Reliance Under Fire! CBI Storms 17 Mumbai Sites in Massive Corporate Probe!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The Central Bureau of Investigation (CBI) on Saturday said it has conducted searches at 17 premises in Mumbai in connection with three cases registered against Anil Ambani-led Reliance ADA Group companies.

Detailed analysis:

The raids signal intensified scrutiny of conglomerates over alleged financial irregularities. Candidates should understand the CBI's jurisdiction, the corporate governance issues, and potential implications for the economy and investment climate.

Source: <https://www.ndtv.com/india-news/17-mumbai-locations-linked-to-anil-ambani-led-reliance-group-raided-by-cbi-11471224#publisher=newsstand>

Apocalypse Alert! North Korea Preps Nuclear Retaliation Plan for Leader's Death!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The move comes months after top Iranian leaders, including Supreme Leader Ali Khamenei and several senior advisers, were assassinated by US and Israeli military operations.

Detailed analysis:

The policy reflects Pyongyang's escalation of deterrence doctrine and raises global nuclear stability concerns. For UPSC, study the implications for UN sanctions, regional security in East Asia, and crisis management protocols.

Source: <https://www.ndtv.com/world-news/north-korea-adopts-policy-for-nuclear-strike-if-leader-kim-jon-un-is-killed-report-11470217#publisher=newsstand>

Putin Blasts NATO as 'Aggressive Invaders' on Russia's Grand Victory Day Parade!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The parade was vastly scaled back compared to previous years, with no military hardware on display for the first time in nearly two decades and only a handful of foreign dignitaries in attendance.

Detailed analysis:

Highlights Russia's narrative of external threat ahead of the annual Victory Day, useful for understanding Russia-NATO tensions, strategic communication and the domestic framing of defence policy – key topics for UPSC and other civil-service exams.

Source: <https://www.thehindu.com/news/international/army-is-fighting-aggressive-nato-backed-force-in-victory-day-speech-russian-president-putin/article70958597.ece>

Live Fire! Iran Holds Up the U.S. Peace Offer While Israel Braces for More Bloodshed!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The report said expectations had grown that Tehran would issue a response after U.S. Secretary of State Marco Rubio indicated that Washington was expecting an answer from Iran.

Detailed analysis:

The article captures the volatile Iran-Israel confrontation and the role of U.S. diplomatic initiatives, a vital case study for geopolitics, international security and crisis management sections of the syllabus.

Source: <https://www.thehindu.com/news/international/iran-israel-war-us-ceasefire-talks-strait-of-hormuz-issue-live-updates-may-9-2026/article70958008.ece>

U.S. Strikes Iran's Oil Tankers – Tehran Vows Retaliation, Peace Deal in Peril!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Iranian officials accused the United States of violating the ceasefire with the tanker strikes and hampering diplomatic efforts to end the conflict.

Detailed analysis:

Illustrates the fragility of ceasefire agreements in the Gulf, the strategic importance of maritime security, and the impact of military actions on diplomatic negotiations – all relevant for security studies and international relations.

Source: <https://www.thehindu.com/news/international/us-fire-on-iran-tankers-sparks-reprisals-as-deal-hangs-in-balance/article70957189.ece>

Pakistan's Elite Forces Annihilate 5 Terrorists in One Night – A Massive Blow to TTP!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Four terrorists belonging to the banned Tehreek-e-Taliban Pakistan (TTP) were killed in the military engagement in the Tank district, the statement said.

Detailed analysis:

Demonstrates ongoing counter-insurgency operations in Pakistan, the threat of TTP, and regional security dynamics – pertinent for topics on internal security and terrorism in the Indian polity syllabus.

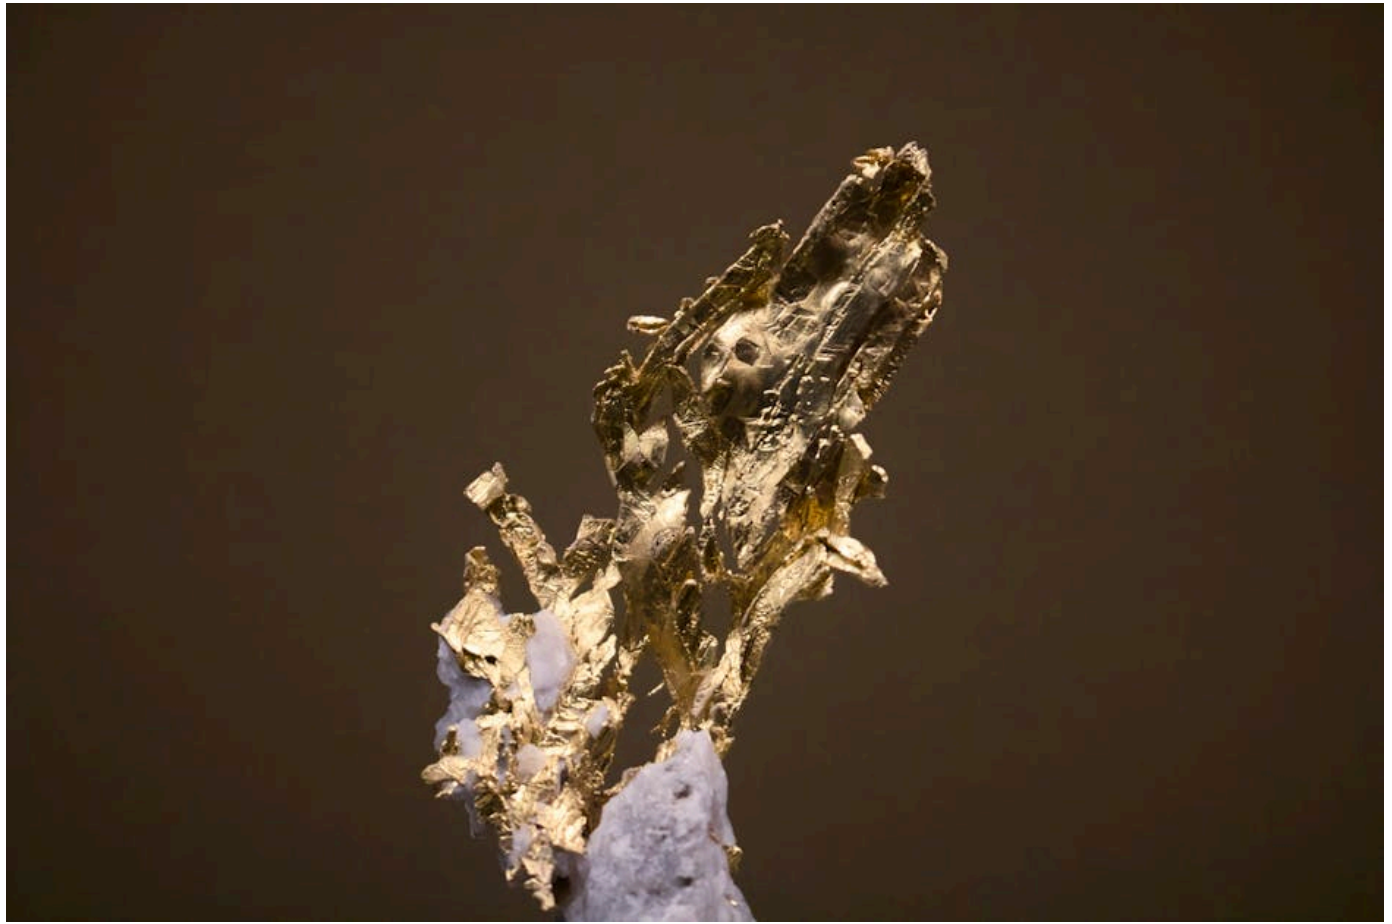

Source: <https://www.thehindu.com/news/international/pakistan-security-forces-kill-5-terrorists-in-khyber-pakhtunkhwa/article70958680.ece>

Brazil's Lula Turns the U.S. Into a 'Rare-Earth' Battleground – Tariff Wars Ignite!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The buzz intensified when Flávio Bolsonaro, the presumptive far-right candidate, flew to Miami a day before Mr. Lula's meeting with Donald Trump on May 8, 2026.

Detailed analysis:

Shows Brazil's strategic push in the global supply chain of critical minerals and the geopolitical tug-of-war between the U.S. and China, a key area for economics and international relations sections of competitive exams.

Source: <https://www.thehindu.com/news/international/tariffs-and-rare-earths-lula-da-silva-positions-brazil-as-a-global-player-in-us-visit/article70958713.ece>

Shock Wave! Australia's Far-Right Breaks Through – First Lower-House Seat Won!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The result is in line with a surge of electoral support for far-right populist parties globally. Britain's ruling Labour party this week suffered a widespread loss of seats at council elections.

Detailed analysis:

Reflects the rise of right-wing populism in democracies, a trend examined in comparative politics and electoral studies, helping aspirants grasp global political shifts and their domestic implications.

Source: <https://www.thehindu.com/news/international/australias-far-right-party-wins-first-lower-house-seat/article70958765.ece>

From Six-Figure US Paycheck to Indian Startup Dream – He Walks Away!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Aman Goel, an IIT Bombay graduate, left a lucrative U.S. internship paying ₹6.9 lakh per month to start his own venture in India, citing a desire to build products for the Indian market.

Detailed analysis:

Highlights the growing trend of Indian talent choosing entrepreneurship over high-pay foreign jobs, signalling confidence in India's startup ecosystem—a key topic for business exams on entrepreneurship and economic policy.

Source: <https://www.livemint.com/news/trends/iit-bombay-alumnus-quits-6-9-lakh-a-month-dream-us-internship-to-build-startup-in-india-11778332847219.html>

Boss Turns Office Into Spy Zone – 10-Minute Screenshot Surveillance!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

A woman in India publicly criticised her employer's over-bearing work-from-home policies, claiming managers demanded screenshots of employee screens every ten minutes.

Detailed analysis:

Illustrates the challenges of remote-work governance and employee rights, relevant for questions on labour laws, workplace ethics, and productivity management in the corporate sector.

Source: <https://www.livemint.com/news/trends/indian-woman-calls-out-extreme-wfh-micromanagement-they-will-take-your-screenshots-of-working-every-10-mins-11778319462415.html>

ChatGPT's Secret Weapon: Turn Social-Media Addiction Into Skill-Building Superpower!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

A Delhi college student struggling with doom-scrolling consulted ChatGPT, which recommended a 'growth menu' of low-resistance skills, a night routine, and incremental improvement instead of quitting social media outright.

Detailed analysis:

Demonstrates AI-driven personal development strategies, an emerging topic for exams covering technology's impact on human capital, productivity, and education policy.

Source: <https://www.livemint.com/news/trends/i-asked-chatgpt-how-to-stop-doomscrolling-social-media-and-build-real-skills-ai-suggests-systemic-plan-for-students-11778338175213.html>

Cucumbers in Neon Green 'Make-over' – Scam or Safety Hazard on Indian Rails?

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

A viral video shows vendors at a Bihar railway station applying a bright green coating to peeled cucumbers before selling them, prompting accusations of consumer fraud and health concerns.

Detailed analysis:

Raises issues of food safety regulations, consumer protection, and the role of social media in exposing market malpractices—key for business and commerce sections of competitive exams.

Source: <https://www.livemint.com/news/trends/greencoated-cucumbers-sold-at-bihar-railway-station-viral-video-sparks-outrage-11778322983649.html>

Half the New Legislators Are 'Wanted' – Tamil Nadu's Political Shockwave!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The Association for Democratic Reforms (ADR) reports that 126 out of 233 winning candidates (54 %) in Tamil Nadu's 2026 elections have declared criminal cases against them.

Detailed analysis:

Political stability and governance quality directly affect business climate; this data is vital for understanding investment risk and policy-making considerations in regional economies.

Source: <https://www.livemint.com/news/india/tamil-nadu-election-more-than-half-of-new-mlas-face-criminal-charges-says-adr-report-11778336623665.html>

US Government Moves to Strip Citizenship – 12 Naturalised Indians in the Cross-hairs!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The US Department of Justice is pursuing denaturalisation for 12 naturalised citizens, including an India-born man, accused of obtaining citizenship through fraud or misrepresentation.

Detailed analysis:

Implications for Indo-US diplomatic and economic ties, potential impact on bilateral trade, immigration policy, and the perception of legal risk for Indian professionals abroad—relevant for business-policy questions.

Source: <https://www.livemint.com/news/us-news/india-born-man-among-12-americans-at-risk-of-denaturalization-as-trump-admin-seeks-to-revoke-their-citizenship-11778334401233.html>

Badminton Revolution! New 15-Point Scoring Will Force Players to Train Like Marathon Runners!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The badminton scoring system will shift to a first-to-15 format in 2027, demanding aggressive play and altering training methods for players.

Detailed analysis:

The change in scoring is a structural shift that will affect coaching, fitness regimes and tournament formats. Exam candidates should note the year (2027) and the move from 21 to 15 points, as it illustrates how sport governing bodies adapt rules for viewership and athlete welfare.

Source: <https://www.hindustantimes.com/sports/badminton/players-will-even-train-for-a-higher-heart-beat-after-scoring-switch-coaches-101778341693927.html>

Wrestling Star Vinesh Phogat Suspended! Federation Slaps Show-Cause Notice Amid Scandal!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

WFI declares Vinesh Phogat ineligible to compete till June 26. A show-cause notice has also been issued.

Detailed analysis:

Vinesh Phogat is a flagship Indian wrestler; her suspension highlights disciplinary mechanisms in Indian sports bodies. Important for exams covering sports administration, anti-doping, and athlete rights.

Source: <https://www.hindustantimes.com/sports/others/wfi-issues-show-cause-notice-to-vinesh-phogat-accuses-her-of-multiple-breaches-grappler-barred-from-competing-101778316415064.html>

Real Madrid Drops a €1 Million Bomb! Star Midfielders Hit with Massive Fines After Locker-Room Fight!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Real Madrid fines Federico Valverde and Aurélien Tchouaméni half a million euros each.

Detailed analysis:

The incident underscores club discipline and financial penalties for misconduct at elite European clubs. Relevant for questions on governance, player contracts and disciplinary codes in global sport.

Source: <https://www.hindustantimes.com/sports/football/real-madrid-fines-federico-valverde-and-aur-lien-tchouam-ni-half-a-million-euros-each-for-heated-altercation-101778297673282.html>

Detailed analysis:

Multiple ceremonies reflect FIFA's strategy to maximize global viewership and commercial revenue. Useful for topics on sport event management, marketing, and international governance.

Source: <https://www.hindustantimes.com/sports/football/fifa-to-hold-three-opening-ceremonies-for-world-cup-check-full-details-101778291076510.html>

Messi vs Ronaldo: The Secret Rivalry Finally Exposed – No Hard Feelings, Just Pure Competition!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Messi describes his rivalry with Ronaldo as a beautiful sporting rivalry, born from their competition at Barcelona and Real Madrid.

Detailed analysis:

The Messi-Ronaldo narrative is a case study in media framing of sports rivalries, brand building, and fan culture—key concepts in sports sociology and marketing sections of exams.

Source: <https://www.hindustantimes.com/sports/football/lionel-messi-finally-breaks-silence-on-long-standing-sporting-rivalry-with-cristiano-ronaldo-nothing-personal-101778290745165.html>

From Hero to Homeless! AIFF Academy Graduate Sumit Rathi's Fight for a Club Reveals India's Football Crisis!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Sumit Rathi is a player shaped by one of AIFF's most ambitious youth projects in the past, but now finds himself searching for a new club.

Detailed analysis:

Rathi's plight highlights structural challenges in Indian football—youth development, club sustainability, and player welfare—critical for sports policy and management questions in exams.

Source: <https://www.hindustantimes.com/sports/football/from-mohun-bagan-to-life-without-a-club-aiff-elite-academy-graduate-sumit-rathi-on-football-s-brutal-uncertainty-101778217803886.html>

Bengaluru's Kitchen Wizards Turn Food Scraps into Gold!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Eat Raja's zero-waste juice shop partners with Beautiful Bharat volunteers to teach residents how to reuse kitchen scraps for cooking, reducing waste and promoting sustainable habits.

Detailed analysis:

Highlights practical sustainability, a topic often asked in UPSC Environment sections. Demonstrates community-driven waste management, aligning with NPM goals and the Swachh Bharat Mission.

Source: <https://www.thehindu.com/news/cities/bangalore/think-before-you-throw-this-event-in-bengaluru-will-teach-you-how-to-use-scraps-in-your-kitchen-for-zero-waste-cooking/article70955407.ece>

Breakthrough Pill May Crush Pancreatic Cancer Nightmare!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Recent data indicate daraxonrasib could be significantly more effective than existing therapies for pancreatic cancer, offering new hope to patients.

Detailed analysis:

Important for medical science and biotechnology questions. Shows progress in targeted therapy, relevant to NEET PG, AIIMS, and bio-tech industry trends.

Source: <https://www.thehindu.com/sci-tech/science/hope-for-pancreatic-cancer-as-new-drug-daraxonrasib-shows-promise/article70942103.ece>

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The article critiques how Attenborough's celebrated documentaries prioritize aesthetic beauty over political context, inadvertently perpetuating colonial narratives and overlooking conservation-related violence.

Detailed analysis:

Relevant for environmental ethics and history sections of UPSC. Encourages critical appraisal of media influence on conservation policies.

Source: <https://www.thehindu.com/sci-tech/energy-and-environment/david-attenborough-100-years-documentaries-history-colonial-violence/article70949867.ece>

Space Race 2.0: Elon Musk & Jeff Bezos Battle to Land on the Moon by 2028!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The piece examines the progress and challenges faced by SpaceX and Blue Origin in developing lunar landers for NASA's Artemis program slated for 2028.

Detailed analysis:

Key for science & technology questions on India's space ambitions, international collaborations, and private sector involvement in aerospace.

Source: <https://indianexpress.com/article/technology/science/can-spacex-and-blue-origin-get-their-moon-landers-ready-for-nasas-2028-artemis-mission-10680528/>

Stop Treating Thalassemia – Prevent It Before Babies Are Born!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Only 5% to 10% of children born with Thalassemia Major in India currently receive optimal treatment, highlighting how urgent it is to strengthen both care pathways and, wherever possible, prevention strategies

Detailed analysis:

Thalassemia is a major genetic disorder in India with a high carrier rate. Exams often ask about disease burden, carrier screening, prenatal diagnosis and preventive public-health measures. This article underscores the shift from curative care to primary prevention—key for PGME, AIIMS and UPSC health-policy questions.

Source: <https://www.thehindu.com/sci-tech/health/why-we-need-to-shift-the-narrative-of-thalassemia-from-management-to-prevention/article70954166.ece>

Mole Mayhem! Spot the Skin Warning Signs Before It's Too Late!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

A mole that shows even slight changes over time or looks different from your other moles should not be ignored, doctors say

Detailed analysis:

Early detection of melanoma is a high-yield topic for NEET-PG and AIIMS. The article lists the ABCD criteria and emphasizes monitoring changes—useful for clinical case studies and public-health skin-cancer awareness questions.

Source: <https://www.thehindu.com/sci-tech/health/when-should-you-worry-about-a-mole/article70938347.ece>

Measles Mayhem in Bangladesh: Children Dying Fast!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Measles hits children the hardest. Their breathing can become strained, their strength fades, and in the most severe cases, the infection reaches the brain, causing swelling that can lead to lasting damage

Detailed analysis:

The outbreak illustrates vaccine-preventable disease resurgence, a frequent UPSC and state-civil-service question. It highlights herd immunity thresholds, case-fatality rates, and the need for rapid immunisation campaigns—core public-health concepts.

Source: <https://www.thehindu.com/sci-tech/health/child-deaths-mount-from-bangladesh-measles-outbreak/article70959036.ece>

Breakthrough Pill Could Beat Deadly Pancreatic Cancer!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Data presented in April suggest daraxonrasib may be far more effective than previous treatments for pancreatic cancer

Detailed analysis:

Pancreatic cancer has dismal survival; new targeted therapies are a hot topic in oncology exams. Daraxonrasib's mechanism (KRAS G12C inhibition) aligns with questions on molecularly targeted drugs, clinical-trial phases, and FDA/DCGI approval pathways.

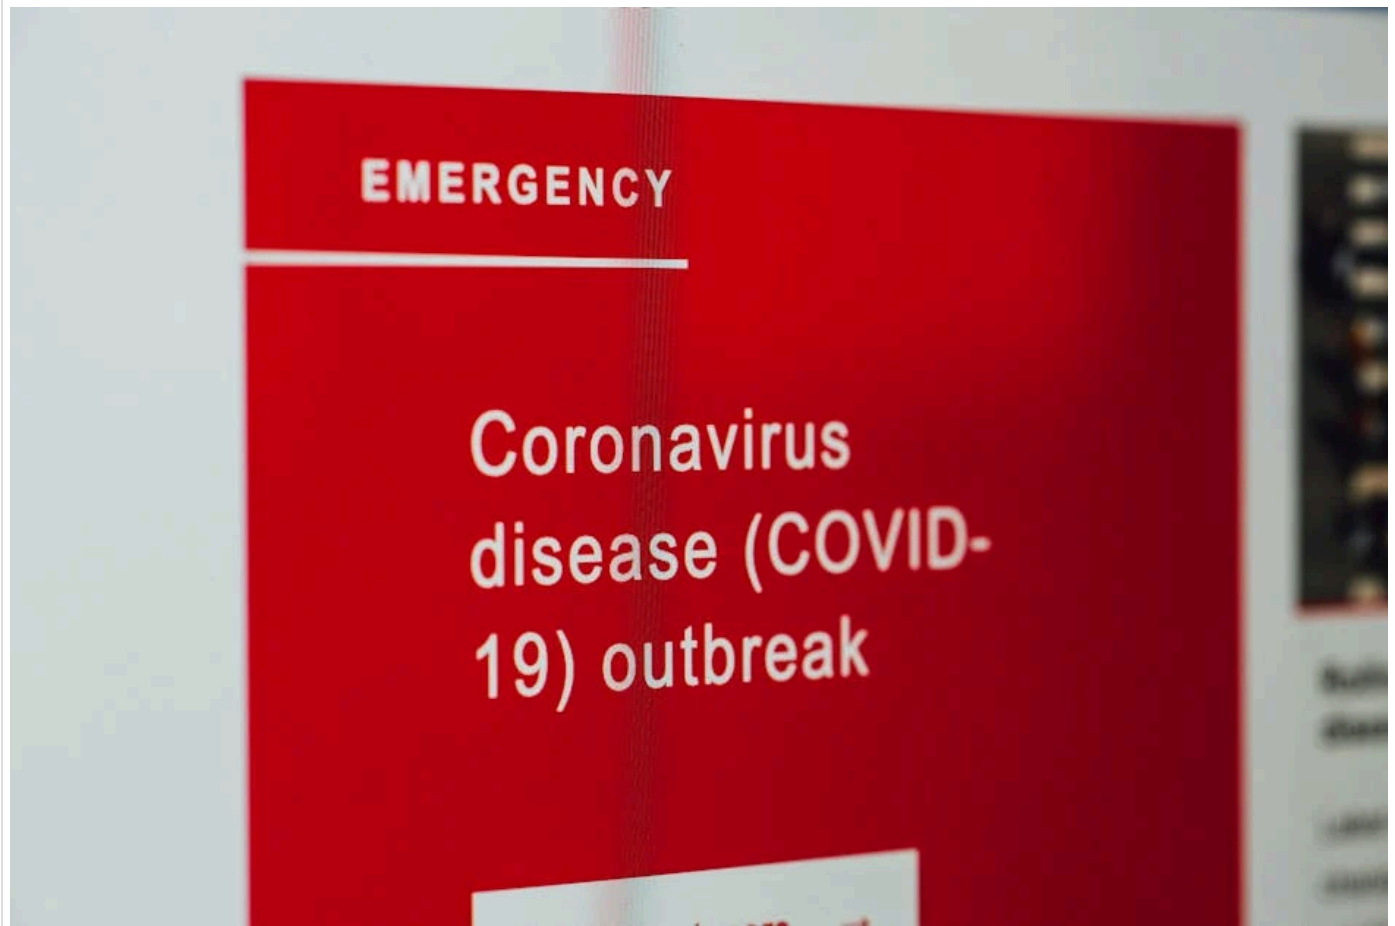

Source: <https://www.thehindu.com/sci-tech/science/hope-for-pancreatic-cancer-as-new-drug-daraxonrasib-shows-promise/article70942103.ece>

Hantavirus Alert: WHO Says More Cases Could Explode!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Given the incubation period of the Andes virus, which can be up to six weeks, it's possible that more cases may be reported, WHO chief Tedros Adhanom Ghebreyesus said, referring to the rare strain detected aboard the Hondius, which can be transmitted between humans

Detailed analysis:

Andes hantavirus is one of the few zoonoses with proven human-to-human spread, making it a priority for epidemiology and travel-medicine sections of exams. The piece stresses surveillance, incubation periods, and WHO response—key for public-health policy questions.

Source: <https://www.thehindu.com/sci-tech/health/who-warns-of-more-hantavirus-cases-in-limited-outbreak/article70955502.ece>

Kota Tragedy: Activists Demand Justice After Women Die!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

While two women died in the incident, several others have developed serious health complications, including kidney failure

Detailed analysis:

The incident raises issues of medical negligence, toxic exposure, and regulatory oversight—common themes in health-policy papers for UPSC and state exams. It also touches on patient-rights activism, useful for ethics and law sections.

Source: <https://www.thehindu.com/news/national/rajasthan/health-activists-demand-stringent-action-on-death-of-two-women-in-kota/article70955867.ece>

BULLS ROAR: India's Economy Will Soar Despite Market Turmoil!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Top investors Ramesh Damani and Sunil Singhania say short-term foreign outflows and geopolitical jitters are just noise. India's fundamentals – demographics, reforms, infrastructure, defence and energy – remain strong, urging retail investors to stay the course.

Detailed analysis:

For UPSC/SSC economics, note that the commentary stresses structural growth drivers over cyclical volatility. Emphasise the policy-friendly environment and sectoral opportunities when answering questions on India's macro outlook.

Source: <https://economictimes.indiatimes.com/markets/stocks/news/ignore-market-noise-indias-long-term-story-intact-say-d-street-bulls-ramesh-damani-and-sunil-singhania/articleshow/130976742.cms>

FIIs DUMP BILLIONS: Indian Shares Face MASSIVE SELL-OFF!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Foreign Institutional Investors have off-loaded more than Rs 2 lakh crore of Indian equities in 2026 – the third straight month of net selling. Domestic funds are buying, but the overall market is under pressure, raising concerns over capital inflows.

Detailed analysis:

Exam takers should link FII sentiment to balance-of-payments, rupee volatility and policy response. Highlight that persistent outflows can affect large-cap stocks and may prompt the RBI to adjust liquidity measures.

Source: <https://economictimes.indiatimes.com/markets/stocks/news/fiis-sell-over-rs-2-lakh-crore-worth-of-indian-equities-in-2026-what-lies-ahead/articleshow/130974794.cms>

NIFTY STAGNATES WHILE SECTORS SURGE: Insider Picks Reveal Hidden Gold!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The Nifty index showed indecision amid geopolitical tension, a weakening rupee and a sell-off in financials. However, Sudeep Shah points to upside in stocks like Voltas and Tejas, suggesting sector-specific opportunities.

Detailed analysis:

Useful for optional finance papers – illustrates how macro-political risk impacts indices, yet sectoral fundamentals can still generate returns. Emphasise the importance of stock-picking based on earnings and demand-supply gaps.

Source: <https://economictimes.indiatimes.com/markets/expert-view/fo-talk-nifty-bulls-indecisive-but-opportunities-in-broader-markets-sudeep-shahs-strategy-on-voltas-tejas-and-4-more-stocks/articleshow/130974841.cms>

Image 2 (Pexels):

Summary:

From May 4-8, 42 BSE-500 stocks rose every day. Fourteen of them posted gains in all five sessions, delivering cumulative returns of up to 25%, even as the Sensex edged up only 0.54% overall.

Detailed analysis:

Demonstrates market breadth – a key indicator for exam questions on market health. Highlight that sustained multi-day gains in a subset of stocks can signal sector-specific momentum despite modest index movement.

BIRLA CORPORATION SKYROCKETS: PROFITS SURGE 14% WITH DIVIDEND BOOST!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Birla Corp posted a 15% YoY rise in net profit to Rs 295 cr for Q4, with revenue up 0.8%. The firm declared a Rs 12.50 per share dividend and reduced its debt-to-equity ratio, while full-year profit jumped 89%.

Detailed analysis:

Illustrates how a strong balance sheet and dividend policy can attract domestic investors, especially when FILs are net sellers. Useful for questions on corporate finance, capital structure and dividend relevance.

Living Fossil Resurfaces! Gharial Makes Dramatic Comeback in Kaziranga!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

"Once believed to have disappeared from Assam's river systems, the critically endangered gharial has now been spotted at Kaziranga, a truly remarkable moment for wildlife conservation," says CMO

Detailed analysis:

A rare riverine reptile re-appears, highlighting the importance of river ecosystem restoration and the need for species-specific protection measures—relevant for environment policy studies.

Tourists Trigger Panic in Tigers! Study Links Visitor Traffic to Hormonal Chaos

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

A multi-reserve study by Hyderabad-based CCMB has found that tigers living near tourism roads and human activity experience higher stress levels, with core-zone tigers reacting more sharply than those in buffer areas. Researchers warn that unmanaged disturbance could affect breeding success and cub development, prompting calls for science-based tourism regulation

Detailed analysis:

Shows the conflict between ecotourism and wildlife health; vital for understanding sustainable tourism policies and the physiological metrics used in conservation biology.

Ladakh's Crops Under Siege: Hungry Invasive Moth Devours Trees Overnight!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The larvae of the *Phalera* cf. *bucephala*, commonly called the buff-tip moth, are voracious feeders, capable of stripping an entire tree bare in a few weeks

Detailed analysis:

Highlights invasive species risk to high-altitude agriculture, a case study for bio-security measures and climate-driven range shifts discussed in the environment syllabus.

Source: <https://www.thehindu.com/sci-tech/energy-and-environment/new-invasive-moth-threatens-ladakhs-farm-based-economy/article70954475.ece>

Crowd-Powered App Maps Kerala's Blackouts in Real-Time – Citizens Take on Power Crisis!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Frustrated by power cuts, Alkesh Das has built a platform now used by thousands to track power cuts across 14 districts in the State

Detailed analysis:

Demonstrates citizen science and ICT solutions for infrastructure monitoring, aligning with topics on smart grids and public participation in governance.

Source: <https://www.thehindu.com/society/this-website-tracks-power-cuts-across-kerala-using-crowd-data/article70941877.ece>

Legal Showdown! Supreme Court Takes on Controversial Great Nicobar Mega-Project

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

HC dismisses Centre's claim that petitioner has no locus standi, noting that she is espousing the cause of vulnerable tribals; says project of "national importance" and high cost must still follow the law

Detailed analysis:

A pivotal legal battle over large-scale infrastructure in a fragile ecosystem; essential for understanding environmental jurisprudence and tribal rights in India.

Source: <https://www.thehindu.com/sci-tech/energy-and-environment/calcutta-hc-to-hear-pleas-against-great-nicobar-project-in-june-overrules-centres-objections/article70955556.ece>
