

Shocking Twist: Pilot Who Wasn't Supposed to Fly Ajit Pawar's Jet Was Onboard!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Captain Sumit Kapoor is among the five victims of the plane crash that killed Ajit Pawar yesterday in Baramati. Friends say he wasn't even scheduled to fly the aircraft.

Detailed analysis:

The crash of Ajit Pawar's private jet has triggered a political vacuum in Maharashtra and raised questions about aviation safety protocols for high-profile leaders. Aspirants should note the impact on NCP dynamics and the likely central investigation procedures.

Source: <https://www.ndtv.com/india-news/ajit-pawar-dies-in-plane-crash-captain-sumit-kapoor-wasnt-supposed-to-fly-ajit-pawar-plane-that-day-friends-10908930#publisher=newsstand>

Power Play! NCP Elite Huddle With Widow to Decide Maharashtra's Next Kingpin

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Hours after the funeral of Maharashtra Deputy Chief Minister Ajit Pawar, a meeting in Baramati has fuelled talk that the NCP has begun planning its future strategy.

Detailed analysis:

The courtesy meet signals early succession negotiations within the NCP. Understanding intra-party negotiations is crucial for UPSC and state-service exams, especially regarding coalition stability in Maharashtra.

Source: <https://www.ndtv.com/india-news/ajit-pawar-death-ncp-leaders-courtesy-meet-with-ajit-pawars-wife-sparks-succession-buzz-10907505#publisher=newsstand>

Government Says Black Box Found – Full Truth Behind Ajit Pawar Crash Coming Soon!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Civil Aviation Minister Rammohan Naidu replied to Maharashtra CM Devendra Fadnavis's letter, confirming the black-box recovery and a time-bound investigation into the Baramati crash that claimed Ajit Pawar's life.

Detailed analysis:

The prompt central response underscores the government's commitment to aviation safety and transparency. For exam preparation, focus on procedural aspects of accident investigations and inter-state coordination.

Source: <https://www.indiatvnews.com/news/india/centre-on-ajit-pawar-s-plane-crash-black-box-recovered-probe-being-held-in-time-bound-manner-2026-01-29-1028039>

Boom Ahead! India's Economy Set to Surge 7.4% – Survey Unveils Record Growth

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Parliament Budget Session 2026 Highlights: Nirmala Sitharaman presented the economic survey of India, projecting a 7.4% GDP growth for the current fiscal year.

Detailed analysis:

A 7.4% growth estimate reflects strong policy momentum post-pandemic. Aspirants should link this figure to fiscal measures, sectoral performance, and its implications for employment and inflation targets.

Source: <https://www.ndtv.com/india-news/parliament-budget-session-2026-live-updates-day-2-nirmala-sitharaman-economic-survey-lok-sabha-pm-modi-address-media-ajit-pawar-death-10904247#publisher=newsstand>

Air India's Fleet Gets a Green Boost – 30 New 737 MAXs to Slash Fuel Bills!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Air India on Friday said it has ordered 30 more fuel-efficient 737 MAX aircraft as it looks for growth in both domestic and regional markets.

Detailed analysis:

The order signals a shift towards modern, cost-effective fleets, aligning with the government's push for greener aviation. Relevant for questions on transport policy, public sector reforms, and environmental goals.

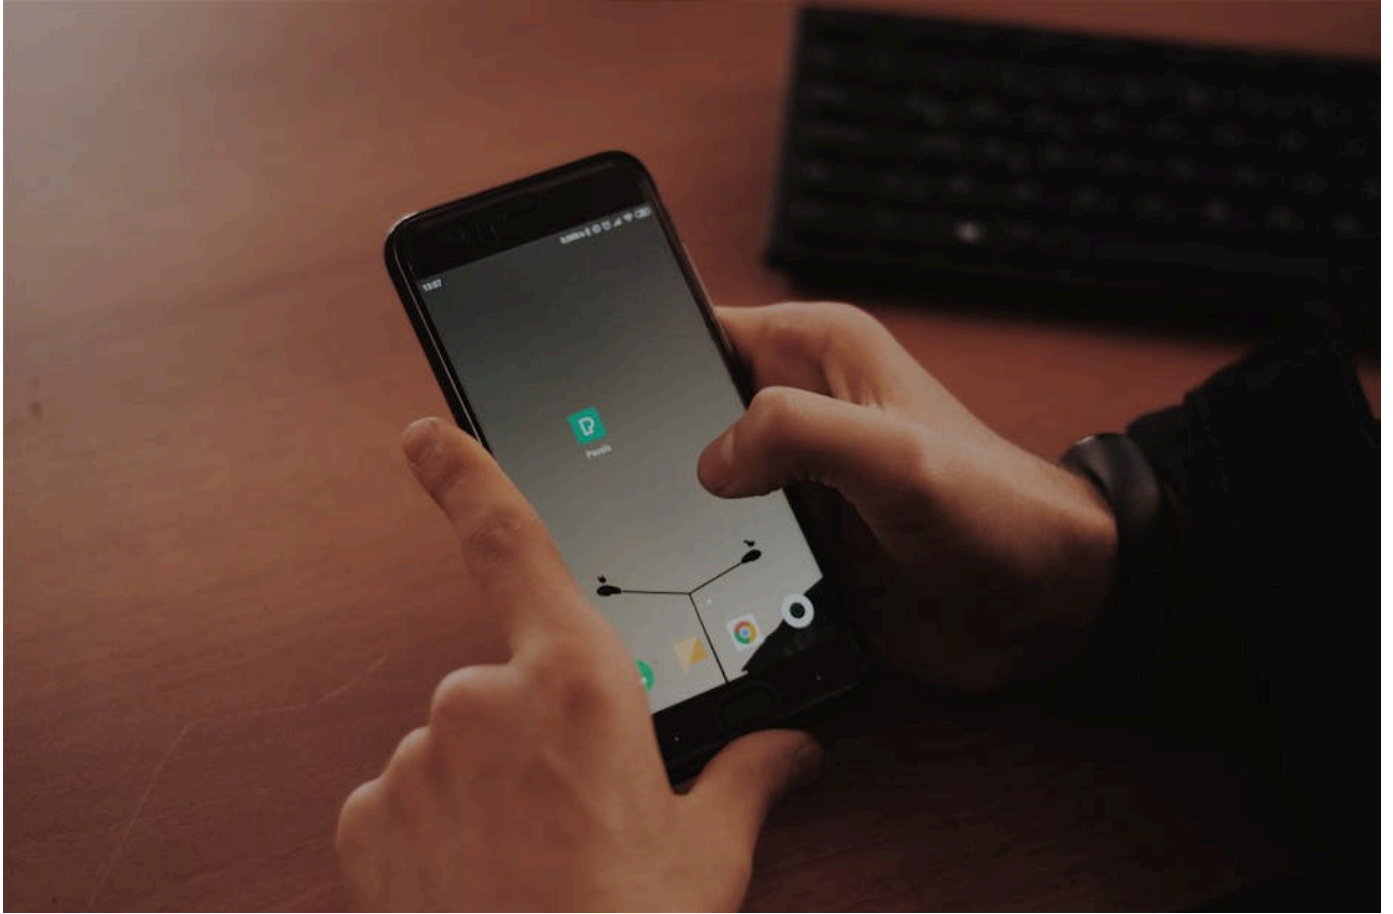

Source: <https://www.ndtv.com/india-news/air-india-orders-30-more-fuel-efficient-737-max-aircraft-10908467#publisher=newsstand>

KCR's Phone Tapped? Chief Minister Summoned Amid Alleged Political Vendetta!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

BRS chief and former Telangana chief minister K Chandrashekar Rao (KCR) has been summoned for questioning for the first time in the phone-tapping case.

Detailed analysis:

The summons highlights issues of privacy, misuse of surveillance, and political rivalry. For civil-service exams, note the legal framework governing interception and its impact on federal-state relations.

Source: <https://www.ndtv.com/india-news/k-chandrashekar-rao-kcr-summoned-in-phone-tapping-case-party-alleges-political-vendetta-10908561#publisher=newsstand>

EU Threatens to Put Iran's Elite Guard on Global Terror List!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

This will put them on the same footing with al-Qaida, Hamas, Daesh, says Kaja Kallas, EU's top diplomat

Detailed analysis:

The EU's move signals a hardening stance against Tehran after the harsh crackdown on protests. By targeting the IRGC, Europe aligns Iran with designated terrorist groups, raising pressure on Iran's nuclear negotiations and testing the limits of EU-US coordination on sanctions. For aspirants, note the legal basis (EU's Common Foreign and Security Policy) and the likely retaliatory diplomatic moves from Iran.

Source: <https://www.thehindu.com/news/international/eu-appears-poised-to-sanction-irans-revolutionary-guard-over-protest-crackdown/article70566986.ece>

Kremlin Calls for Calm: Russia Demands US-Iran Dialogue, Threatens No-More-Bullets!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

We continue to call on all parties to exercise restraint and to renounce any use of force to resolve issues, says Kremlin spokesman Dmitry Peskov

Detailed analysis:

Moscow's appeal reflects its strategic interest in preventing escalation that could destabilize the Eurasian region. By positioning itself as a peace broker, Russia seeks to boost its diplomatic clout while countering US influence. Examine how this fits into the broader 'great power competition' narrative and its implications for future arms control talks.

Source: <https://www.thehindu.com/news/international/russia-urges-us-iran-talks-warns-against-use-of-force/article70565459.ece>

Xi Demands Britain Join China in 'Real' Multilateralism – No More Jungle Law!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

President Xi said that major countries should take the lead, in particular, otherwise, the world would risk regressing into the law of the jungle, according to Xinhua agency.

Detailed analysis:

Xi's message underscores China's push for a new global governance model led by major powers, challenging the Western liberal order. It aligns with China's Belt-and-Road initiatives and its stance on issues like climate, trade, and security. For exams, focus on the concept of 'true multilateralism' versus 'Western hegemony' and its relevance to India's foreign policy balancing act.

Source: <https://www.thehindu.com/news/international/britain-pm-keir-starmer-china-president-xi-jinping-beijing-bilateral-ties/article70563783.ece>

Western Powers Slam Israel for Tearing Down UN Site – Diplomatic Firestorm!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The group, in a joint statement, called on the government of Israel to halt all demolitions

Detailed analysis:

The joint condemnation reflects growing international scrutiny of Israel's settlement policies and their impact on the peace process. Coordinated criticism from multiple Western capitals may increase diplomatic pressure on Israel, affecting its relations with the US and EU. Aspirants should note the legal arguments under international law and the possible UN resolutions that could follow.

Source: <https://www.thehindu.com/news/international/uk-france-canada-and-others-condemn-israels-demolition-of-un-site-in-jerusalem/article70563677.ece>

Climate Chaos: Study Blames Human-Made Warming for Deadly African Floods!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Researchers say human-induced climate change worsened recent torrential rains and floods in southern Africa

Detailed analysis:

The study links increased extreme weather events to anthropogenic climate change, highlighting vulnerability in southern Africa's infrastructure and agriculture. For competitive exams, focus on the link between climate change, disaster management, and the role of international bodies like the UNFCCC in mobilising adaptation funds.

Source: <https://www.thehindu.com/sci-tech/energy-and-environment/climate-change-worsened-rains-and-floods-which-killed-dozens-in-southern-africa-study-shows/article70564050.ece>

Ex-PM Hasina Warns: Unfair Bangladesh Vote Will Spark Chaos!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Sheikh Hasina warned in an email to The Associated Press last week that without inclusive and free and fair elections, Bangladesh will face prolonged instability

Detailed analysis:

Hasina's criticism, despite her exile, raises concerns over the legitimacy of Bangladesh's electoral process and regional stability. The statement may influence India's diplomatic posture, given its proximity and historical ties. Candidates should examine the interplay between domestic politics, electoral reforms, and South Asian security dynamics.

Source: <https://www.thehindu.com/news/international/bangladeshs-ousted-leader-hasina-denounces-the-upcoming-election-from-her-exile-in-india/article70564132.ece>

India Inc's Profit Engine Roars – Will It Run Dry Soon?

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

As non-bank funding outpaces traditional credit, record net profits have become India Inc's main funding engine, the survey said. But is this lever starting to weaken?

Detailed analysis:

The survey highlights that corporate earnings are the backbone of financing for Indian businesses, reducing reliance on banks. For exam takers, note the shift towards internal cash generation, its impact on capital markets, and the risk if profit growth stalls, which could tighten liquidity and affect growth forecasts.

Source: <https://www.livemint.com/news/economic-survey-2026-india-commercial-financing-11769680626426.html>

America's Trade Gap Swells – Imports Surge While Exports Falter!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The US trade deficit widened in November from the lowest level since 2009 as imports rebounded and exports fell.

Detailed analysis:

A widening deficit signals stronger domestic demand but also potential competitive pressure on local manufacturers. Aspirants should link this to monetary policy, currency valuation, and implications for US-India trade negotiations, especially for export-oriented sectors.

Source: <https://www.livemint.com/news/us-news/us-trade-deficit-widens-from-smallest-since-2009-as-imports-rise-11769695671698.html>

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The EU has designated Iran's IRGC as a terrorist organisation in response to the deadly repression of protests that began in December 2025. The sanctions target the IRGC, Iranian officials, and entities supporting internet censorship.

Detailed analysis:

Sanctions can restrict Iranian oil exports, affect energy prices, and curb investment flows. For business exams, focus on how geopolitical risk premiums rise, supply-chain disruptions may occur, and Indian exporters/importers need to monitor compliance regimes.

Source: <https://www.livemint.com/news/world/european-union-labels-iran-islamic-revolutionary-guard-irgc-as-terrorist-organisation-citing-mass-killings-of-civilians-11769699411908.html>

Aadhaar 2.0 Unleashed – Update Your Details on the Fly!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

UIDAI launched a new Aadhaar mobile app on 29 January, featuring enhanced user control over personal information, selective sharing, and offline verification. Here's how to download the app.

Detailed analysis:

The app strengthens digital identity infrastructure, boosting fintech adoption and KYC efficiency. Candidates should note its role in expanding financial inclusion, reducing fraud, and the regulatory push for data privacy in India's banking sector.

Source: <https://www.livemint.com/news/india/new-aadhaar-app-launched-can-you-update-mobile-number-and-address-key-features-steps-to-download-11769675979804.html>

Tragedy in the Skies: Ajit Pawar's Fatal Crash Sends Shockwaves Through Maharashtra's Economy!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Ajit Pawar Plane Crash: Union Aviation Minister Rammohan Naidu Kinjarapu assures a thorough investigation. He emphasises cooperation with the Maharashtra government to prevent future incidents, highlighting the importance of transparency and aviation safety.

Detailed analysis:

The sudden loss of a senior finance figure can unsettle state-level fiscal plans, affect investor confidence, and delay policy reforms. Examine how political stability influences credit ratings and state-wise investment inflows.

Source: <https://www.livemint.com/news/india/ajit-pawar-plane-crash-aviation-minister-naidu-responds-to-maha-cm-fadnavis-letter-heres-what-he-said-11769683274317.html>

RTI Overhaul Alert! Survey Warns Transparency Is Pointless Without Results!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The Economic Survey 2025–26 describes the RTI Act, 2005 as one of India's most powerful democratic reforms and a cornerstone of anti-corruption efforts.

Detailed analysis:

Effective RTI implementation can curb corruption, improving the business climate and attracting FDI. Aspirants should link governance reforms to ease of doing business rankings and long-term investment stability.

Source: <https://www.livemint.com/news/economic-survey-rti-act-right-to-information-anticorruption-11769679451592.html>

Golf's Indian Maverick Says Our Pros Must Sharpen Their Killer Instinct!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The only Indian to win on the PGA Tour believes Indian pros have the required technical skills but need to work on their mental strength

Detailed analysis:

Highlights the need for mental toughness in elite sport – a key topic in sports psychology sections of UPSC/State exams. Shows how Indian athletes can compete globally if they develop a killer instinct.

Source: <https://www.hindustantimes.com/sports/others/indian-pros-need-killer-instinct-to-succeed-overseas-atwal-101769700461076.html>

Mbappé Smashes Ronaldo's Record – 13 Goals in a Single CL Phase!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Kylian Mbappe sets a new Champions League record with 13 goals in a single league phase, surpassing Cristiano Ronaldo's long-standing record of 11.

Detailed analysis:

A historic football milestone that underlines Europe's top-level competition. Useful for questions on sport's impact on national morale and for comparing Indian football development with global standards.

Source: <https://www.hindustantimes.com/sports/football/kylian-mbappe-tumbles-cristiano-ronaldos-major-goal-scoring-record-real-madrid-lose-despite-heroics-101769654035726.html>

Benfica's Goalkeeper Scores in 98th Minute to Dump Real Madrid!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The best of the new Champions League format was on display as Anatoliy Trubin's header against 9-man Madrid helped Benfica qualify by the skin of their teeth.

Detailed analysis:

Rare goalkeeper goal in a high-stakes match; showcases tactical unpredictability. Relevant for exam sections on sports strategy and the growing commercial value of UEFA competitions.

Source: <https://www.hindustantimes.com/sports/football/goalkeepers-98th-minute-goal-vs-real-madrid-seals-knockouts-for-jose-mourinhos-benfica-in-champions-league-classic-101769661631523.html>

Rybakina Storms Into AO Final – A Battle Worth Watching!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Elena Rybakina, who is targeting a second Grand Slam crown, downed Jessica Pegula 6-3, 7-6 (9/7) in a 1hr 40min arm-wrestle on Rod Laver Arena

Detailed analysis:

Grand Slam finals draw massive viewership; India's tennis fans follow closely. Useful for discussions on sports diplomacy and the role of international tournaments in promoting Indian athletes.

Source: <https://www.hindustantimes.com/sports/tennis/elena-rybakina-battles-into-australian-open-final-against-aryna-sabalenka-101769689596800.html>

Djokovic Advances as Musetti Retires – Luck Plays a Trick!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Novak Djokovic advances to the Australian Open semi-finals after Lorenzo Musetti retires due to injury while leading.

Detailed analysis:

Djokovic's consistency at majors is a case study in elite performance management. Highlights how unforeseen events (injuries) can alter tournament outcomes – a point often examined in sports administration questions.

Source: <https://www.hindustantimes.com/sports/tennis/novak-djokovic-and-a-trick-called-luck-lorenzo-musetti-leads-then-retires-from-australian-open-quarter-final-101769647311247.html>

Susaki Dominates Antim – A Pro Wrestling League Showdown!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The four-time world champion and Tokyo Olympic gold medallist showed that the young Indian has some catching up to do

Detailed analysis:

Showcases India's growing footprint in wrestling, a sport with Olympic relevance. Helpful for questions on sports funding, talent scouting, and the impact of international stars on domestic leagues.

Source: <https://www.hindustantimes.com/sports/others/pro-wrestling-league-susaki-hands-antim-a-lesson-101769623136949.html>

Space Budget Crunch: Can NSIL Rescue India's Cosmic Dreams?

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The Economic Survey 2025 highlights a stagnant space budget and examines how NewSpace India Limited (NSIL) could bridge the financing gap for the Department of Space through commercial ventures.

Detailed analysis:

Understanding the shift towards private participation in India's space programme is crucial for UPSC General Studies Paper III and for science-technology sections of competitive exams.

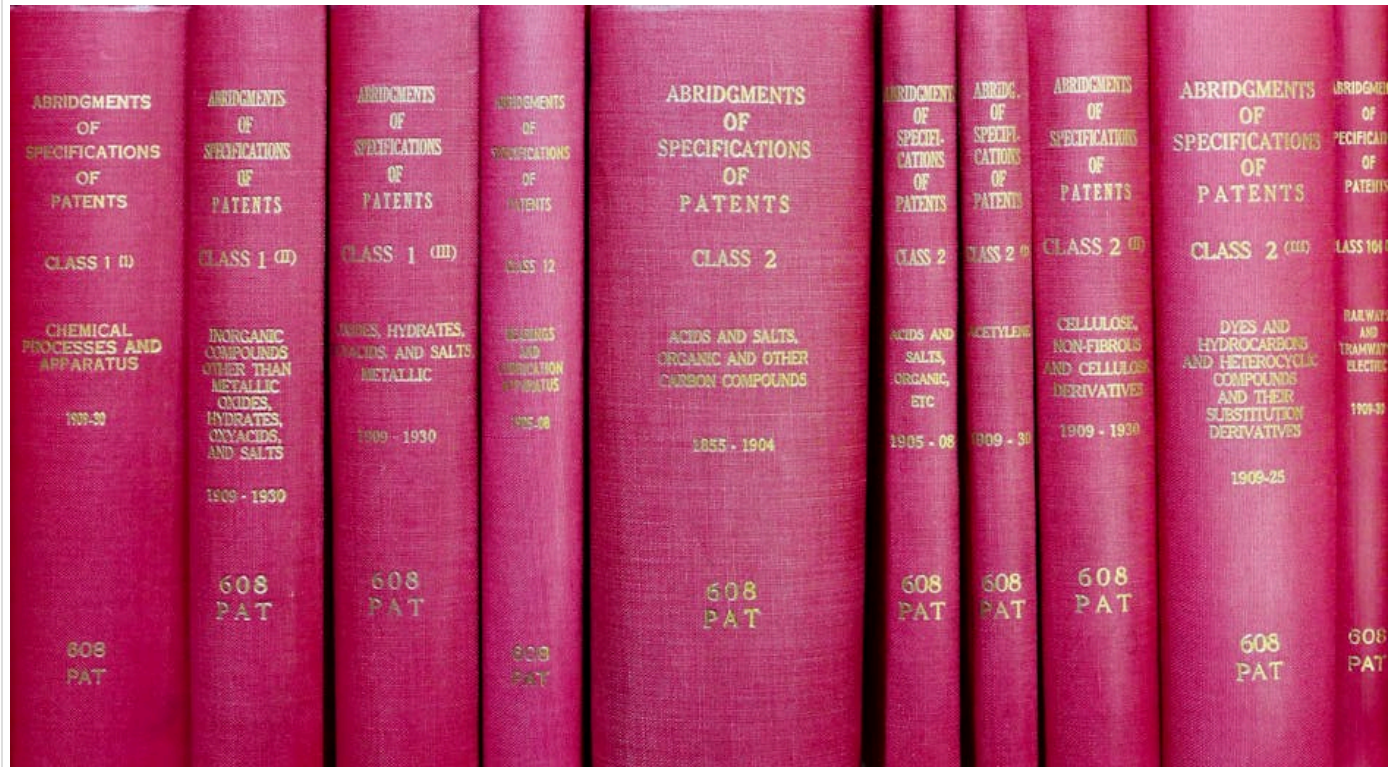

Source: <https://www.thehindu.com/business/budget/private-sector-seeks-anchor-contracts-as-dept-of-space-struggles-to-use-funds/article70564936.ece>

Patents in Orbit? The Legal Tug-of-War Over Space Inventions!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The article analyses how the territorial basis of patent law clashes with the non-territorial nature of outer-space activities, raising questions for future space-based innovations.

Detailed analysis:

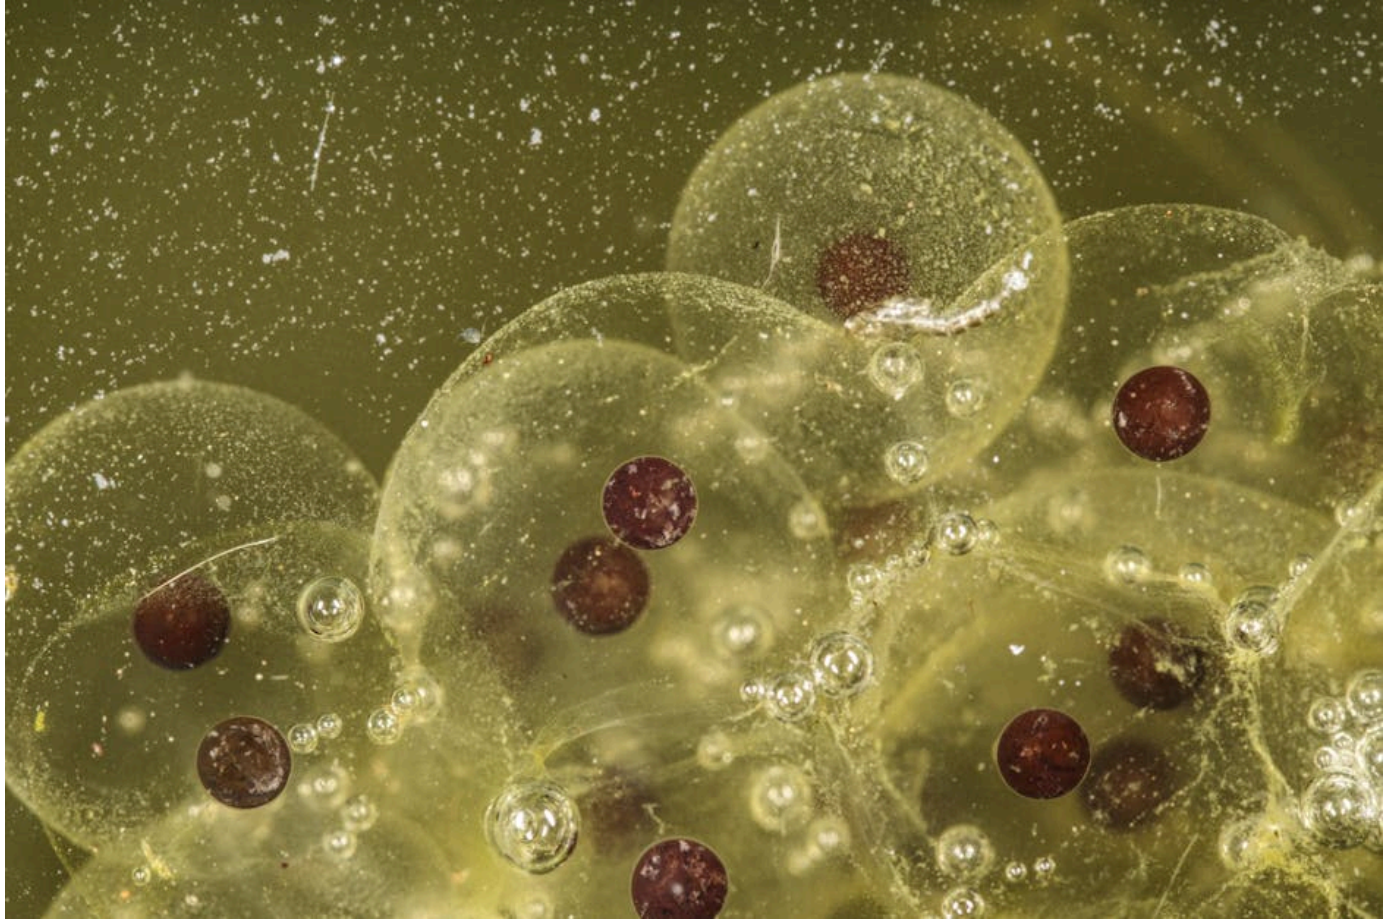

Exam candidates must grasp emerging legal challenges as India expands its lunar and Martian missions, a topic frequently asked in ethics and law papers.

Source: <https://www.thehindu.com/sci-tech/science/can-international-patent-law-handle-a-permanent-space-presence/article70549315.ece>

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The Delhi High Court has issued a notice to the Union Government after a PIL argued that adopting frozen embryos should be treated like child adoption, deeming the ban arbitrary.

Detailed analysis:

Bio-ethics, reproductive rights and constitutional law are integral to the health and governance modules of civil services exams.

Source: <https://www.thehindu.com/sci-tech/science/delhi-hc-issues-notice-to-centre-on-pil-challenging-ban-on-adopting-frozen-embryos/article70562356.ece>

Turning Car Smoke into Fuel: Breakthrough CO₂ Reuse Technology!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Scientists have demonstrated a catalytic process that captures exhaust carbon dioxide and converts it into usable fuels under practical conditions, offering a new route for emissions mitigation.

Detailed analysis:

This development links climate policy, green technology and industrial chemistry—key themes in environment sections of competitive exams.

Source: <https://indianexpress.com/article/technology/science/researchers-find-a-way-to-reuse-exhaust-co2-under-real-world-conditions-10502078/>

Athena Unleashed: NASA's Super-Fast Brain Driving Moon Mission!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The piece details Athena, NASA's most powerful supercomputer, its architecture, speed and pivotal role in simulations and data processing for the Artemis II lunar mission.

Detailed analysis:

Knowledge of cutting-edge computing and its application in space missions is relevant for technology and science questions in UPSC and other national exams.

Source: <https://indianexpress.com/article/technology/science/athena-inside-nasas-fastest-ever-supercomputer-powering-artemis-ii-10501847/>

India's Coastal Cities on the Brink: The Silent Sink of the Land!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

A recent study warns that land subsidence combined with sea-level rise is accelerating the vulnerability of Indian coastal metropolises, calling for urgent adaptation strategies.

Detailed analysis:

Geography, disaster management and climate change are high-weight topics for the IAS prelims and state-level services exams.

Source: <https://indianexpress.com/article/technology/science/sinking-ground-rising-danger-the-hidden-crisis-threatening-coastal-cities-10500078/>

Alcohol Abuse Pushes Liver to Irreversible Point – No Safe Limit!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

There is no set amount of alcohol that is safe for anybody; it is crucial to identify and treat liver disease early while it is still reversible, before it reaches the point of cirrhosis

Detailed analysis:

For UPSC and state exams, understand the pathophysiology of alcoholic liver disease, the reversible stages (fatty liver, hepatitis) versus irreversible cirrhosis, and the public health implication of no safe alcohol threshold. This ties to preventive health policies and NCD control strategies.

Source: <https://www.thehindu.com/sci-tech/health/alcohol-liver-cirrhosis-and-the-point-of-no-return/article70542011.ece>

Men Now Opt for Plastic Surgery Twice as Much as Women!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The trend reflects a profound transformation of social norms and growing acceptance of cosmetic procedures by men, the analysis said

Detailed analysis:

Exam takers should note the shifting gender norms in health-seeking behaviour, the rise of elective cosmetic procedures, and its relevance to mental health, body image issues, and the regulatory framework governing medical aesthetics in India.

Source: <https://www.thehindu.com/sci-tech/health/men-getting-twice-as-much-plastic-surgery-new-data-shows/article70565472.ece>

Recurrent UTIs: The Silent Threat & Antibiotic Resistance Alarm!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Preventing these infections is important, not only for women's health, but also to reduce the growing problem of antibiotic resistance

Detailed analysis:

Key for medical and nursing exams: risk factors, non-antibiotic prophylaxis (hydration, hygiene, cranberry), and the link between repeated UTI treatment and antimicrobial resistance, a priority area in India's National Action Plan on AMR.

Source: <https://www.thehindu.com/sci-tech/health/preventing-recurrent-urinary-tract-infections/article70564005.ece>

Karnataka Stops Govt Doctors Treating Private In-Patients – Impact on Public Health!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The government noted that treatment of in-patients in private facilities involves longer clinical engagement, which may adversely affect the delivery of services in government hospitals

Detailed analysis:

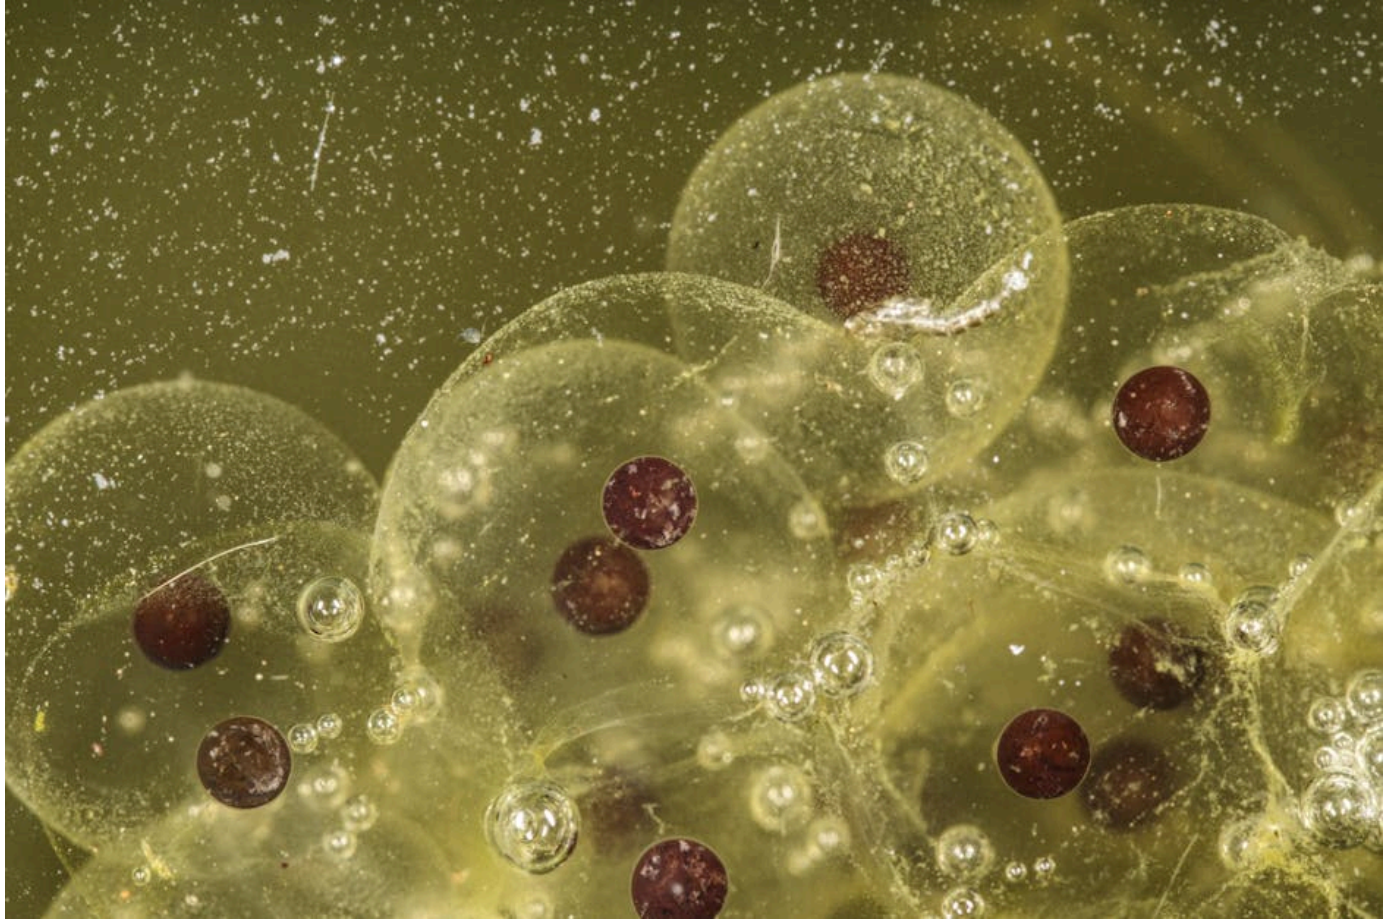

Relevant for public administration and health policy sections: understand state-level regulation of doctor-patient assignments, resource allocation challenges, and possible implications for equity in healthcare delivery.

Source: <https://www.thehindu.com/news/national/karnataka/karnataka-bars-treatment-of-private-in-patients-by-government-doctors/article70562037.ece>

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The petition argued that embryo adoption was indistinguishable from child adoption; it created an unreasonable and manifestly arbitrary classification

Detailed analysis:

Important for law and ethics sections: examine the constitutional questions of right to family, ART regulations, and the balance between bio-ethical safeguards and personal liberty, a recurring theme in jurisprudence exams.

Source: <https://www.thehindu.com/sci-tech/science/delhi-hc-issues-notice-to-centre-on-pil-challenging-ban-on-adopting-frozen-embryos/article70562356.ece>

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The move is to simplify regulatory processes, reduce approval time, and to enable faster conduct of clinical research in pharmaceutical sector

Detailed analysis:

For pharmacy and policy exams, note the amendment to the New Drugs and Clinical Trials Rules 2019, the removal of prior licence for certain trials, and its potential to boost R&D while raising concerns about safety oversight.

Source: <https://www.thehindu.com/sci-tech/health/health-ministry-notifies-amendments-to-new-drugs-and-clinical-trials-rules-2019/article70560009.ece>

RBI pulls the plug on a rupee free-fall, stops it from crashing past 92!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The Indian rupee hit a record low against the dollar on Thursday, pressured by dollar demand linked to the maturity of non-deliverable forward positions and corporate hedging, while the central bank likely intervened to hold it above the psychologically significant 92 level.

Detailed analysis:

A sharp rupee depreciation signals external pressure and market stress. For exam takers, note the RBI's typical intervention threshold around 92 and the role of NDF unwinding in currency swings.

Source: <https://economictimes.indiatimes.com/markets/forex/forex-news/rupee-hits-record-low-rbi-intervention-averts-fall-past-92/articleshow/127773672.cms>

Trump's Iran showdown sends Brent soaring past \$70!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Brent crude oil topped \$70 per barrel Thursday for the first time since September as US President Donald Trump ramped up geopolitical tensions by threatening military strikes on Iran. In London morning deals, international benchmark oil contract Brent North Sea crude jumped 2.4 percent to \$70.06 per barrel.

Detailed analysis:

Geopolitical risk spikes oil prices; a \$70 Brent level is a key trigger for inflation expectations and fiscal budgeting. Aspirants should link such spikes to balance-of-payments and fiscal pressure on the current account.

India's 'Goldilocks' 2025 economy set to dazzle Budget 2026!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

India's economy experienced unexpected robust growth and low inflation in 2025, a 'Goldilocks year'. Experts anticipate a cautious Union Budget 2026, emphasizing continuity and fiscal restraint. While cyclical factors boosted growth, policy innovation and strategic investment, particularly in state capex and FDI, are crucial for sustained stellar performance.

Detailed analysis:

Strong 2025 growth with low inflation creates fiscal space but also raises expectations for capital spending. Candidates should remember the link between capex, FDI inflows, and the fiscal deficit targets set in the upcoming budget.

China lifts the red-line shackles, property stocks explode!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Chinese property developers are no longer required to report monthly data related to the country's "three red lines" policy, local media said on Thursday, an apparent end to rules which triggered a major debt crisis that continues to this day.

Detailed analysis:

The rollback eases financing constraints for developers, potentially stabilising the real-estate sector. For exams, note the "three red lines" criteria and its impact on corporate leverage ratios.

Source: <https://economictimes.indiatimes.com/markets/digital-real-estate/realty-news/china-reportedly-drops-rules-that-sparked-property-crisis-developer-shares-surge/articleshow/127769797.cms>

Mahindra Holidays sees profit nosedive after one-time charge!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Mahindra Holidays and Resorts India reported a 94% plunge in third-quarter profit on Thursday, dragged by a one-time charge following the roll-out of India's new labour codes and slower membership growth.

Detailed analysis:

A one-time charge can distort earnings; underlying operational trends like membership slowdown matter more for long-term valuation. Exam focus: impact of labour reforms on cost structures and profit margins.

Source: <https://economictimes.indiatimes.com/markets/stocks/earnings/indias-mahindra-holidays-quarterly-profit-plummets-on-one-time-charge-slow-membership-growth/articleshow/127773351.cms>

Deepak Fertilisers' earnings tumble as agro-chemical demand dries up!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

India's Deepak Fertilisers and Petrochemicals reported a 43.6% fall in third-quarter profit on Thursday, as softer agrochemicals demand and rising input costs squeezed margins.

Detailed analysis:

Margin pressure from raw-material cost hikes and weak end-market demand highlights the cyclical nature of the agro-chemical sector. Candidates should link input-cost inflation to profit volatility.

Climate Chaos: Human-Made Warming Fuels Deadly African Floods!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Researchers say human-induced climate change worsened recent torrential rains and floods in southern Africa.

Detailed analysis:

Demonstrates the tangible impact of global warming on extreme weather events, reinforcing concepts of climate change attribution and its relevance to disaster management and international climate policy.

Source: <https://www.thehindu.com/sci-tech/energy-and-environment/climate-change-worsened-rains-and-floods-which-killed-dozens-in-southern-africa-study-shows/article70564050.ece>

Rampant Wild-Animal Attacks Kill Hundreds – Tamil Nadu in Crisis!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The conflict situation is a cause of serious concern in Western Ghats districts such as Kanniyakumari, Tirunelveli, Virudhunagar, Madurai, Theni, Dindigul, Coimbatore and the Nilgiris and in three Eastern Ghats districts — Erode, Krishnagiri and Dharmapuri.

Detailed analysis:

Provides data on human-wildlife casualties, useful for questions on biodiversity conservation, human-wildlife conflict mitigation and the effectiveness of the Wildlife Protection Act in high-conflict zones.
