

Sarma Blasts Gandhi Siblings, Claims Family Feud Threatens Nation!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Assam Chief Minister Himanta Biswa Sarma has alleged cracks between the Gandhi siblings, ripping into the top Gandhi family members during his Davos debut.

Detailed analysis:

Sarma's statement, made at a high-profile international forum, intensifies political fault-lines ahead of upcoming elections. By portraying the Gandhi family as divided, the BJP-aligned leader aims to weaken the opposition's cohesion and sway voter perception at a national level.

Source: <https://www.ndtv.com/india-news/himanta-biswa-sarma-at-davos-alleges-cracks-in-gandhi-family-says-im-victim-of-rahul-gandhi-priyanka-gandhi-rift-10831194#publisher=newsstand>

Tragedy in the Himalayas: Army convoy plunges into gorge, 20 lives lost!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Ten army personnel were killed and ten others injured when their vehicle skidded off the road and fell into a gorge in Jammu and Kashmir's Doda on Thursday, officials said.

Detailed analysis:

The loss underscores the operational hazards faced by forces in rugged northern terrains. It may prompt a review of transport protocols and highlights the human cost of maintaining security in a sensitive border state, affecting defence readiness narratives.

Source: <https://www.ndtv.com/india-news/4-army-personnel-killed-9-injured-as-vehicle-falls-into-gorge-in-jammu-and-kashmirs-doda-10828692#publisher=newsstand>

YSR Congress chief erupts, brands Chandrababu Naidu's regime a corruption nightmare!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

YSR Congress Party chief YS Jagan Mohan Reddy launched a strong attack on the Chief Minister Chandrababu Naidu-led government, accusing it of "mega corruption" and poor governance.

Detailed analysis:

The sharp criticism intensifies the rivalry between YSRCP and TDP ahead of the next state elections, with potential spill-over effects on national coalition dynamics. It also signals possible voter fatigue with incumbent governance, a factor exam aspirants should note for political trend analysis.

Modi and Lula forge new Indo-Brazilian alliance, promise strategic boost!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

'Close cooperation is vital': PM Modi speaks to Brazil's Lula da Silva, reviews strong momentum in ties.

Detailed analysis:

The dialogue reflects India's outreach to Latin America, aiming to diversify trade, technology, and defence partnerships. Strengthening ties with Brazil enhances India's strategic footprint in the Global South, an aspect often featured in UPSC geopolitics questions.

Source: <https://www.indiatvnews.com/news/india/pm-modi-speaks-to-brazil-s-lula-da-silva-reviews-strong-momentum-in-ties-close-cooperation-is-vital-2026-01-22-1027087>

Kerala shake-up: New party throws weight behind BJP, eyes electoral upset!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

In a significant boost to the BJP ahead of Kerala's Assembly elections, the Twenty20 party has formally joined the NDA alliance. Twenty20 party chief Sabu M Jacob on Thursday met with BJP Kerala chief Rajeev Chandrasekhar to announce his party's support for the NDA.

Detailed analysis:

The inclusion of Twenty20 expands the BJP's coalition footprint in a state traditionally dominated by the Left and Congress. It signals the party's strategy of consolidating smaller regional outfits to improve its electoral calculus, a trend relevant for understanding coalition politics.

Source: <https://www.indiatvnews.com/news/india/kerala-election-bjp-strengthens-poll-push-as-twenty20-party-joins-nda-ahead-of-pm-modi-s-visit-2026-01-22-1027080>

Delhi breathes easy: Green alert lifted as skies clear!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

GRAP 3 restrictions were revoked in Delhi-NCR on Thursday following improvement in air quality.

Detailed analysis:

The rollback of stringent emission controls indicates a temporary respite in Delhi's chronic air-pollution crisis. It also provides a case study on the impact of short-term regulatory measures, valuable for environmental policy sections of competitive exams.

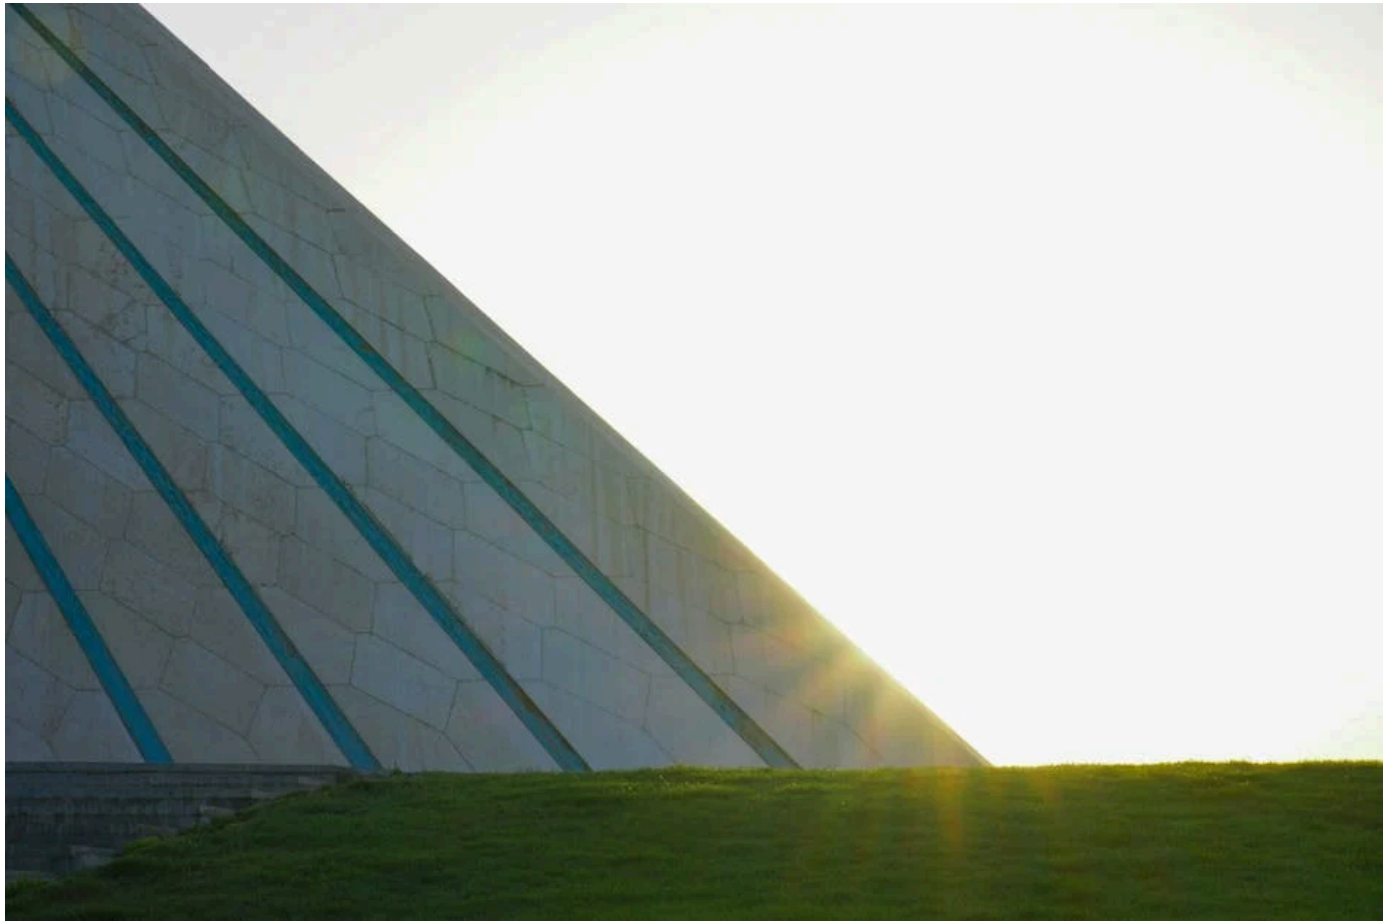

Source: <https://www.ndtv.com/india-news/pollution-curbs-under-grap-3-lifted-in-delhi-after-air-quality-improves-10834936#publisher=newsstand>

Tensions Spike as Tehran's Guns Ready While Trump Courts Dialogue!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The prospect of immediate American action against Tehran appears to have receded over the last week, with both sides insisting on giving diplomacy a chance even as U.S. media report President Trump is still studying options.

Detailed analysis:

Indicative of heightened US-Iran friction; exam takers should note the diplomatic overture amid military rhetoric, reflecting the fragile balance of power in the Middle East and the impact on global oil markets.

Source: <https://www.thehindu.com/news/international/iran-warns-finger-on-trigger-as-trump-says-it-wants-talks/article70538757.ece>

IRGC Commander Threatens Immediate Fire if Washington Missteps!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Islamic Revolutionary Guards Commander General Mohammad Pakpour warned the United States that Iran's forces have a 'finger on trigger' and cautioned against strategic miscalculations.

Detailed analysis:

Shows the IRGC's aggressive stance, reinforcing the risk of escalation. Important for understanding Iran's internal power structures and its influence on regional security calculations.

Source: <https://www.thehindu.com/news/international/iran-guards-chief-says-finger-on-trigger-warns-us-against-miscalculations/article70537656.ece>

Trump's 'Board of Peace' Unveiled: Global Power Play at Davos!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

A group of leaders and senior officials from 19 countries — including Mr. Trump's allies from Argentina and Hungary — gathered on stage with Mr. Trump to put their names to the founding charter of the body.

Detailed analysis:

The initiative signals a US-led attempt to reshape multilateral conflict resolution. Aspirants should assess its potential to alter existing diplomatic frameworks and its reception by traditional bodies like the UN.

Source: <https://www.thehindu.com/news/international/trump-signs-charter-of-board-of-peace-at-davos/article70537499.ece>

Japan Halts Giant Nuclear Reactor Relaunch Amid Safety Outcry!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Operations to relaunch a reactor at the Kashiwazaki-Kariwa plant, closed since the 2011 Fukushima disaster, began on January 21, 2026 after it received the final green light from the nuclear regulator despite divided public opinion.

Detailed analysis:

Highlights post-Fukushima nuclear policy and energy security concerns. Important for understanding Japan's energy mix, regulatory challenges, and public sentiment towards nuclear power.

Source: <https://www.thehindu.com/news/international/japan-pauses-restart-of-worlds-biggest-nuclear-plant/article70537074.ece>

India Cuts Russian Oil Ties After Trump's 25% Tariff Shock!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

“India started buying Russian oil after the (Ukraine) conflict began, but President Trump put a 25% tariff on them, and India has geared down and has stopped buying Russian oil,” says Mr. Bessent.

Detailed analysis:

Reflects shifting geopolitics in energy trade. Candidates should note the influence of US sanctions on Indian energy policy and its broader implications for the Russia-India strategic partnership.

Source: <https://www.thehindu.com/news/international/india-stopped-buying-oil-from-russia-claims-us-treasury-secretary/article70536380.ece>

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Ukrainian President Zelenskyy said the meetings would take place on Friday (January 23) and Saturday (January 24).

Detailed analysis:

Marks a diplomatic breakthrough, potentially reshaping the Ukraine conflict dynamics. Important for exam preparation on conflict resolution mechanisms and the role of multilateral forums.

Source: <https://www.thehindu.com/business/Economy/world-economic-forum-2026-davos-live-updates-january-22/article70536385.ece>

Delhi High Court Gives IndiGo a 5-Point 'Kick-In-The-Butt' to the Top Brass!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

IndiGo flight chaos: DGCA tells IndiGo to dismiss senior VP, while issuing a warning to the airline COO, among six other senior executives, after this inquiry into the matter. Here are five things government told Delhi High Court.

Detailed analysis:

The regulatory crackdown highlights the importance of strict compliance with aviation safety norms. Aspirants should note how the DGCA's actions can affect airline stock valuations and investor confidence.

Source: <https://www.livemint.com/news/india/indigo-flights-chaos-airline-told-to-dismiss-senior-vp-issue-warning-to-coo-5-things-govt-told-delhi-high-court-11769089749260.html>

India Rolls Out a \$350-Billion 'Gold Mine' for Green Energy Tycoons!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Joshi held bilateral meetings on the sidelines of WEF at Davos and urged global companies to explore investments in the renewable energy sector, including for green hydrogen-linked infrastructure, renewable energy plus battery storage and grid modernization.

Detailed analysis:

The massive green-energy push signals a long-term policy drive. Candidates should understand its impact on capital markets, especially on renewable-energy stocks and foreign direct investment trends.

Source: <https://www.livemint.com/news/india/india-green-energy-investment-renewable-energy-pralhad-joshi-11769088482525.html>

India's Carbon 'Club': 208 Heavy-Polluters Forced to Pay Up!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

India has notified greenhouse gas emission intensity targets for 208 carbon-intensive industries, including petroleum refineries and textiles, expanding the Indian Carbon Market to 490 obligated entities and supporting emissions reduction through a carbon credit trading mechanism.

Detailed analysis:

Understanding the new GEI targets is crucial for exam takers as they affect corporate cost structures, pricing of carbon credits, and future profitability of heavy-industry players.

Source: <https://www.livemint.com/news/india/government-notifies-gei-targets-for-208-more-carbon-intensive-industries-under-indian-carbon-market-11769082341592.html>

Trump Threatens 'Tariff Terror' Unless Supreme Court Bends!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The comments come as the Supreme Court weighs legal challenges to Trump-era tariffs imposed under emergency powers, with critics arguing the measures exceed presidential authority and bypass Congress.

Detailed analysis:

Tariff policy shifts can cause rapid market volatility. Aspirants should track how judicial outcomes influence import-export dynamics and sectoral stock performance.

Source: <https://www.livemint.com/news/us-news/trumps-big-remark-on-tariffs-if-we-dont-get-supreme-courts-decision-we-want-we-will-do-something-else-11769088219571.html>

German Chancellor Calls EU to 'Band Together' as Trump Flirts with Greenland!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Following Trump's threats, the EU suspended its trade agreement with the US. German Chancellor Merz called for EU unity and competitiveness to counteract 'great-power politics'.

Detailed analysis:

Geopolitical tension directly impacts trade negotiations and market sentiment in Europe. Candidates should link such diplomatic moves to possible shifts in EU-US trade flows.

Source: <https://www.livemint.com/news/world/germanys-merz-welcomes-trump-s-vow-not-to-use-force-over-greenland-urges-european-unity-to-counter-power-politics-11769090922454.html>

Trump Says 'War Must End' at Davos, Sparks Global Market Shockwaves!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Trump at Davos 2026 LIVE: Ukrainian President Zelensky traveled to Davos for a meeting with US President Donald Trump as he works to advance a possible deal to end Russia's war. Trump said 'war has to end' after meeting Zelensky.

Detailed analysis:

High-level diplomatic talks at Davos can sway investor confidence worldwide. Understanding the potential economic implications of a cease-fire is vital for exam preparation.

Source: <https://www.livemint.com/news/world/trump-davos-visit-2026-live-updates-donald-trump-zelensky-ukraine-russia-war-board-of-peace-elon-musk-11769086081317.html>

Bayern Munich Shatters Bundesliga Record, Leaves Rivals in the Dust!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

With 50 points and a goal difference of plus-57, Bayern Munich has made the best ever start to the Bundesliga at this stage of the season.

Detailed analysis:

This unprecedented start highlights Bayern's dominance in European club football, a benchmark for consistency and goal-scoring efficiency—useful for questions on sports statistics and record-keeping.

Source: <https://www.hindustantimes.com/sports/football/bayern-munich-smash-bundesliga-records-rivals-struggling-to-keep-up-101769096740062.html>

Legendary Sachin Praises Saina's Heroic Badminton Legacy as Knee Injury Ends Career!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Recently, Saina Nehwal revealed that her retirement decision was forced due to a severe degeneration of her knee, which made training impossible.

Detailed analysis:

Saina's exit underscores the physical demands of elite badminton and the importance of injury management—key topics for sports-medicine and sports-policy questions in exams.

Foreign Money Fleeing at Breakneck Speed, FMCG Hit Hardest!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Foreign investors withdrew ₹22,420 crore from Indian markets in early January 2026. The FMCG sector suffered the biggest outflow, losing ₹6,128 crore, followed by financial services and IT. Metals and mining saw net buying.

Detailed analysis:

Persistent FII outflows indicate weak confidence in Indian equities, especially high-valuation FMCG stocks. Exam candidates should note the impact of global risk sentiment on capital markets and how sector-specific sell-offs can trigger broader market corrections.

Source: <https://economictimes.indiatimes.com/markets/stocks/news/foreign-investors-not-done-with-selling-fmcg-tops-list-in-2026/articleshow/127071784.cms>

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

SBI Chairman Challa Sreenivasulu Setty expects private investment to surge once US-India tariff issues are resolved, emphasizing organic growth, AI-driven efficiency, and consolidation in public-sector banking.

Detailed analysis:

For aspirants, the link between geopolitical trade disputes and domestic credit flow is key. The statement underscores how policy resolution can unlock private sector financing, a topic often asked in economics papers.

Source: <https://economictimes.indiatimes.com/markets/expert-view/etdavos-private-investment-to-rebound-once-tariff-disruption-settles-says-cs-setty-chairman-sbi/articleshow/127072667.cms>

FMCG Boom: Companies Set to Rocket 10-20% as Sales Volumes Surge!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

FMCG companies anticipate mid-single to low-double-digit revenue growth in Q3, driven by volume recovery, GST normalization, stable pricing, and strong rural demand. ITC, HUL, and Nestle India are highlighted.

Detailed analysis:

Sectoral growth trends are frequently examined in GS papers. The recovery signals resilience in consumer demand despite earlier disruptions, illustrating the importance of supply-chain stability and fiscal policy (GST).

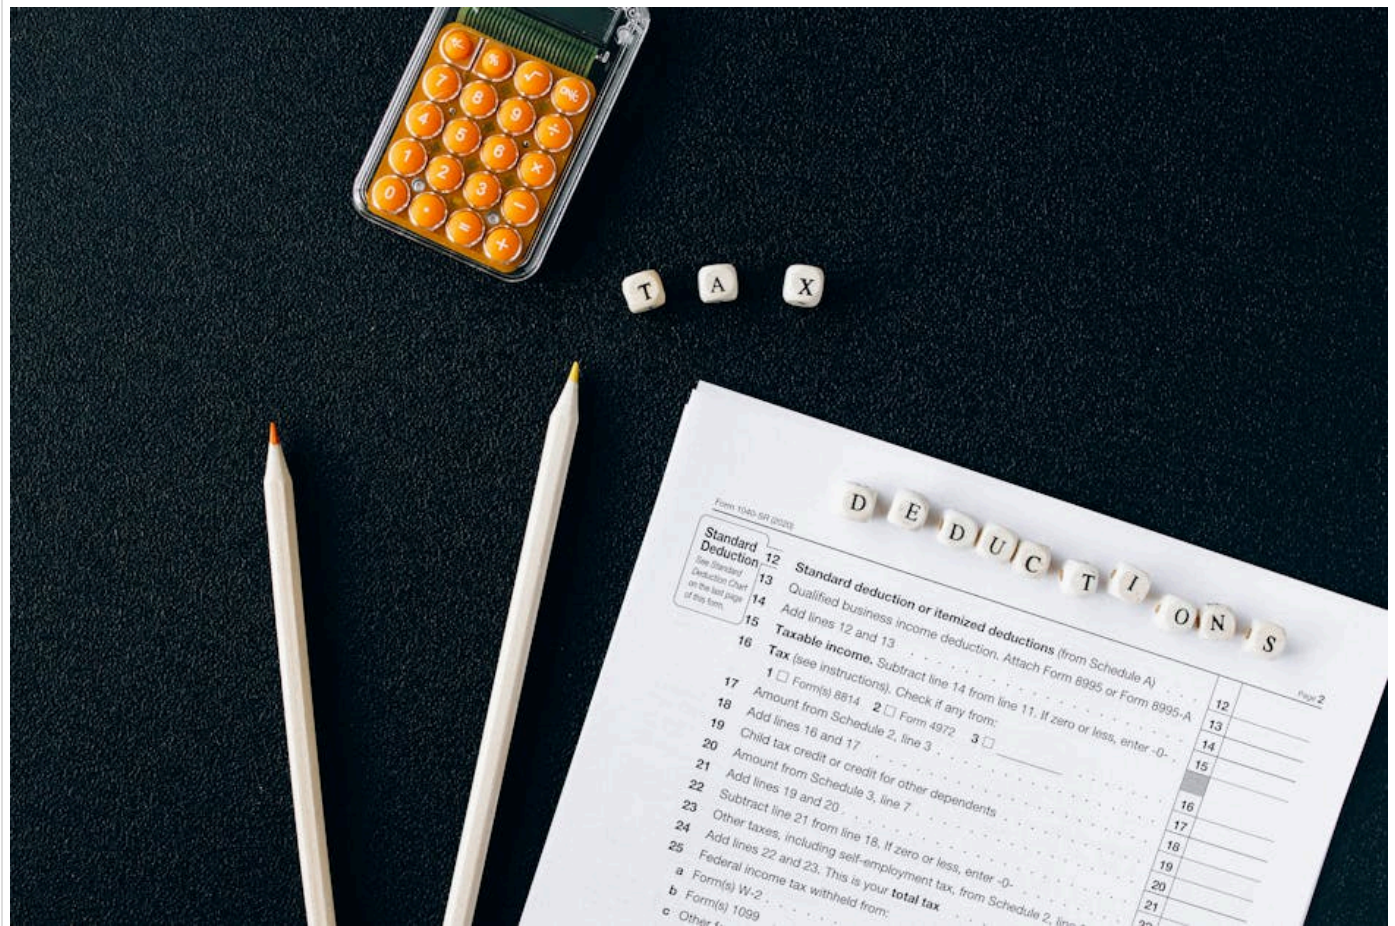

Source: <https://economictimes.indiatimes.com/markets/stocks/earnings/fmcg-firms-seen-posting-mid-to-double-digit-q3-growth-as-volumes-recover/articleshow/127073249.cms>

Budget Blow: New Tax Rules Slash Mutual Fund Gains for Millions!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The 2026 budget sets the long-term capital gains exemption at ₹1.25 lakh and excludes it from the Section 87A rebate, reducing tax relief for salaried investors in mutual funds.

Detailed analysis:

Tax policy changes directly affect household savings behavior. Candidates should grasp how LTCG limits and rebate eligibility influence investment decisions and fiscal equity considerations.
