libya-un-says/article70610948.ece>

Lebanon's Shaky Towers: Fifteen Dead as Six-Story Slum Crumbles!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

A six-story apartment building in the impoverished Bab Tabbaneh neighbourhood collapsed on Feb 8.

Detailed analysis:

Shows Lebanon's infrastructural fragility amid economic crisis, relevant for governance and disaster management sections of exams.

Source: <https://www.thehindu.com/news/international/tripoli-lebanon-building-collapse-death-toll-injuries-updates-february-9-2026/article70610842.ece>

Energy Showdown: US Secretary Heads to Caracas to Wrestle PDVSA Control!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Visit aims to discuss leadership changes at state oil company PDVSA.

Detailed analysis:

Signals US interest in Latin American energy security and Venezuela's geopolitical pivot, important for foreign policy studies.

Source: <https://www.thehindu.com/news/international/us-energy-secretary-to-visit-venezuela-to-discuss-pdvsa-leadership-politico-reports/article70610648.ece>

Silencing the Press: Jimmy Lai Gets Two-Decade Prison Term in Hong Kong!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Jimmy Lai's trial was the most high-profile national security case in the financial hub.

Detailed analysis:

Illustrates China's tightening grip on Hong Kong's autonomy and press freedom, a vital case for constitutional and international law topics.

Source: <https://www.thehindu.com/news/international/hong-kong-tycoon-jimmy-lai-sentenced-to-20-years-in-national-security-trial/article70609487.ece>

Breaking the Glass Ceiling: Japan Elects Its First Woman Leader!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Sanae Takaichi, who rose to prominence in 2025, leads the Liberal Democratic Party to a two-thirds majority in the Feb 8 snap election.

Detailed analysis:

Marks a historic shift in Japan's male-dominated politics, impacting gender studies and East Asian political dynamics—relevant for exam syllabi.

Source: <https://www.thehindu.com/news/international/japan-pm-sanae-takaichi-wins-elections-ldp-who-is-she/article70609833.ece>

Goyal Slams US: Zero Tariffs Could Have Won the Trade War!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

“Sergio pointed out one very important factor — the US lost the match by 18%. And a very humble request I made to him as a suggestion that if only you had made the reciprocal tariff zero, you would possibly have won the match,” Goyal said.

Detailed analysis:

The remark underscores India’s stance on reciprocal trade measures and signals to Indian UPSC/PSC aspirants that tariff negotiations remain a high-stakes diplomatic tool. Understanding the 18% US tariff on Indian goods and the demand for zero-tariff reciprocity is crucial for questions on India-US trade policy and its impact on domestic industries.

Source: <https://www.livemint.com/news/india/if-us-had-made-reciprocal-tariffs-zero-what-piyush-goyal-told-us-ambassador-on-18-india-tariffs-11770650190415.html>

Metro Fare Freeze! Karnataka Govt Blocks Hike, Centre Stays Out

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Karnataka Deputy CM DK Shivakumar on Monday said the decision to put the fare hike on hold was made by the Karnataka government. He has directed the BMRCL officials to prepare a revised fare structure.

Detailed analysis:

Public transport pricing directly affects urban economics and state-centre fiscal relations. For civil-service exams, note the political leverage used by state leaders to curb fare hikes and the implication for metro project financing and subsidy models.

Source: <https://www.livemint.com/news/india/bengaluru-metro-fare-hike-put-on-hold-credit-goes-to-karnataka-govt-centre-has-no-role-says-shivakumar-11770638466604.html>

Schwarzman's Secret Playbook: Buying the Dip in a Liquidity Crunch!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Blackstone Group CEO Stephen Schwarzman says economic downturns are normal and temporary. While recessions bring falling prices and tight liquidity, disciplined investors can seize opportunities by buying quality assets cheaply with less risk, positioning themselves for growth when the cycle turns.

Detailed analysis:

Schwarzman's advice highlights contrarian investing – a theme frequently asked in economics and finance papers for UPSC and state exams. Recognising how private-equity firms capitalize on illiquid markets helps answer questions on capital allocation during recessions.

Source: <https://www.livemint.com/news/trends/quote-of-the-day-blackstones-stephen-schwarzman-on-tackling-downturns-ive-lived-through-periods-of-illiquidity-11770636506585.html>

Iran's Nuclear Deal Gambit: Dilute HEU for Sanction Relief!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Iranian Atomic chief Mohammad Eslami has indicated Tehran may be willing to dilute its stockpile of highly enriched uranium if all international sanctions imposed on the country are lifted

Detailed analysis:

A potential shift in Iran's nuclear policy can reshape global energy markets and affect oil price dynamics. Aspirants should link this development to sanctions-driven economic pressures and the strategic calculations behind nuclear non-proliferation negotiations.

Source: <https://www.livemint.com/news/world/iran-ready-to-dilute-highly-enriched-uranium-if-all-sanctions-are-lifted-atomic-chief-eslami-11770638232502.html>

Image 1 (Real):

Image 2 (Pexels):

Summary:

This year's commercials ran the gamut from moving and ingenious to baffling and bizarre. With emotional storytelling, celebrity reinventions, AI themes and odd humour on display, Super Bowl LX sold itself as much through its advertising as the game itself.

Detailed analysis:

The Super Bowl remains a premier platform for brand messaging and media spend. For business-studies exams, analyse why certain ad concepts succeed, the ROI of high-budget spots, and the role of AI-driven creativity in modern marketing.

Source: <https://www.livemint.com/news/trends/bad-good-super-bowl-commercials-2026-the-13-best-ads-the-ones-that-bombed-and-baffled-viewers-11770643469088.html>

Fog Alert! Dense Fog Threatens Gulf Coast Logistics – Travel & Shipping Chaos Ahead

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

February 9 serves as a primary weather impact date owing to a Dense Fog Advisory for sections of the River and Bayou Parishes

Detailed analysis:

Severe weather advisories can disrupt supply chains, especially for ports and road freight in the Gulf region. Exam takers should understand how weather-related disruptions translate into economic losses and affect commodity prices.

Source: <https://www.livemint.com/news/us-news/us-weather-dense-fog-advisory-for-parts-of-louisiana-mississippi-what-you-must-know-before-heading-out-11770642710973.html>

Shooting Scandal! Jaspal Rana Banned Over Trivial Trousers at Asian Championships!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The jury at the Asian shooting said the brown trousers of Manu Bhaker's coach flouted ISSF rules; Jaspal calls it unfair ruling

Detailed analysis:

Highlights ISSF dress-code enforcement and its impact on Indian coaches, useful for understanding sports governance and rule-making—topics often asked in UPSC sports policy sections.

Source: <https://www.hindustantimes.com/sports/others/jaspal-rana-barred-from-coaches-corner-over-dress-code-101770652911147.html>

India's New Tennis Titan! Suresh's Monster Serve Rockets Team into Davis Cup Round-2!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The 6'5" Madurai-born player possesses a weapon not many can flaunt in Indian tennis currently: a big serve.

Detailed analysis:

Showcases emergence of a tall Indian player with a powerful serve, reflecting India's growing stature in global tennis—relevant for sports development questions in civil services exams.

Source: <https://www.hindustantimes.com/sports/tennis/big-serving-debutant-dhakshinewar-suresh-powers-india-into-davis-cup-qualifiers-r2-101770626081755.html>

David Beats Goliath! Suresh's Heroics Lead India to Shock Dutch in Davis Cup!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The youngster won both singles and also the doubles with Bhambri as India won the tie 3-2 in Bengaluru

Detailed analysis:

India's 3-2 victory demonstrates depth in men's tennis and the importance of doubles partnerships—key points for questions on India's performance in team sports events.

Source: <https://www.hindustantimes.com/sports/tennis/davis-cup-suresh-the-star-as-india-topple-dutch-101770575243926.html>

Haaland's Heroics! Man City Snatches Thriller from Liverpool, Title Race Heats Up!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Haaland seals dramatic 2-1 win for Man City at Liverpool to boost Premier League title challenge

Detailed analysis:

Illustrates the impact of a marquee striker on league dynamics; useful for understanding commercial sports leagues, player marketability, and competitive balance—topics in sports economics.

Source: <https://www.hindustantimes.com/sports/football/haaland-seals-dramatic-2-1-win-for-man-city-at-liverpool-to-boost-premier-league-title-challenge-101770579708093.html>

Age Defying Snowboard Legend! 52-Year-Old Claudia Riegler Shreds Olympic Slopes!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

A 52-year-old Olympian? Austria's Claudia Riegler turns back the clock on her snowboard

Detailed analysis:

Emphasizes longevity in sports and the role of experience; relevant for questions on athlete career management and the evolving age norms in high-performance sport.

Source: <https://www.hindustantimes.com/sports/others/a-52-year-old-olympian-austria-s-claudia-riegler-turns-back-the-clock-on-her-snowboard-101770579775348.html>

Luge Dominance! Langenhan Blazes to Gold, Leaving Rivals in the Dust!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

OLYMPICS-2026-LUGE:Olympics-Luge-Langenhan takes crushing singles gold for Germany

Detailed analysis:

Showcases Germany's strength in winter sports and the technical precision of luge; useful for comparative analysis of nation-wise performance in the Olympics, a common UPSC topic.

ISRO Locks Onto Lunar Landing Spot – India's Next Moon Leap!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

According to ISRO officials, they had zeroed in on four sites of the Mons Mouton, and found one of them suitable for landing on the lunar surface

Detailed analysis:

Key for UPSC and JEE Advanced: showcases India's lunar exploration roadmap, site-selection criteria, and relevance to space technology & policy sections of the General Studies papers.

Source: <https://www.thehindu.com/sci-tech/science/isro-identifies-site-for-chandrayaan-4-lander/article70611017.ece>

Kerala's Hidden Dragonfly Unveiled – A Decade-Long Mystery Solved!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Although the species has been known to be found in Kerala since 2013, it had remained misidentified for over a decade as *Lyriothemis acigastra*, a species previously thought to be restricted to northeast India

Detailed analysis:

Important for Biology & Environment sections of exams; highlights endemic fauna, taxonomic challenges and the need for regional biodiversity documentation.

Source: <https://www.thehindu.com/news/national/kerala/new-dragonfly-species-discovered-in-kerala-named-lyriothemis-keralensis/article70610007.ece>

Artificial Intelligence Becomes Jurassic Detective – Tracing Dinosaur Steps!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Footprints can tell scientists a lot, including the type of environment a dinosaur inhabited and, when other tracks are present, the types of animals that shared an ecosystem

Detailed analysis:

Links cutting-edge AI with paleontology; useful for questions on interdisciplinary research, data analytics, and the application of technology in natural sciences.

Source: <https://www.thehindu.com/sci-tech/science/new-ai-method-helps-identify-which-dinosaur-made-which-footprints/article70610283.ece>

Scientists Split Electricity by Handedness – A Leap Toward Ultra-Low Power Computing!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

If some engineering challenges can be overcome, the technology could lead to low-power computing and new forms of magnetic memory

Detailed analysis:

Relevant for Physics & Engineering syllabus; illustrates spin-based electronics, potential for quantum computing and future tech policy.

Source: <https://www.thehindu.com/sci-tech/science/iit-delhi-germany-team-makes-device-to-sort-current-by-handedness/article70609625.ece>

Musk's Moon-First Pivot – SpaceX Dumps Mars for Lunar Gold Rush!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Space X has found massive success as a NASA contractor, but critics have for years panned Elon Musk's Mars colonisation plans as overambitious

Detailed analysis:

Shows global space policy shifts; valuable for International Relations & Science & Technology sections, especially comparative analysis with India's lunar agenda.

Source: <https://www.thehindu.com/sci-tech/science/spacex-shifts-focus-from-mars-to-moon-musk-says/article70609502.ece>

India's Space Budget Gets a Boost – Home-grown Telescopes Take Center Stage!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Only a few large astronomical observatories are capable of groundbreaking discoveries worldwide, which means researchers have to compete for observation time. When funding agencies favour their own national researchers, international scientists' access becomes increasingly restricted, and Indians are no exception

Detailed analysis:

Crucial for understanding science funding, policy decisions, and their impact on research opportunities – a frequent topic in GS Paper-II and UPSC prelims.

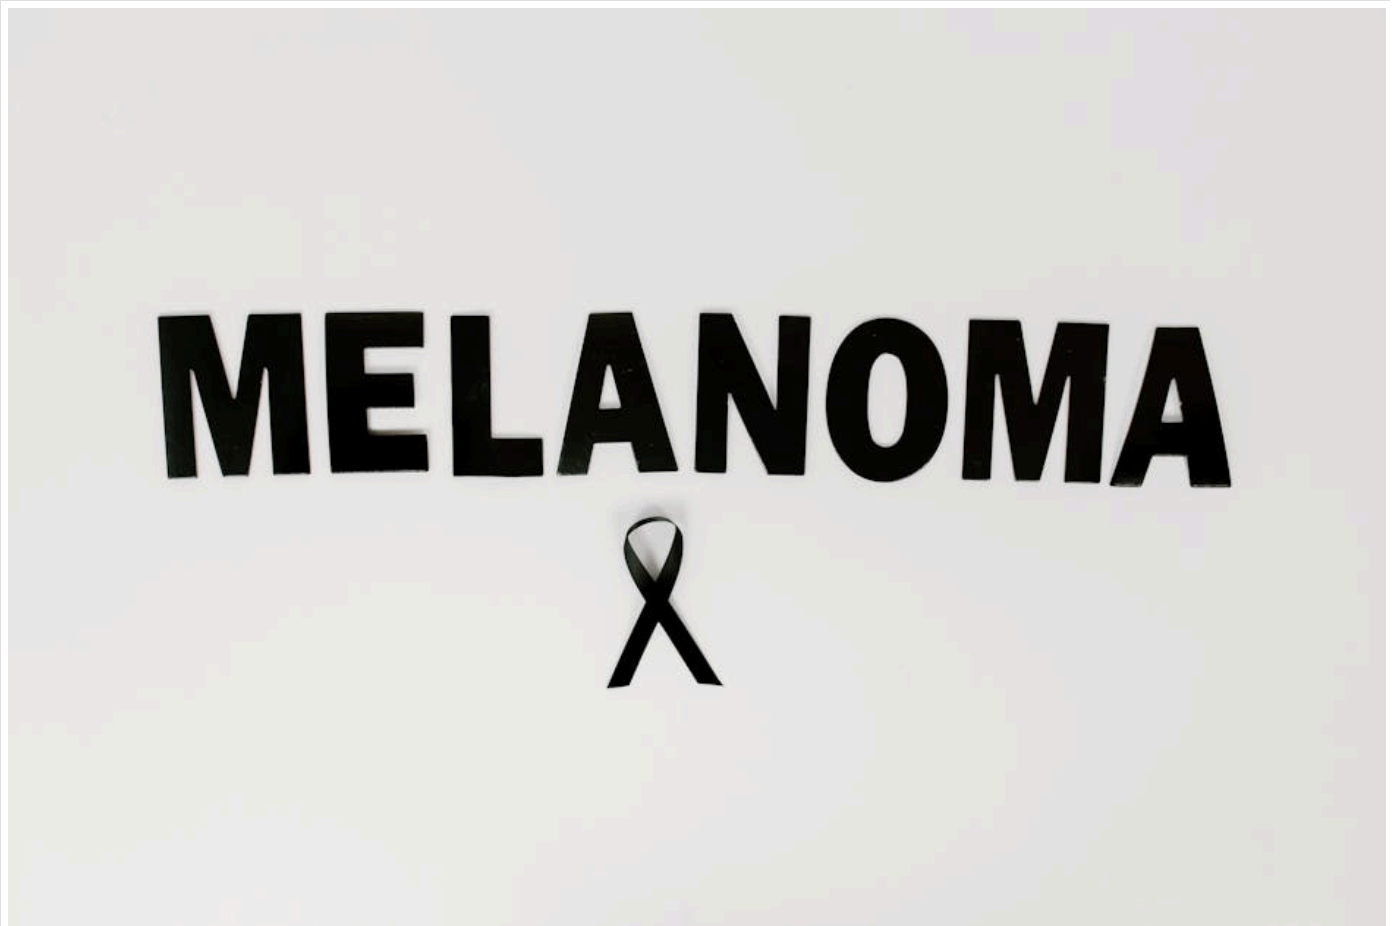

Source: <https://www.thehindu.com/sci-tech/science/budget-could-cut-reliance-on-foreign-telescope-trips-on-space-spending/article70607109.ece>

India's Fight Against Cancer Gets a Superhero Boost!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

As part of the campaign, the centres hosted an expert-led interaction focusing on the benefits of early detection across cancer types

Detailed analysis:

Highlights government-private partnership and early-diagnosis strategies—key topics for UPSC health-policy questions and public-health exams.

Source: <https://www.thehindu.com/sci-tech/health/apollo-centres-launch-zero-to-hero-campaign-to-stress-early-cancer-detection/article70610618.ece>

Stop the Myths! The Shocking Truth About First-Aid for Seizures

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Millions of Indians live with epilepsy. During a seizure, what they need most is not control, but care. It is crucial to be aware of what should and should not be done when someone near you is experiencing a seizure

Detailed analysis:

Essential first-aid knowledge for community health workers and disaster-management modules; frequently asked in medical and civil-service exams.

Source: <https://www.thehindu.com/sci-tech/health/busting-dangerous-first-aid-myths-about-epileptic-seizures/article70602951.ece>

The 1910 Nobel Secret That Unlocked DNA's Blueprint!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The 1910 Nobel Prize in Physiology or Medicine was awarded to German biochemist Albrecht Kossel for identifying key chemical components of nucleic substances and proteins within the cell nucleus. His work provided early biochemical evidence explaining heredity

Detailed analysis:

Provides historical context for genetics; useful for questions on evolution of molecular biology and Nobel-award milestones in science curricula.

Source: <https://www.thehindu.com/sci-tech/health/albrecht-kossels-nobel-winning-discovery-of-the-chemical-basis-of-heredity/article70603321.ece>

Desperate Couples Face Endless Wait for Cheap IVF in Tamil Nadu!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Madurai has emerged as a key medical hub for southern Tamil Nadu, inviting patients from neighbouring districts for specialised care. In recent years, however, infertility treatment has largely remained within the private sector, and the high cost of treatment makes it unaffordable for many families.

Detailed analysis:

Illustrates gaps in public health financing and regional disparities—critical for health-policy planning and GS-Paper III exam topics.

Source: <https://www.thehindu.com/news/cities/Madurai/the-long-wait-for-affordable-fertility-care-in-southern-tamil-nadu/article70550029.ece>

Toxic Scandal: How a Simple Chemical Nearly Crushed India's Health System!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

India's encounter with DEG has occurred at multiple points over the past four decades, leaving behind a trail of deaths. The lesson here is to build credible government institutions that can safeguard public health

Detailed analysis:

Serves as a case study on regulatory failures, food-and-drug safety, and the need for robust institutional frameworks—frequent in ethics and governance sections of exams.

Source: <https://www.thehindu.com/sci-tech/health/when-institutional-reliability-matters-the-story-of-di-ethylene-glycol/article70560145.ece>

Breakthrough! Metabolism Target Could End Fungal Infections Forever!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

CCMB scientists have discovered that targeting fungal metabolic pathways offers a novel therapeutic avenue for developing antifungal drugs, opening possibilities for more effective treatments against resistant infections.

Detailed analysis:

Highlights cutting-edge biomedical research and potential drug-development strategies; relevant for science-technology sections and future-oriented health policy questions.

Source: <https://www.thehindu.com/sci-tech/science/ccmb-scientists-identify-metabolism-as-new-target-for-antifungal-therapies/article70603285.ece>

Grab Your Golden Ticket: KCL Rolls Out Massive Scholarship Blitz for Indian Youth!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

King's College London opens new round of scholarships for Indian students.

Detailed analysis:

The scholarship programme by a top UK university provides a rare opportunity for Indian students to pursue world-class education with financial support. Aspirants should check eligibility criteria, prepare required documents, and apply promptly as slots are limited. Securing such a scholarship can significantly reduce the financial burden and enhance a resume for future government or private sector jobs.

Source: <https://www.hindustantimes.com/education/news/kings-college-london-opens-new-round-of-scholarships-for-indian-students-101770646954749.html>

*Space Dreamers Alert: IIT Madras Launches Free-Entry Online BS in Aeronautics & Space Tech
– No JEE Needed!*

Image 1 (Real):

Image 2 (Pexels):

Summary:

IIT Madras has launched an online BS program in Aeronautics & Space Technology open to Class 12 pass and diploma holders.

Detailed analysis:

This program breaks the traditional JEE barrier, allowing a wider pool of students to access IIT-quality education in a high-growth sector. It aligns with government's focus on aerospace and defence skill development. Candidates should verify accreditation, understand the curriculum, and consider how the degree fits into UPSC/SSC career pathways or industry roles.

Banking Boom: Govt Rolls Out 10,000+ Internships in Finance & Insurance – Your Fast-Track to a Secure Job!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Ministry of Skill Development & Entrepreneurship is offering internship opportunity in Banking, Finance and Insurance sectors. Check them out.

Detailed analysis:

The internships are designed to bridge the skill gap for fresh graduates and diploma holders, providing hands-on experience in high-demand sectors. Participation can enhance employability for banking exams (IBPS, SBI PO) and provide a competitive edge in SSC/UPSC prelims where banking knowledge is useful. Applicants must meet age and educational criteria and apply before the deadline.

Source: <https://www.hindustantimes.com/education/features/ministry-of-skill-development-entrepreneurship-offers-internship-for-banking-finance-insurance-sectors-101770631177996.html>

NEET 2026 Opens Doors – Register NOW or Miss Your Shot at a Medical Career!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

NEET UG Exam 2026 registration has started. The steps to apply for NTA NEET is given here.

Detailed analysis:

NEET is the gateway to MBBS/BDS seats across India. Early registration ensures a smoother application process and access to preferred exam centres. Aspirants should verify their eligibility, upload correct documents, and keep the application ID safe for future correspondence. Missing the deadline eliminates any chance of appearing for the 2026 intake.

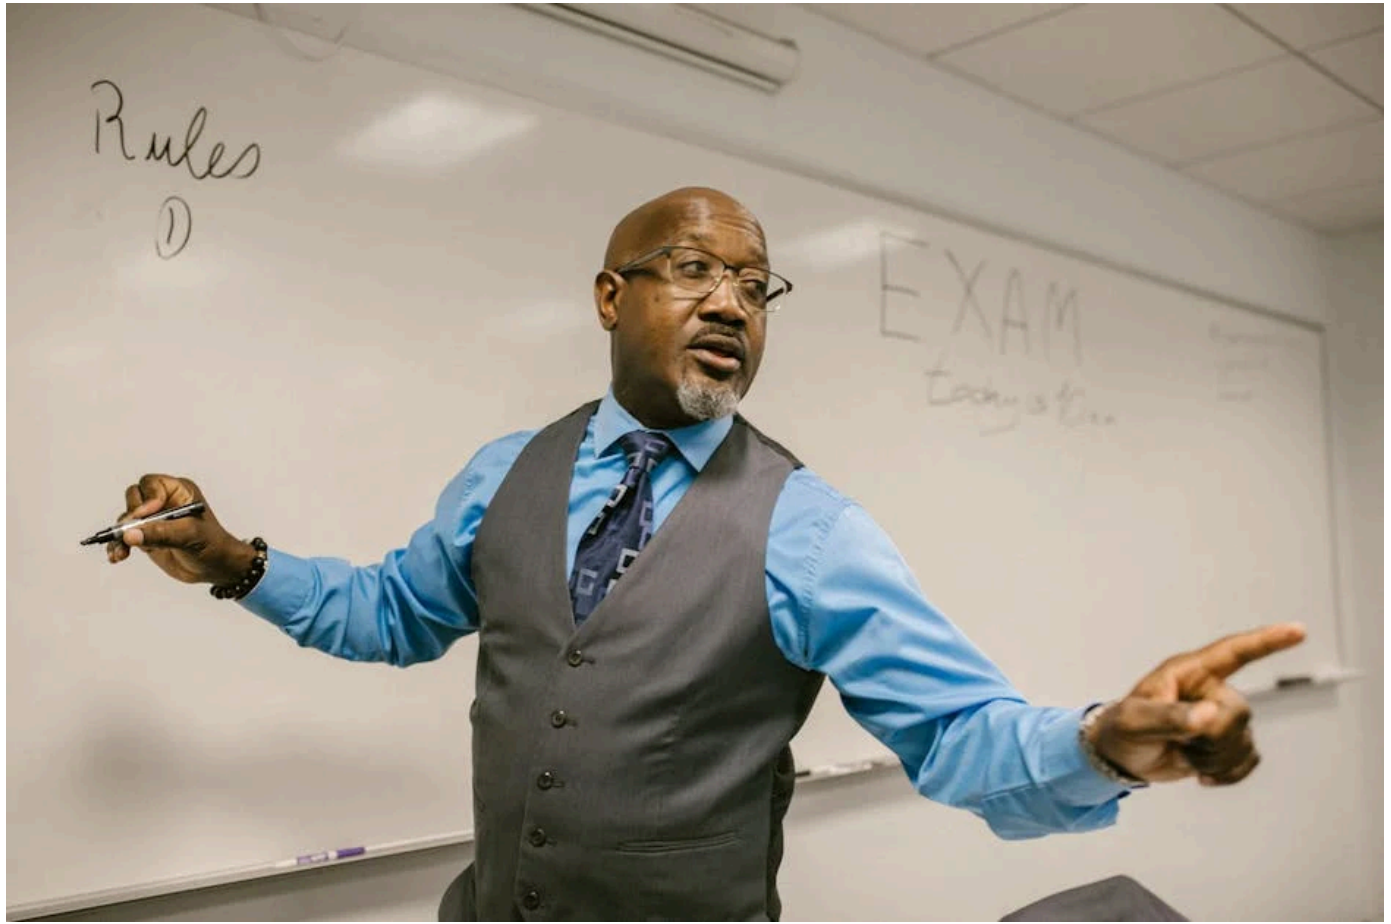

Source: <https://www.hindustantimes.com/education/neet-ug-exam-2026-registration-begins-heres-how-to-apply-at-neetntanicin-101770614845240.html>

Final Call: AP SET 2025 Deadline Hits – Secure Your Teaching Post Before Midnight!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

AP SET 2025 registration ends today, February 9. The direct link to apply for Andhra Pradesh State Eligibility Test is given here.

Detailed analysis:

Clearing AP SET is essential for eligibility to teaching positions in Andhra Pradesh universities and colleges. The exam also adds weight to applications for central teaching jobs (e.g., UPSC NET). Candidates must ensure they meet educational qualifications, upload the required certificates, and submit the form before the cut-off to avoid disqualification.

Source: <https://www.hindustantimes.com/education/competitive-exams/ap-set-2025-last-date-today-to-apply-for-andhra-pradesh-state-eligibility-test-direct-link-here-101770610731552.html>

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Pariksha Pe Charcha 2026 Episode 2 aired on February 9. PM Modi spoke about startups, use of AI, developing leadership mindset. Check the key takeaways here.

Detailed analysis:

The Prime Minister's emphasis on AI underscores its growing relevance in competitive exams, especially in subjects like General Studies and Science. Aspirants should start integrating AI-based study tools, data-analysis techniques, and critical thinking exercises into their preparation. The session also highlights the need for a disciplined routine and leadership qualities, which are valuable for interview stages of services exams.

RBI Hits the Brakes! No More Rate Cuts as Inflation Creeps Up!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The Reserve Bank of India's rate cuts may be over. Economists predict a pause as inflation pressures rise and growth prospects improve. Trade deals with the USA and EU boost economic outlook. The central bank has kept its policy rate steady. This suggests monetary policy easing is largely complete. Some still anticipate one final cut.

Detailed analysis:

Key for UPSC and banking exams: signals the end of the RBI's easing cycle, highlighting inflation-driven policy tightening. Candidates should note implications for fiscal deficit, sovereign bond yields and the impact on consumer credit growth.

Source: <https://economictimes.indiatimes.com/markets/stocks/news/rbi-signals-pause-after-december-cut-as-inflation-pressures-edge-up/articleshow/128091182.cms>

SEBI Slashes Entry Barriers! Retail Investors Can Join Social Impact Funds for Just ₹1,000!

 Original Image

Image 2 (Pexels):

Summary:

Sebi on Monday proposed a sharp reduction in the minimum investment required from individual investors in social impact funds to Rs 1,000 from the existing Rs 2 lakh, in a move aimed at widening retail participation and easing fundraising for not-for-profit organisations (NPOs) on the Social Stock Exchange (SSE).

Detailed analysis:

Important for finance and governance sections of exams: showcases regulatory push for inclusive capital markets and the role of the Social Stock Exchange in channelising retail savings to social projects.

Power Titans Collide! PFC and REC to Merge, Creating Mega NBFC for India's Power Dreams!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Power Finance Corporation's board has approved an in-principle merger with REC, advancing a Union Budget proposal to restructure the two public sector NBFCs. This move aims to achieve scale, improve efficiency, and enhance credit flow to India's power and infrastructure sectors. Both companies have delivered significant multibagger returns over the past three years.

Detailed analysis:

Exam-relevant as it reflects the government's strategy to consolidate financial institutions for infrastructure financing, impacting fiscal planning and capital market exposure.

LLP Boom! Over 10,000 New Partnerships Formed in January, Signaling Entrepreneurial Surge!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Monthly registrations for Limited Liability Partnerships (LLPs) surpassed 10,000 for the first time in January, a 60% year-on-year increase. Company incorporations also saw a significant jump of nearly 39%. These surges are attributed to a strong domestic growth outlook, boosted by recent trade deals with the US and EU, and favourable tax policies.

Detailed analysis:

Reflects rising entrepreneurial activity and the impact of regulatory and tax incentives—important for questions on MSME policy, business structures, and economic reforms.

Tragic Death of Sacred Sea Turtle Shocks Nagapattinam Coast!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

A dead Olive Ridley turtle was discovered on Kadambadi beach in Nagapattinam, raising concerns about marine wildlife mortality and prompting calls for stronger conservation measures.

Detailed analysis:

The incident underscores threats to marine turtles such as habitat loss, fishing-gear entanglement and pollution. For UPSC and other exams, note the relevance of the Wildlife Protection Act (1972), India's obligations under CITES, and the need for integrated coastal zone management and community-based conservation.
