

Future CJI Vows to Slash Court Backlog and Make Mediation the New Super-Power of Indian Judiciary!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Two days before assuming office, Justice Surya Kant said his 16-month tenure will focus on clearing pending cases and strengthening mediation as an alternative dispute mechanism.

Detailed analysis:

Key for UPSC: Highlights judicial reforms, the emphasis on alternative dispute resolution, and the challenge of case backlog—topics frequently asked in Governance and Law sections.

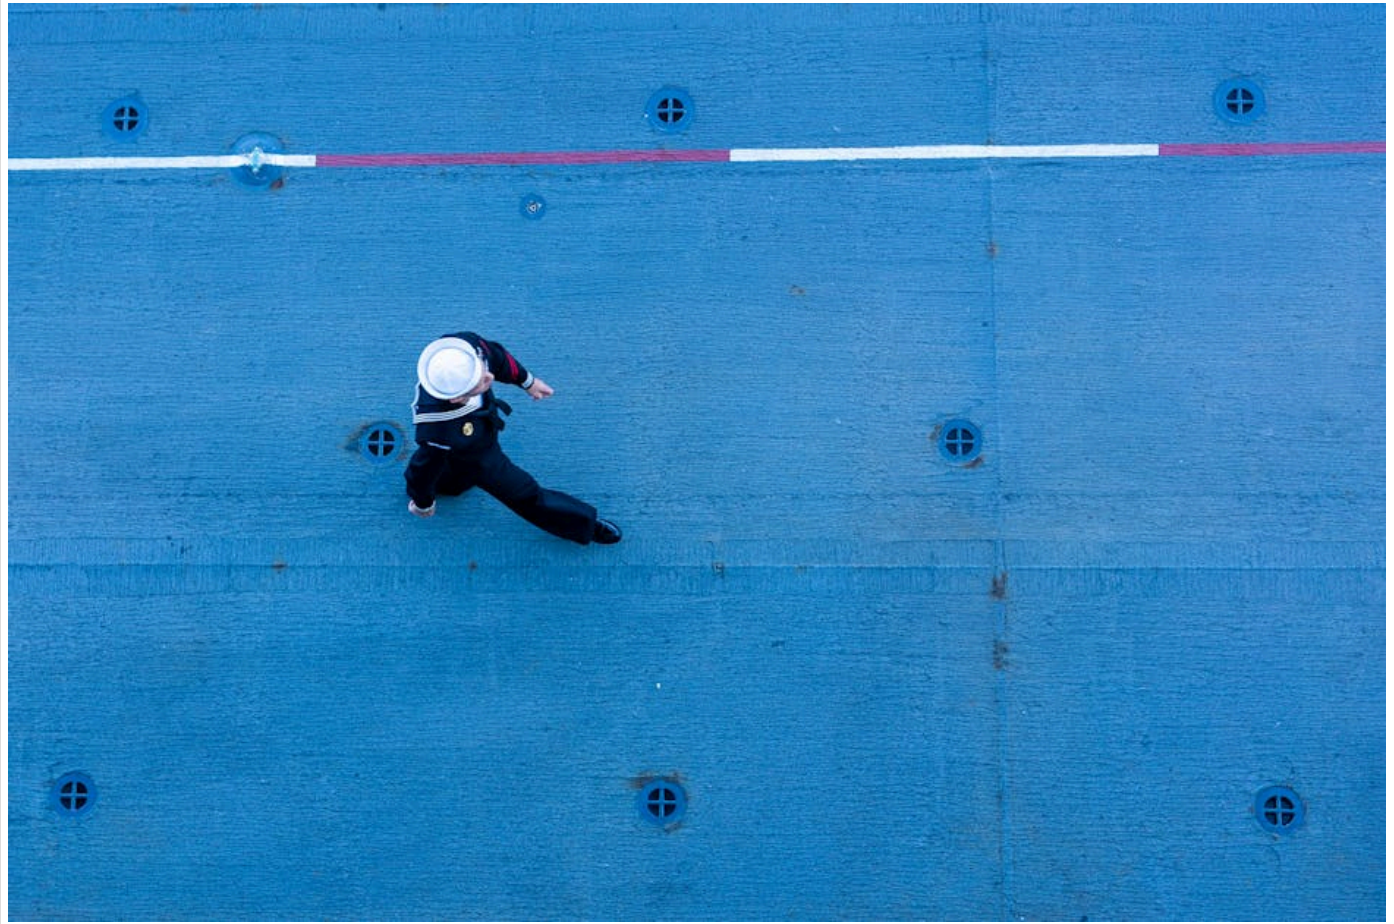

Source: <https://www.ndtv.com/india-news/reducing-pendency-promoting-mediation-incoming-chief-justice-surya-kant-on-top-priorities-9682829#publisher=newsstand>

Navy Superheroes! UN Hails Indian Fleet for Rescuing Half-Thousand Lives in One Sweep!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

At a UN Security Council meeting, India's Permanent Representative highlighted the Navy's role in safeguarding global sea lanes and rescuing more than 500 people amid rising piracy in the Arabian Sea.

Detailed analysis:

Important for defence and international relations; showcases India's maritime capability and soft power —core topics for GS-III and optional papers on security studies.

Source: <https://www.ndtv.com/world-news/indian-navys-credible-swift-actions-saved-over-500-lives-envoy-to-un-9682298#publisher=newsstand>

Maoist Mass Exodus! 37 Insurgents Dump Arms in Hyderabad After Epic Surrender!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

A major setback for the Maoist movement as 37 cadres, among them top state committee members and many young women, surrendered to authorities in Hyderabad.

Detailed analysis:

Relevance for internal security and left-wing extremism, a recurring UPSC topic. The surrender indicates effective counter-insurgency and the impact of rehabilitation policies.

Source: <https://www.ndtv.com/india-news/37-maoists-including-senior-leaders-and-young-women-surrender-in-telangana-9682512#publisher=newsstand>

Escaped Cyber-Chains! Baghpat Man Freed from Cambodian Fraud Syndicate and Brought Home!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Police rescued a Baghpat resident who was allegedly held captive by a cyber-fraud syndicate in Cambodia and have returned him to India.

Detailed analysis:

Highlights trans-national crime, human trafficking, and cyber-security—areas gaining importance in the UPSC syllabus under International Relations and Internal Security.

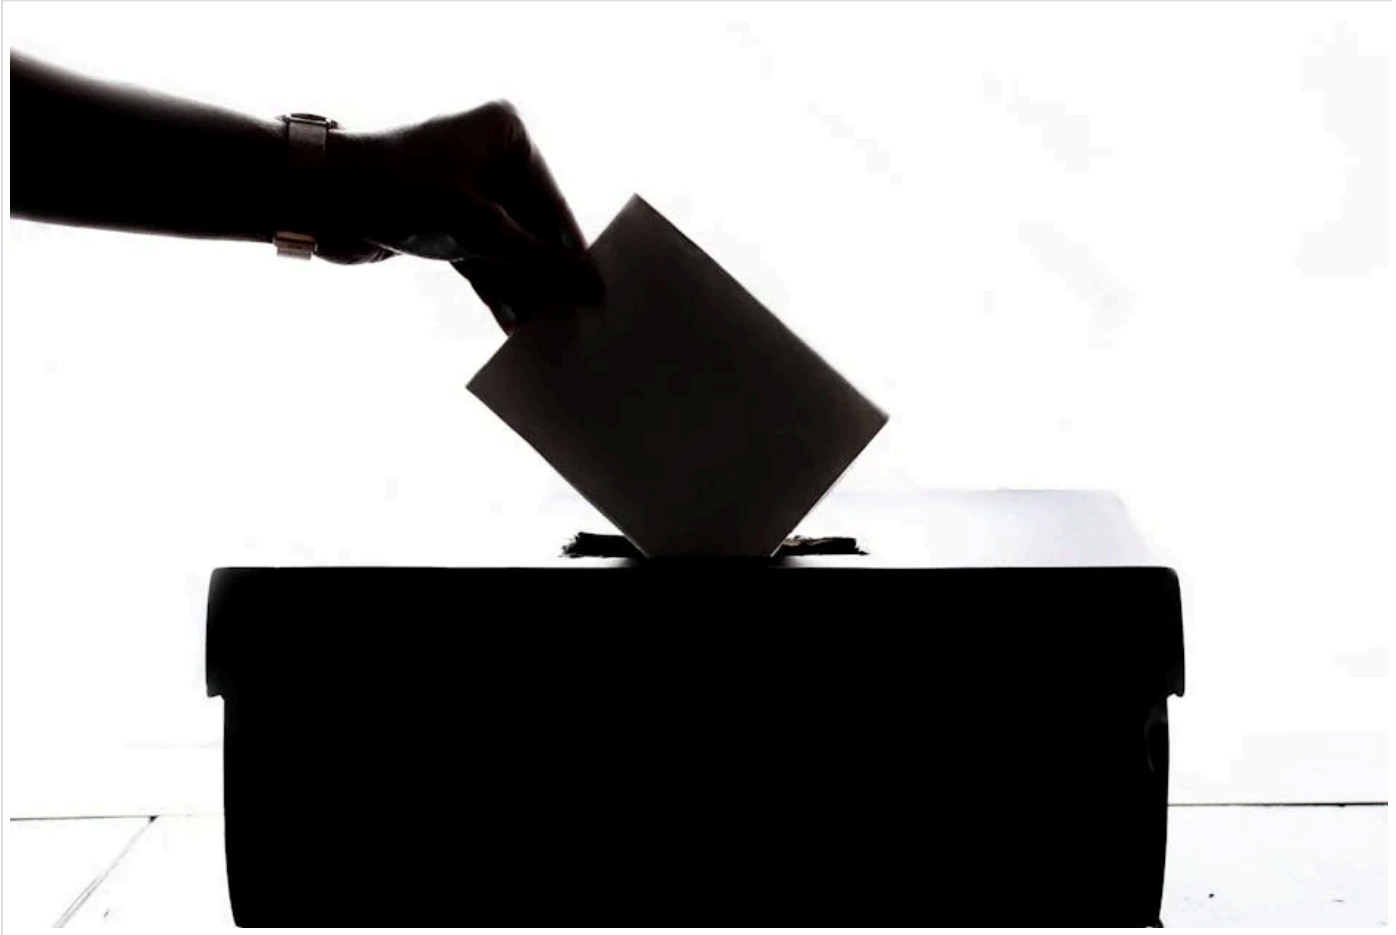

Source: <https://www.ndtv.com/india-news/up-man-rescued-from-cyber-slavery-in-cambodia-repatriated-cops-9682568#publisher=newsstand>

Grand Alliance Plot! Congress Sets Up Dream Team to Strike Seat-Sharing Deal with DMK!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The Congress announced a five-member committee to start negotiations with the DMK on seat-sharing ahead of the 2026 Tamil Nadu Assembly elections, ending weeks of speculation.

Detailed analysis:

Crucial for understanding coalition dynamics, pre-election strategies, and the role of regional parties—key for GS-II and essay topics on federalism.

Source: <https://www.ndtv.com/india-news/congress-forms-panel-to-start-seat-sharing-talks-with-dmk-for-2026-polls-9682668#publisher=newsstand>

Assam Showdown! Himanta Sarma Declares NDA's Bold 103-Seat Goal for 2026 Elections!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The BJP's Assam unit decided to contest the 2026 Assembly elections with its allies, aiming for the NDA to secure 103 out of 126 seats in the state legislature.

Detailed analysis:

Important for studying electoral politics, party strategies, and regional power equations—frequently asked in UPSC's Polity and Governance papers.

Source: <https://www.ndtv.com/india-news/we-know-our-limitations-himanta-sarma-on-nda-target-for-assam-polls-9683035#publisher=newsstand>

Blazing Car Attack in Gaza Leaves Four Dead – A New Wave of Violence!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Witnesses and medics said the attack in the densely populated Rimal neighbourhood set the vehicle ablaze

Detailed analysis:

The strike underscores the intensifying ground-level violence in the Israel-Palestine conflict, raising concerns about civilian protection, humanitarian law and the potential for wider regional escalation – key topics for UPSC and other civil service examinations.

U.S. Blockade Fails – G20 Pushes Through Landmark Declaration!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Many of South Africa's priorities for the group, especially a focus on climate change and its impact on developing countries, have met resistance from the United States, which is boycotting the talks

Detailed analysis:

The episode highlights the growing rift between the U.S. and developing-nation blocs within the G-20, especially on climate finance and equity. It illustrates multilateral negotiation dynamics, a frequent subject in international relations and economics papers for government exams.

Source: <https://www.thehindu.com/news/international/africa-g20-meet-us-boycott-india-pm-modi-updates-november-22/article70310882.ece>

UN Showdown! China Accuses Japan of Aggression Over Taiwan

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

“If Japan dares to attempt an armed intervention in the cross-Strait situation, it would be an act of aggression,” a statement from China’s U.N. mission read

Detailed analysis:

The move signals Beijing’s strategy to internationalise the Taiwan issue and pressure Japan diplomatically. Understanding such UN-level posturing is essential for topics on South-Asian security and international law in competitive exams.

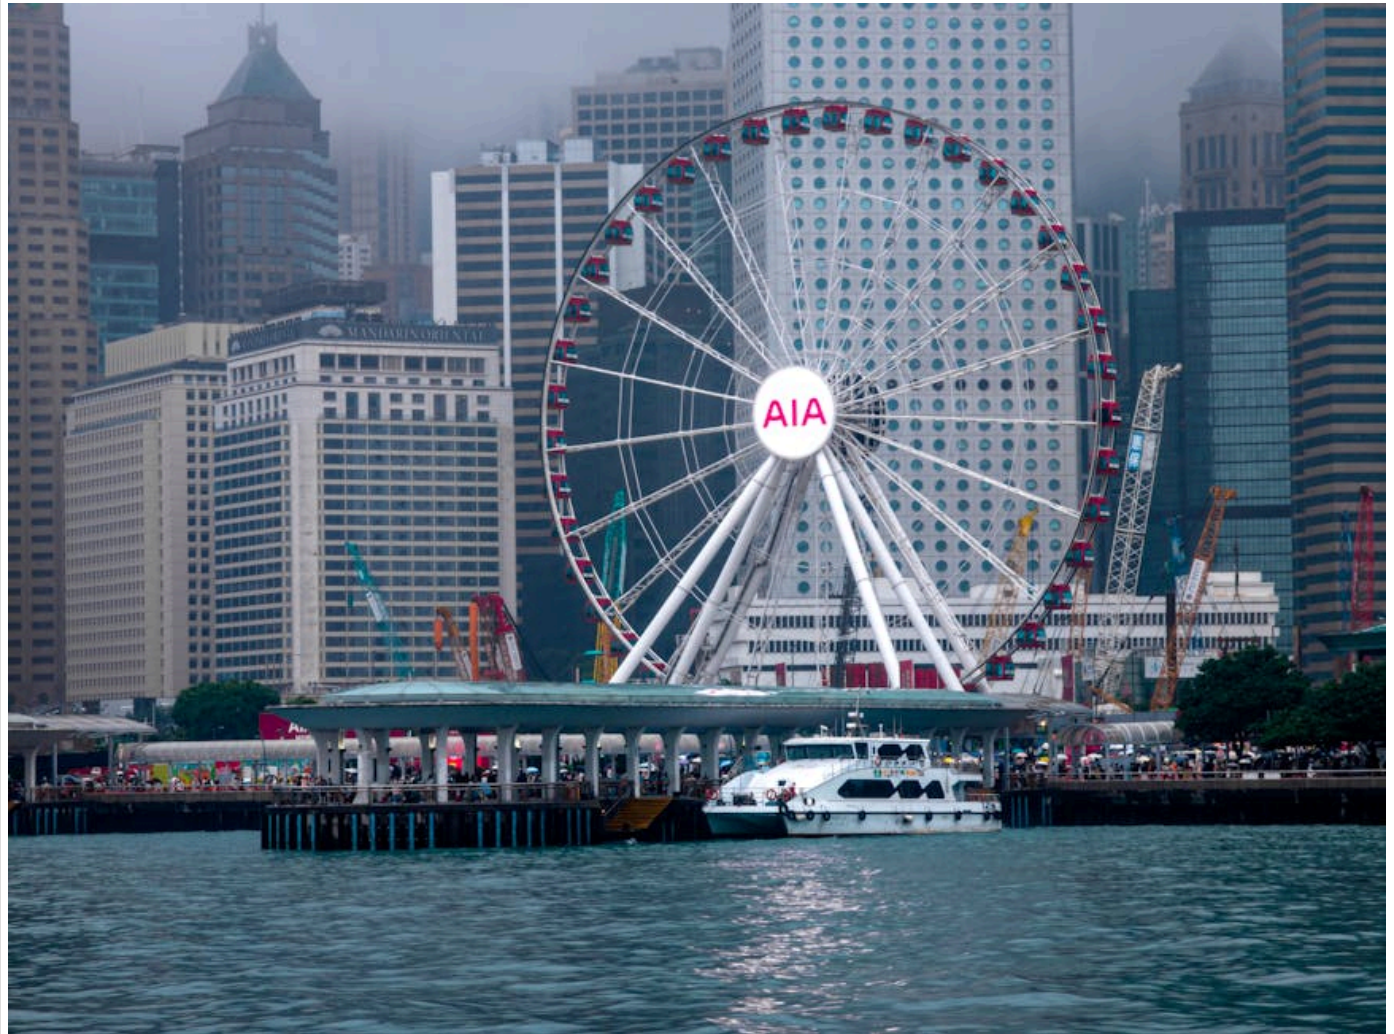

Source: <https://www.thehindu.com/news/international/china-takes-spat-with-japan-over-taiwan-to-un-cites-right-of-self-defence-against-armed-intervention/article70310603.ece>

High-Stakes Naval Talk in Hawaii Aims to Thwart Sea Clash!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Both sides also discussed “typical cases of naval and air encounters between the two militaries ... to help the front-line naval and air forces of China and the U.S. interact more professionally and safely,” China’s Navy said in a statement

Detailed analysis:

Maritime confidence-building talks are crucial to prevent accidental escalation in the Indo-Pacific, a region of strategic importance for India’s security and foreign policy studies.

Source: <https://www.thehindu.com/news/international/us-china-held-maritime-security-talks-in-hawaii-chinese-navy-says/article70310644.ece>

Impending Disaster? Nepal's Glacial Lakes Threaten Catastrophic Floods!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Women, children, and the elderly are often the most affected during disasters

Detailed analysis:

The vulnerability of glacial lakes illustrates climate-change-induced hazards in the Himalayas, a key subject for environmental geography, disaster management and sustainable development modules in civil services preparation.

Source: <https://www.thehindu.com/sci-tech/science/42-glacial-lakes-in-nepal-at-high-risk-of-bursting-experts/article70310692.ece>

Pakistan's Counter-Terror Blitz Slaughters 17 TTP Fighters!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

“The bodies of seven militants had been recovered, while three could not be retrieved due to the difficult mountainous terrain,” Khyber Pakhtunkhwa Inspector General of Police said

Detailed analysis:

The operation reflects ongoing counter-terror measures against the Tehrik-e-Taliban Pakistan, influencing internal security assessments and Pakistan-India relations—topics frequently examined in security studies and current affairs sections of exams.

Source: <https://www.thehindu.com/news/international/17-ttp-militants-killed-in-security-operations-in-pakistans-khyber-pakhtunkhwa/article70310759.ece>

Royal Riches Exposed: The Crown's £132 Million Payday Revealed!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Till 2011, the Royal Family was funded by the 'civil list'; today its annual earnings total £132.1 million, prompting questions on public funding sources.

Detailed analysis:

Understanding the monarchy's revenue streams is crucial for fiscal policy and public-budget discussions, especially for candidates preparing for UPSC and banking exams where sovereign finance topics appear.

Source: <https://www.livemint.com/news/world/1321-million-thats-how-much-britains-royal-family-will-earn-this-year-who-pays-for-it-11763816882959.html>

Sky-High Deal! Air India & Air Canada Re-Launch Codeshare, Opening 6 Fresh Corridors

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The revived codeshare will let Air India passengers access six Canadian destinations beyond Vancouver and London Heathrow, enhancing connectivity and revenue potential.

Detailed analysis:

The partnership signals a strategic push to capture trans-Pacific traffic, a key case study for airline economics and international trade sections in competitive exams.

Source: <https://www.livemint.com/news/india/air-india-reinstates-codeshare-agreement-with-air-canada-after-5-years-passengers-to-benefit-on-6-new-routes-11763814019271.html>

Tri-Nation Tech Boom! India, Australia & Canada Seal \$X Billion Innovation Pact

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

At the G20 Summit in Johannesburg, Modi, Canada's Mark Carney and Australia's Anthony Albanese announced a trilateral partnership to boost tech, clean energy and AI cooperation.

Detailed analysis:

Such multilateral agreements illustrate India's push for high-value manufacturing and R&D—core topics for economics and international relations papers in civil services exams.

Source: <https://www.livemint.com/news/india/pm-modi-meets-mark-carney-anthony-albanese-announces-australia-canada-india-technology-innovation-partnership-11763815745804.html>

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

During the summit, Modi presented three flagship initiatives focusing on dismantling drug-terror networks, launching a Skills Multiplier programme, and fostering global cooperation.

Detailed analysis:

These initiatives are pivotal for understanding India's security-economy nexus and skill development policies—high-frequency topics for UPSC and banking exams.

Source: <https://www.livemint.com/news/world/pm-modi-outlines-3-initiatives-at-g20-summit-counteracting-drug-terror-nexus-skills-multiplier-key-highlights-11763805331227.html>

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Donald Trump Jr., son of the U.S. President, toured Vantara, the wildlife rescue centre run by Anant Ambani, praising its conservation work.

Detailed analysis:

The visit underscores the intersection of corporate social responsibility and international branding for Indian conglomerates—relevant for business-strategy modules in competitive exams.

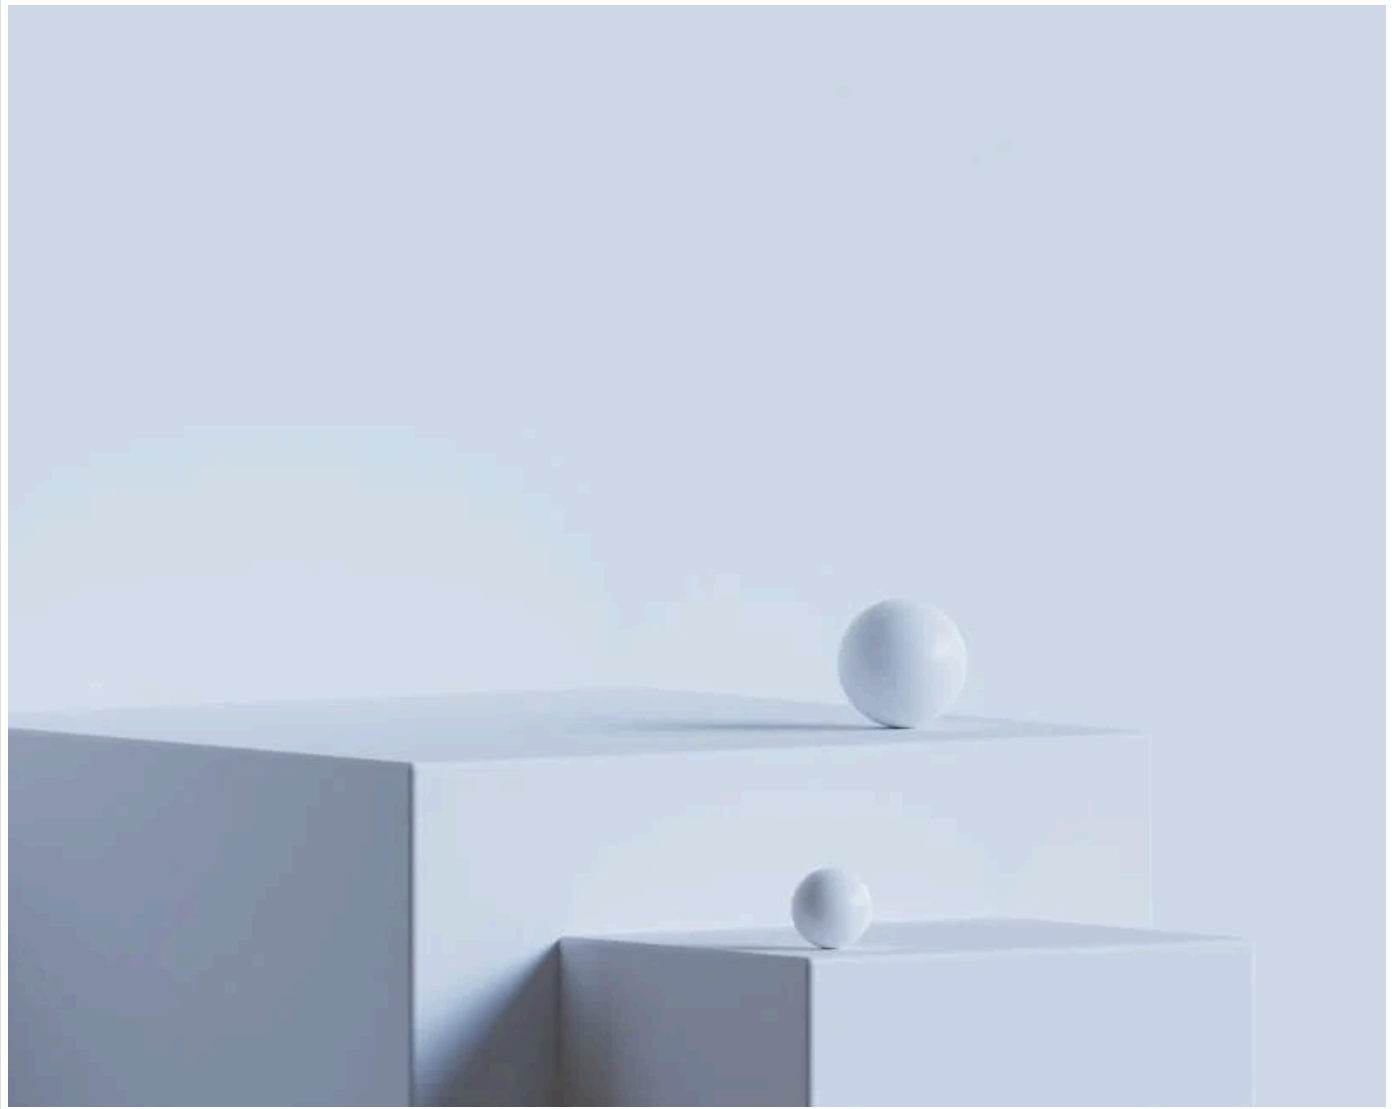

Source: <https://www.livemint.com/news/india/donald-trump-jr-visits-anant-ambanis-vantara-lauds-conservation-efforts-watch-11763815731964.html>

Work-From-Home Wave 3! Delhi's Offices & Schools Brace for Massive Remote Shift

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The Central Air Quality Management (CAQM) decision follows the Supreme Court's GRAP revisions, hinting at possible Stage 3 measures mandating remote work for many Delhi offices and schools.

Detailed analysis:

GRAP's impact on workplace policies is a vital case for public-policy and management studies, especially for aspirants targeting administrative services where environmental-economic trade-offs are examined.

Source: <https://www.livemint.com/news/india/will-delhi-private-govt-offices-shift-to-wfh-under-grap-stage-3-will-schools-go-online-details-here-11763806502336.html>

India's Sporting Legends PT Usha & Pullela Gopichand Crowned Eternal Heroes at FICCI Turf 2025!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Under the theme "Indian Sports: Forging the Path to Global Excellence," the summit united policymakers, athletes, global partners, and industry leaders.

Detailed analysis:

Lifetime Achievement Awards highlight the contribution of legends, signalling government and corporate commitment to honour sports icons—key for aspirants to understand recognition pathways and role-model impact on sports policy.

Source: <https://www.hindustantimes.com/sports/ficci-turf-2025-pt-usha-pullela-gopichand-honoured-with-lifetime-achievement-award-101763821976225.html>

'Sporting India Rising': FICCI Unveils Game-Changing Blueprint at 2025 Global Sports Summit!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

PT Usha was also awarded the FICCI Lifetime Achievement award.

Detailed analysis:

The 'Sporting India Rising' report outlines strategic interventions for infrastructure, talent identification and funding—essential knowledge for civil service exams that test sports-development policies.

Source: <https://www.hindustantimes.com/sports/ficci-turf-2025-global-sports-summit-kicks-off-with-launch-of-sporting-india-rising-knowledge-report-101763746830315.html>

Boxing Blitz! India Dominates World Cup Finals but Hidden Hurdles Loom

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

India's contingent registered 20 medals in the home World Boxing Cup Finals.

Detailed analysis:

A 20-medal haul showcases depth in boxing, yet the article notes performance gaps—useful for understanding strengths, weaknesses and policy focus areas in Indian sports.

Source: <https://www.hindustantimes.com/sports/indias-world-boxing-cup-finals-sweep-comes-with-caveats-101763746610949.html>

Ring Alert: Indian Male Boxers Lag Behind – Urgent Call for a Knockout Upgrade!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The dip in performance has been in the making for a while now but the new generation have a tough road ahead of them

Detailed analysis:

Highlights systemic issues—insufficient coaching, exposure and funding—critical for aspirants to discuss reforms and investment priorities in sports administration.

Source: <https://www.hindustantimes.com/sports/others/indias-male-boxers-need-to-up-their-game-101763745005961.html>

Silver to Gold: Teenage Archer Rahul Aims for Asian Games Glory!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

21-year-old archer Rahul surprised himself by winning individual silver and team gold at the Asian Championships, aiming for the 2026 Asian Games next.

Detailed analysis:

Spotlights emerging talent and the pipeline from continental success to major multi-sport events—illustrates talent-identification mechanisms relevant to sports policy questions.

Source: <https://www.hindustantimes.com/sports/others/after-asian-c-ships-medals-young-archer-rahul-sets-sights-on-asian-games-101763743685497.html>

Chess King Magnus Carlsen's 'Tighter Jeans' Threat – The Most Bizarre Countdown to World Blitz!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Magnus Carlsen served a hilarious reminder of the controversial jeansgate incident in last year's World Rapid and Blitz C'ships.

Detailed analysis:

Shows how even mind sports use media hooks; upcoming Rapid & Blitz championships attract viewership—useful for questions on sports promotion and commercialisation.

Source: <https://www.hindustantimes.com/sports/others/magnus-carlsen-promises-to-wear-tighter-jeans-in-hilarious-jeansgate-reminder-ahead-of-world-rapid-and-blitz-cships-101763736535448.html>

The Hidden Science That Saves Lives When Cars Crash!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Known for cushioning blows, airbags offer crucial protection to passengers. Yet, concerns regarding its safety frequently arise highlighting what the margin for safety is.

Detailed analysis:

Understanding airbag mechanisms is essential for physics and engineering sections of competitive exams. It also illustrates real-world applications of pressure-gas laws and safety engineering.

Source: <https://www.thehindu.com/children/how-do-airbags-work/article70209481.ece>

Deadly Lakes Ready to Explode – Nepal's Glacial Threat!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Women, children, and the elderly are often the most affected during disasters

Detailed analysis:

Glacial lake outburst floods (GLOFs) are a key topic in geography and disaster management. Knowing the risks helps answer questions on climate change impacts in the Himalayas.

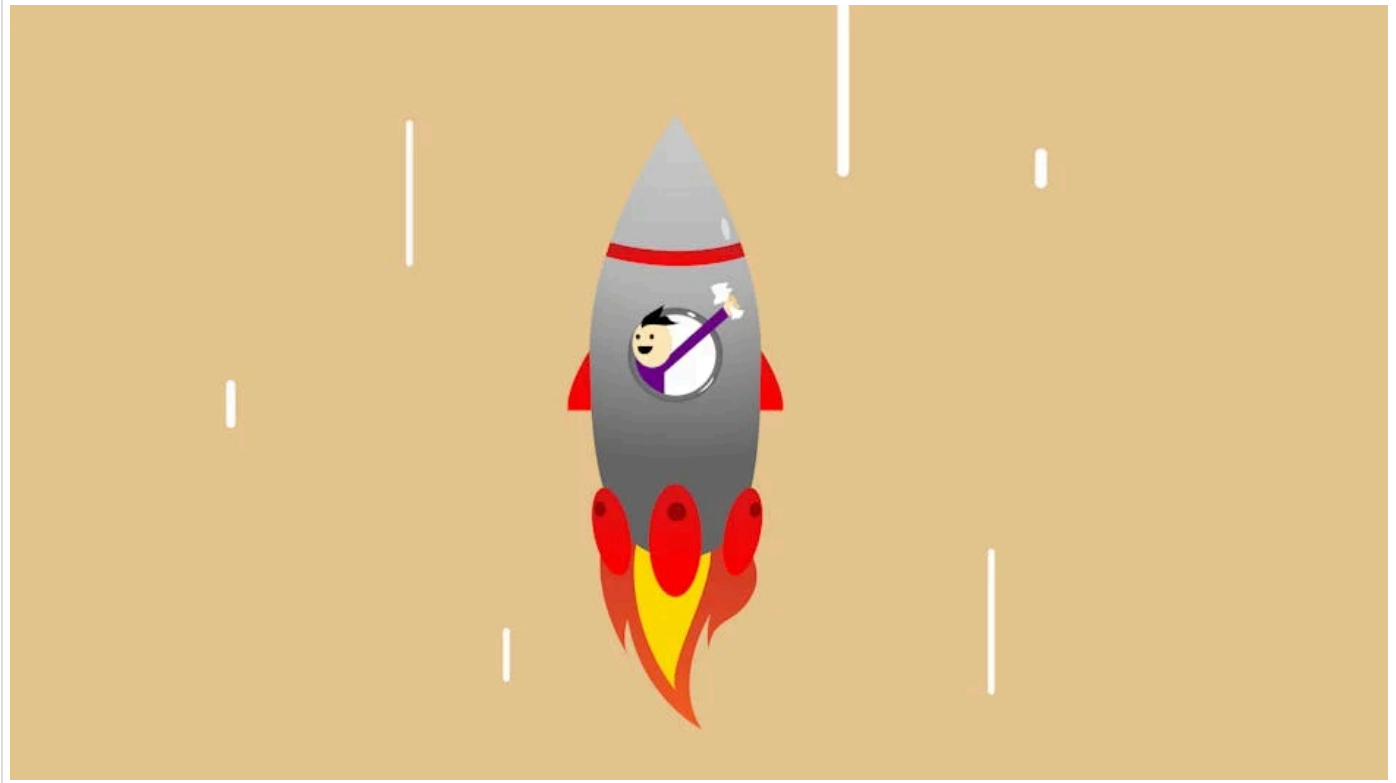

Source: <https://www.thehindu.com/sci-tech/science/42-glacial-lakes-in-nepal-at-high-risk-of-bursting-experts/article70310692.ece>

India's Rocket Dream Takes Off with ₹150 crore Boost!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

"This fundraising allows us to work on such missions while also focusing on scaling launch frequency and building for the world, from India," says CEO and co-founder, AgniKul Cosmos

Detailed analysis:

Agnikul's progress reflects India's private-sector space ambitions, relevant for current affairs and technology questions on aerospace, launch vehicles, and start-up ecosystems.

Source: <https://www.thehindu.com/news/national/tamil-nadu/space-startup-agnikul-raises-150-crore-to-fund-reusable-rockets/article70310628.ece>

Rare Bird-Flu Strain Claims Its First Human Victim in America!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The man, an older adult with underlying health conditions, was being treated for H5N5 bird flu called after becoming seemingly the first known human infected by the strain

Detailed analysis:

Emerging infectious diseases like H5N5 are vital for biology and health-policy sections. The article underscores zoonotic transmission and pandemic preparedness topics.

Source: <https://www.thehindu.com/news/international/washington-state-man-believed-to-be-first-to-die-from-rare-strain-of-h5n5-bird-flu-in-us/article70310345.ece>

Ancient Maya City Uncovers Cosmic Secrets Thousands of Years Ago!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Detailed analysis:

Archaeological discoveries about Maya astronomy are useful for history and astronomy sections, highlighting early scientific thought and cultural contributions to celestial knowledge.

Source: <https://indianexpress.com/article/technology/science/enormous-prehistoric-maya-site-found-in-mexico-reveals-early-understanding-of-the-universe-10380322/>

Breathing Trouble: How Bad Air Is Stealing Our Lungs – Join the Webinar!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The webinar will address how deteriorating air quality is impacting lung health, examining its role in rising respiratory illnesses, reduced lung function, long-term airway damage, and increased vulnerability in children and older adults, while also discussing preventive measures and clinical guidance

Detailed analysis:

Air quality is a key public-health concern in India. Understanding its impact on respiratory diseases helps answer UPSC questions on environmental health, preventive strategies, and the role of clinical guidelines. Aspirants should note the link between pollution, vulnerable groups and policy-driven interventions.

Source: <https://www.thehindu.com/news/national/tamil-nadu/webinar-to-examine-air-quality-and-its-impact-on-lung-health-to-be-held-on-november-23/article70306747.ece>

From Dream to Life-Saver: India's Liver Transplant Revolution!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

India's liver transplant story is one of adaptation, collaboration, and resilience. The next phase of this journey must focus on scaling capacity, enhancing deceased donation, and ensuring greater financial inclusivity

Detailed analysis:

Organ transplantation showcases health-system strengthening, public-private partnerships and ethical dilemmas—topics frequently asked in Mains. Knowledge of scaling capacity and deceased donation policies is vital for answering questions on healthcare infrastructure.

Source: <https://www.thehindu.com/sci-tech/health/the-evolution-of-indias-liver-transplant-programme/article70294205.ece>

Melghat Mystery: Why Infant Mortality Still Haunts Tribal Communities

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The issue of infant deaths due to malnutrition and maternal deaths due to lack of maternal healthcare has always persisted in Melghat, home to Korku tribal communities, despite the three decades of government interventions.

Detailed analysis:

Maternal and child health in tribal areas reflects gaps in service delivery, nutrition, and outreach—core to GS-2. Aspirants should focus on reasons for persistent mortality, policy shortcomings, and the need for targeted interventions under NRHM/PMJAY.

Source: <https://www.thehindu.com/sci-tech/health/why-do-infant-deaths-persist-in-the-tribal-dominated-region-of-melghat-in-maharashtra/article70295537.ece>

Deadly Bird Flu Twist: First US Death from Rare H5N5 Strain!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The man, an older adult with underlying health conditions, was being treated for H5N5 bird flu called after becoming seemingly the first known human infected by the strain

Detailed analysis:

Emerging zoonoses like H5N5 highlight the One Health approach and pandemic preparedness—topics in GS-3 and Health. Knowing transmission, risk groups and surveillance measures helps in answering questions on epidemic response.

Source: <https://www.thehindu.com/news/international/washington-state-man-believed-to-be-first-to-die-from-rare-strain-of-h5n5-bird-flu-in-us/article70310345.ece>

Delhi's Smog Saga: Air Quality Still Terrible!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

IGI airport area saw some improvement in its AQI at 7 a.m. compared to other areas, recording an AQI of 296, in the 'poor' category

Detailed analysis:

Air quality indices and their health impact are crucial for environment-health questions. Delhi's persistent smog exemplifies challenges in urban pollution control, policy implementation, and public health advisories.

Source: <https://www.thehindu.com/news/cities/Delhi/delhis-air-remains-in-very-poor-category-with-persistent-smog-despite-slight-improvement-in-aqi/article70310284.ece>

Snakebite Shock: Kerala Turns a Fatal Bite into Policy Reform!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

 Pexels Image

Summary:

Last month, Kerala declared snakebite envenomation a notifiable disease. Though snakebites are common in the State, a 2019 incident triggered a systemic overhaul. A 10-year-old girl had died of a venomous snakebite in a school in Wayanad, and people were outraged. Since then, a digital rescue network has been launched and school infrastructure upgraded. Sarath Babu George reports on Kerala's quest for zero snakebite mortality

Detailed analysis:

Making snakebite a notifiable disease shows how data-driven policy can address neglected tropical diseases. This case is relevant for questions on disease surveillance, health-system innovation, and rural health interventions.

Source: <https://www.thehindu.com/news/national/kerala/a-snakebite-that-sparked-a-change-in-kerala/article70308828.ece>

Andhra Pradesh Class 10 SSC Exam Dates Revealed – Gear Up!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The Board of Secondary Education, Andhra Pradesh (BSEAP) has released the 2025 Class 10 SSC exam timetable.

Detailed analysis:

A clear datesheet enables students to craft a focused revision calendar. Prioritize subjects with earlier dates, schedule mock exams, and maintain regular breaks to avoid burnout.

Source: <https://indianexpress.com/article/education/bseap-ssc-board-exam-2025-datesheet-andhra-pradesh-class-10th-timetable-out-bse-ap-gov-in-10318877/>

India's Alternate Investment Tsunami: Over ₹23 Lakh Crore Riding the PMS & AIF Wave!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

India's alternative investment sector is booming, with PMS and AIFs now managing over Rs 23.43 lakh crore. This remarkable growth, fueled by institutional investors and affluent individuals seeking alpha, has seen PMS assets surge sevenfold and AIF commitments skyrocket by nearly 50% annually. These investment avenues are becoming mainstream for wealth management.

Detailed analysis:

The surge in PMS and AIF assets highlights a shift toward sophisticated wealth-management tools. For UPSC and banking exams, note the scale (₹23.43 lakh crore), the seven-fold rise in PMS, and the 50% annual growth in AIF commitments – indicators of deepening financial market depth and investor confidence.

Source: <https://economictimes.indiatimes.com/markets/stocks/news/rs-23-lakh-crore-boom-pms-and-aifs-power-indias-alternate-investment-transformation/articleshow/125502858.cms>

Gold Glitters Amid Turbulence: 1% Rise Sparks Investor Frenzy!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Gold prices have shown resilience this week, ending with a modest gain. The Indian Rupee's record low against the Dollar is creating new challenges for traders. Experts anticipate continued volatility in the coming week. Gold is expected to trade within a specific range. Strong US jobs data has reduced expectations for a December Federal Reserve rate cut, impacting global sentiment.

Detailed analysis:

Gold's 1% rise amid a weak rupee and uncertain Fed policy underscores its safe-haven appeal. Exam takers should link currency depreciation, Fed rate expectations, and commodity price movements – a classic macro-economics triad useful for both prelims and mains questions.

Source: <https://economictimes.indiatimes.com/markets/commodities/news/gold-prices-gain-1-in-a-volatile-week-whats-in-it-for-investors-starting-monday/articleshow/125501942.cms>

Gig Giants Say New Labour Code Won't Cripple Business – Eternal's Bold Claim!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Eternal, a food delivery and quick-commerce platform, has stated that the new social security code will not negatively impact its long-term business prospects. The company is actively seeking clarity from the government on the exact financial and operational implications. Eternal anticipates these changes and is committed to the well-being of its gig workers, already providing insurance and welfare benefits.

Detailed analysis:

The statement reflects how the new social security code targets gig economies. For competitive exams, focus on the code's intent (social security for contract workers), corporate response strategies, and potential fiscal impact on the gig sector.

Source: <https://economictimes.indiatimes.com/markets/stocks/news/no-detrimental-long-term-impact-of-gig-worker-code-engaging-with-govt-eternal-tells-shareholders/articleshow/125504754.cms>

Grab Your Gratuity Early! New Labour Code Lets Workers Cash In After Just 1 Year!

Summary:

New labour code: Amid several path breaking changes that are announced in these labour reforms, one of the noticeable ones is the provision of early gratuity which employees will be entitled to after one year of service.

Detailed analysis:

The early gratuity provision lowers the vesting period to one year, a major shift from the previous 5-year rule. Candidates should remember the eligibility criteria, beneficiary definition, and its impact on employer cash-flow planning – all frequent topics in GK and banking exams.

Mutual Fund Tax Secrets Unveiled: Know Exactly What You'll Pay!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

How much capital gains tax is levied on the sale of mutual funds depends on two factors – holding period and category of mutual fund. We deconstruct the nuances here

Detailed analysis:

Capital gains tax varies by fund type (equity-linked vs debt) and holding period (short-term vs long-term). For exams, recall: equity funds – 15% STCG, 10% LTCG over ₹1 lac; debt funds – 30% STCG, 20% LTCG over ₹1 lac. This knowledge is crucial for finance-related GK questions.

Big Money Moves: Aditya Kumar Halwasiya Snags ₹71 Cr Stake in Karnataka Bank!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Aditya Kumar Halwasia acquired 38 lakh shares in Karnataka Bank for Rs 71 crore, a deal executed at a premium. The smallcap lender, supported by Quant Mutual Fund, saw its stock jump nearly 8% amid significant volume spikes. Karnataka Bank's net profit improved quarter-on-quarter, while NPAs moderated.

Detailed analysis:

The bulk purchase signals confidence in the banking sector's recovery and highlights Quant MF's backing. Exam-relevant points: premium acquisition, stock reaction (+8%), improving NPAs, and Q4 profit upswing – useful for banking-sector case studies and current affairs.
