

CM Himanta Sarma Slams Congress Over Triple-Passport Scandal of His Wife!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

After Congress claims on his wife, Himanta Sarma pointed out six anomalies that included mismatch in name, UAE ID, and nationality

Detailed analysis:

The Assam chief minister's rebuttal underscores the use of personal attacks in inter-party battles. For UPSC/IAS aspirants, it highlights how regional leaders defend credibility and the importance of scrutinising documentary evidence in political controversies.

Source: <https://www.ndtv.com/india-news/himanta-sarma-responds-after-congress-claims-his-wife-holds-3-passports-11314238#publisher=newsstand>

Modi Brands Malda Incident as Trinamool's 'Maha Jungleraj' – A Political Firestorm!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Addressing his first election rally in Cooch Behar district after the announcement of polls last month, PM Modi said the entire country had seen how judicial officers were held hostage in Malda.

Detailed analysis:

Modi's statement links a local law-and-order issue to the broader narrative of opposition misconduct, a tactic often examined in civil services interviews under 'political communication' and 'public perception management'.

Source: <https://www.ndtv.com/india-news/what-happened-in-malda-is-example-of-trinamools-maha-jungleraj-pm-modi-11314554#publisher=newsstand>

Amit Shah Claims Kerala Vote Will Shape India's Future, Not Just State Power!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Amit Shah said that NDA vote share in Kerala increased since 2014 Lok Sabha polls and its time for a government of the BJP-led front in the state.

Detailed analysis:

Shah's narrative aims to portray BJP's growing foothold in a traditionally Congress-led state. Understanding such electoral strategies is crucial for essay writing on Indian politics in competitive exams.

Source: <https://www.ndtv.com/india-news/kerala-polls-not-to-change-government-but-to-improve-future-amit-shah-11314239#publisher=newsstand>

Air India Halts All Israel Flights Until End-May as Iran-Israel Tensions Escalate!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Most of the leading airlines have suspended their operations on the Tel Aviv route with only Israeli carriers like El Al, IsraAir, Arkia and Air Haifa operating under severe restrictions.

Detailed analysis:

The suspension reflects how geopolitical conflicts directly affect Indian civil aviation and passenger safety. Exam takers should note the impact of foreign policy crises on national transport infrastructure.

Source: <https://www.ndtv.com/india-news/israel-iran-war-air-india-stops-flights-to-israel-till-may-31-amid-iran-war-11314792#publisher=newsstand>

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

While the Centre has reduced excise duty on petrol and diesel, states did not reduce their VAT/Sales tax on petroleum products.

Detailed analysis:

The article illustrates fiscal federalism challenges during global oil price spikes. Candidates should understand the distinction between central excise duties and state GST, a common UPSC economics topic.

Source: <https://www.ndtv.com/india-news/iran-war-crude-oil-prices-middle-east-war-petrol-diesel-should-petrol-diesel-be-under-gst-war-impact-on-crude-raises-big-question-11314057#publisher=newsstand>

Trump Claims Iran Deal Looms in 24 Hours as Middle East Tensions Explode!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Oman, Iran hold talks on Strait of Hormuz, says Omani State news agency; Israeli intelligence helped U.S. airman rescue mission in Iran, says official

Detailed analysis:

The ongoing Iran-Israel conflict threatens global oil routes, especially the Strait of Hormuz. Aspirants should note the geopolitical ripple effects on energy security and US diplomatic maneuvers, which are frequent UPSC GS topics.

Source: <https://www.thehindu.com/news/international/iran-israel-war-west-asia-conflict-april-5-2026-live-updates/article70825713.ece>

Humanitarian Crisis Hits Critical Mass as War Chokes Lifelines to Millions!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Key pathways such as the Strait of Hormuz have been effectively shuttered and routes from strategic hubs such as Dubai, Doha and Abu Dhabi have also been impacted; transport costs have spiked with higher fuel and insurance rates, meaning less supplies can be delivered with the same amount of money.

Detailed analysis:

The article highlights supply-chain disruptions and rising logistics costs, underscoring the importance of studying international trade routes and humanitarian law for the civil services exam.

Source: <https://www.thehindu.com/news/international/aid-groups-warn-war-in-west-asia-is-hindering-food-medicine-from-reaching-millions/article70826198.ece>

Drone Blitz Sets Russian Oil Hub Ablaze, Sparks Global Fuel Panic!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Ukraine has stepped up attacks on Russian infrastructure targets in recent months

Detailed analysis:

Targeting of Russian energy assets raises questions about energy security, sanctions, and the strategic use of drones—key themes for GS Paper II (International Relations) and economics.

Source: <https://www.thehindu.com/news/international/russia-says-ukraine-attack-damages-oil-pipeline/article70826075.ece>

NASA's Moon Mission Relies on Human Vision – No Robots Allowed!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Despite the technological advancements since the Apollo missions, NASA still relies on the eyesight of its astronauts to learn more about the Moon

Detailed analysis:

The mission underscores India's growing interest in lunar exploration and the need to understand space policy, technology transfer, and scientific research methods for the UPSC optional of Science & Tech.

Source: <https://www.thehindu.com/sci-tech/science/artemis-astronauts-to-study-the-moons-surface-using-mainly-their-eyes/article70826247.ece>

Riverside Blaze Tamed – 75% Contained After Fiery Rampage!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Encompassing roughly 16 square kilometres in Riverside County, about 103 kilometres east of Los Angeles, the Springs Fire was no longer growing and at least 75% contained Saturday (April 4), said Terra Fernandez, public safety information specialist for the Riverside County Fire Department.

Detailed analysis:

Wildfires illustrate climate-change impacts, disaster management protocols, and inter-agency coordination—core topics for GS Paper III (Environment) and the IAS Mains essay.

Source: <https://www.thehindu.com/news/international/southern-california-wildfire-mostly-contained-as-officials-lift-many-evacuation-orders/article70825890.ece>

Zelenskyy Warns: Prolonged Middle-East Conflict May Drain Ukraine Aid!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Ukraine desperately needs more U.S.-made Patriot air defence systems to help it counter Russia's daily barrages, Mr. Zelenskyy said, speaking to The Associated Press in an interview on April 4, in Istanbul.

Detailed analysis:

The statement links two major theatres—West Asia and Eastern Europe—highlighting geopolitical resource allocation, a critical concept for the UPSC optional of International Relations.

Source: <https://www.thehindu.com/news/international/a-long-war-in-west-asia-could-take-away-support-for-ukraine-says-zelenskyy/article70825968.ece>

FOREIGN FUNDS FLEE! MASSIVE SELL-OFF DRAGS INDIAN EQUITIES

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Analysts observed that heightened geopolitical threats, increasing energy costs, and currency devaluations have fostered a challenging climate for overseas capital.

Detailed analysis:

A sharp outflow by foreign portfolio investors signals reduced confidence in Indian equities, likely pressuring the NIFTY and Sensex lower. Candidates should note how geopolitical risk, oil price volatility and exchange-rate movements can trigger capital flight and affect fiscal and monetary policy decisions.

Source: <https://www.livemint.com/news/india/fpis-maintain-intense-selling-in-indian-stocks-in-april-as-geopolitical-tensions-dampen-investor-sentiments-11775390631239.html>

LPG PANDEMIC! GOVERNMENT FLOODS MARKET WITH 6.6 LAKH CYLINDERS

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The availability of 5-kg cylinders, sold across-the-counter at LPG distributorships on showing valid ID proofs, has been stepped up.

Detailed analysis:

Increasing LPG availability curtails price spikes in household energy, helping curb inflation. For exam takers, understand how strategic stock-piling of essential commodities ties into price-stability objectives of the Ministry of Petroleum and the RBI's inflation targeting framework.

Source: <https://www.livemint.com/news/india/govt-ramps-up-lpg-supply-to-meet-demand-6-6-lakh-sold-in-14-days-11775401208643.html>

ONE COMPLAINT, ₹300 CRORE CYBER-FRAUD NETWORK BUSTED!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Delhi Police dismantled a major international cyber fraud racket linked to over 2,000 complaints and scams exceeding ₹300 crore. The alleged mastermind was arrested along with 10 others, revealing a network tied to international syndicates and over 260 bank accounts from fictitious companies.

Detailed analysis:

The case highlights growing cyber-crime risks to the banking sector and the importance of robust digital security norms. Aspirants should note how such frauds affect the financial system, trigger regulatory responses (e.g., RBI guidelines) and influence investor confidence.

Source: <https://www.livemint.com/news/india/how-a-delhi-resident-s-31-lakh-fraud-complaint-helped-uncover-300-cr-international-cyber-fraud-syndicate-11775385463195.html>

LIQUOR SCANDAL SHOCK! KEJRIWAL SEEKS COURT RELIEF

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Delhi Liquor 'scam': Former Delhi CM Arvind Kejriwal and other accused filed a recusal application before Justice Swarn Kanta Sharma in High Court. AAP spokesperson confirmed Kejriwal will personally appear and argue tomorrow.

Detailed analysis:

The case involves alleged irregularities in liquor licensing revenue, a key source of state finances. Understanding the fiscal impact of such scams, and the legal-political interplay, is vital for UPSC and banking exams where public finance and governance are tested.

Source: <https://www.livemint.com/news/india/delhi-liquor-scam-arvind-kejriwal-other-former-accused-move-recusal-application-in-high-court-11775399855434.html>

TRUMP'S THREAT: HORMUZ CLOSURE WILL UNLEASH POWER-PLANT & BRIDGE BOMBARDMENT!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

In a post on Truth Social, Trump said: “Tuesday will be Power Plant Day, and Bridge Day, all wrapped up in one, in Iran... Open the Strait... or you’ll be living in Hell.”

Detailed analysis:

Tensions over the Strait of Hormuz can disrupt global oil flows, influencing crude prices and India’s import bill. Exam candidates should link such geopolitical flashpoints to balance-of-payments, external debt servicing and the RBI’s forex management.

Source: <https://www.livemint.com/news/us-news/trump-issues-stark-warning-to-iran-reopen-strait-of-hormuz-or-face-us-strikes-on-power-plants-and-bridges-on-tuesday-11775393001871.html>

AIRPORT MAYHEM! 5,600 US FLIGHTS STUCK DURING EASTER

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

As per the FlightAware data, the US airports saw as many as 5,600 and nearly 500 flight cancellations on Saturday, day after Good Friday.

Detailed analysis:

Large-scale flight disruptions affect airline revenue, cargo logistics and fuel demand, with ripple effects on global travel-related stocks. Understanding such operational shocks helps in assessing sectoral risk for banking and insurance exams.

Source: <https://www.livemint.com/news/us-news/easter-travel-chaos-grips-us-5-600-flights-delayed-hundreds-cancelled-as-major-airports-reel-under-pressure-11775397625778.html>

Surprise Upset! Four States Dominate Sub-Junior Women's Hockey Championship!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Punjab, UP, Bengal, Arunachal win in Sub Junior Women Hockey National C'ship

Detailed analysis:

The victory highlights the rising standards of women's hockey across multiple Indian states, reflecting the success of grassroots programmes. Such results are frequently cited in sports-quota examinations and can be asked in questions on regional performance trends.

Source: <https://www.hindustantimes.com/sports/hockey/punjab-up-bengal-arunachal-win-in-sub-junior-women-hockey-national-cship-101775398191170.html>

Shocking 0-5 Rout! India's U-20 Women Crushed by Australia

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

India lose 0-5 to Australia in AFC U20 Women's Asian Cup

Detailed analysis:

The heavy defeat underscores the gap between India and top Asian nations at the youth level, prompting calls for better coaching and exposure. Exam takers should note the tournament's significance for senior team selection and development pathways.

Source: <https://www.hindustantimes.com/sports/football/india-lose-0-5-to-australia-in-afc-u20-women-s-asian-cup-101775394488068.html>

Lightning Bolt! Rohan Ghosh Topples Veteran in 100m Sprint

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The Delhi State Open Athletics Championships sees 2,100 athletes competing, including participants from various states, showcasing intense competition.

Detailed analysis:

Rohan Ghosh's win signals a new generation challenging established athletes, a trend relevant to questions on talent scouting and performance benchmarks in Indian athletics. The Delhi Open is a key feeder meet for national championships.

Source: <https://www.hindustantimes.com/sports/others/delhi-open-rohan-ghosh-beats-ex-national-record-holder-amiya-mallick-in-100m-101775323464544.html>

Teen Tennis Star Vaishnavi Adkar Set to Storm Global Courts

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The 21-year-old, who has taken big steps in singles, will for the first time, play in the Billie Jean King Cup team event

Detailed analysis:

Adkar's entry into the Billie Jean King Cup showcases India's growing presence in women's tennis, a point often examined in sports-policy questions. Her trajectory illustrates the pathway from national events to international representation.

Source: <https://www.hindustantimes.com/sports/tennis/vaishnavi-adkar-gears-up-for-the-grind-of-international-circuit-101775321363929.html>

Kochhar Breaks Barriers – Tied 5th in Elite International Golf Series!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Kochhar registers career-best finish at International Series with Tied-5th

Detailed analysis:

A top-5 finish in an International Series event marks a milestone for Indian golf on the world stage, useful for questions on Indian athletes breaking into global rankings. It also reflects the impact of recent PGA-Tour collaborations with Indian players.

Source: <https://www.hindustantimes.com/sports/others/kochhar-registers-career-best-finish-at-international-series-with-tied5th-101775387736286.html>

Cousins Overtakes Brady – Becomes NFL's Third-Highest Earner!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Kirk Cousins surpasses Tom Brady in NFL earnings, now third overall with \$341 million.

Detailed analysis:

Cousins' contract illustrates the financial dynamics of the NFL's salary structure, a topic occasionally referenced in comparative sports-economics questions. Understanding such earnings trends helps in answering queries on athlete remuneration across leagues.

Source: <https://www.hindustantimes.com/sports/us-sports/kirk-cousins-beats-tom-brady-in-elite-list-after-lucrative-las-vegas-raiders-contract-101775244071714.html>

NASA's Moon Mission: Astronauts Set to Zoom Past the Moon Like Super-Heroes!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The astronauts have had geology training in order to be able to photograph and describe lunar features, including ancient lava flows and impact craters.

Detailed analysis:

Key for UPSC and other exams: demonstrates India's focus on space diplomacy, highlights NASA's crew-centric training, and underscores the scientific value of visual geology from lunar orbit—useful for questions on space policy and planetary science.

Source: <https://www.thehindu.com/sci-tech/science/artemis-ii-astronauts-preparing-for-historic-lunar-flyby/article70824692.ece>

No Gadgets Needed! Moonwalkers Will Rely Solely on Their Vision to Map the Lunar Landscape

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Despite the technological advancements since the Apollo missions, NASA still relies on the eyesight of its astronauts to learn more about the Moon.

Detailed analysis:

Emphasizes human observation in modern space missions, a contrast to AI-driven data collection. Relevant for questions on space exploration strategies and the role of human factors in scientific missions.

Source: <https://www.thehindu.com/sci-tech/science/artemis-astronauts-to-study-the-moons-surface-using-mainly-their-eyes/article70826247.ece>

India's High-Altitude 'Astronaut Boot-Camp' Pushes Human Limits for Gaganyaan!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Scientific data generated on crew performance and human factors will contribute directly to the Gaganyaan programme and future long-duration mission, ISRO has said.

Detailed analysis:

Shows ISRO's indigenous human-spaceflight preparedness. Important for Indian space policy, Gaganyaan timeline, and the physiological challenges of space travel—common topics in competitive exams.

Source: <https://www.thehindu.com/sci-tech/health/isro-launches-mission-in-ladakh-to-test-mental-physical-strengths-of-astronauts/article70822968.ece>

Science Shock: 60-70% of Studies Can't Be Re-Done—Is Everything a Mirage?

Image 1 (Real):

Image 2 (Pexels):

Summary:

The scientific issue of 'reproducibility crisis' points to how about 60-70% of scientists cannot reproduce results from their own or others' experiments described in journal-published and peer-reviewed studies.

Detailed analysis:

Crucial for UPSC and other exams covering research methodology, ethics, and evidence-based policy. Highlights challenges in social sciences that affect policy formulation and evaluation.

Source: <https://www.thehindu.com/sci-tech/science/questions-arise-over-reproducibility-in-social-behavioural-sciences/article70826579.ece>

Lost Underwater City? Gujarat's Dwarka Basin Holds Secrets of an Ancient Civilization!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The Basin is a significant geological and archaeological region located off the coast of Gujarat.

Detailed analysis:

Links geology with archaeology, useful for geography and history papers. Highlights marine geology, sediment studies, and heritage conservation—topics appearing in the environment and culture sections of exams.

Source: <https://www.thehindu.com/sci-tech/science/dwarka-basin-an-ancient-haven/article70779514.ece>

Octopus Love-Tool: The Bizarre 'Mating Arm' That Makes Them the Ultimate Romantics of the Deep!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Detailed analysis:

Focuses on the hectocotylus, a specialized arm for sperm transfer, illustrating adaptation and reproductive strategies. Relevant for biology sections dealing with animal physiology and evolutionary innovation.

Source: <https://www.thehindu.com/sci-tech/science/why-do-octopuses-have-the-hectocotylus/article70826373.ece>

Multivitamin Miracle: Boost Brain Power in Seniors!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Multivitamins may offer modest cognitive and ageing benefits in older adults, challenging long-held beliefs that supplements are ineffective

Detailed analysis:

Highlights emerging evidence on nutritional supplements for ageing, a topic frequently asked in nutrition sections of health and biology exams.

Source: <https://www.hindustantimes.com/health/should-you-take-multivitamins-101775390542478.html>

Vertigo Epidemic: Millions Suffering Dizziness!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

An estimated 15% to over 20% of adults experience vertigo or dizziness each year, with prevalence peaking in the 55-64 years age group

Detailed analysis:

Emphasises the growing public-health burden of vestibular disorders and the need for better diagnostic protocols—key for preventive health and physiology curricula.

Source: <https://www.thehindu.com/news/national/karnataka/as-vertigo-cases-rise-specialists-raise-concerns-over-diagnostic-gaps/article70823557.ece>

Doctor Assault Shocks Kerala After Maternal Death!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Detailed analysis:

Illustrates challenges of healthcare safety and medico-legal issues, subjects relevant to public health policy and ethics questions in exams.

Source: <https://www.thehindu.com/news/national/kerala/medical-fraternity-in-shock-after-attack-on-doctor-following-maternal-death/article70823400.ece>

Space Fitness Test: ISRO Sends Astronauts to Ladakh!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Scientific data generated on crew performance and human factors will contribute directly to the Gaganyaan programme and future long-duration mission, ISRO has said

Detailed analysis:

Links human physiology, psychology and space technology—areas often covered in science and technology sections of competitive exams.

Source: <https://www.thehindu.com/sci-tech/health/isro-launches-mission-in-ladakh-to-test-mental-physical-strengths-of-astronauts/article70822968.ece>

Child Suicide Trauma: Parents and Doctors Haunted!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The study finds that parents experience intense and prolonged grief marked by guilt, self-blame, and a persistent search for answers, while mental health professionals experience a parallel emotional burden.

Detailed analysis:

Sheds light on mental health repercussions, a growing focus in psychology and social welfare syllabus for government examinations.

Source: <https://www.thehindu.com/news/national/karnataka/nimhans-review-flags-enduring-impact-of-child-suicides-on-parents-mental-health-professionals/article70819816.ece>

Defensiveness Detox: Master Your Emotions!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

As you cannot change how another person feels, your best bet is to try and tame your own emotions

Detailed analysis:

Provides practical psychological strategies useful for personality development and interview preparation, common in aptitude and reasoning sections.

Source: <https://www.thehindu.com/education/how-to-deal-with-defensiveness/article70802560.ece>

Why Trend-Hunting Fails and Value Investing Wins!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The global stock market landscape has become increasingly complex, shaped by macroeconomic uncertainty, geopolitical risks, and shifting liquidity conditions. Yet, amid this volatility, timeless investing principles, such as those advocated by Joel Greenblatt offer a structured lens to interpret market behavior and identify opportunities.

Detailed analysis:

For exam takers, the article reinforces the importance of value-based frameworks (e.g., Greenblatt's formula) over short-term trend chasing. It links macro-risk factors—geopolitics, liquidity—to the need for intrinsic-value assessment, a frequent topic in economics and finance papers.

Source: <https://economictimes.indiatimes.com/markets/stocks/news/chasing-trends-or-buying-value-the-strategy-that-wins-over-time/articleshow/130034440.cms>

Grab Your PF Anywhere: ATM & UPI Magic!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

EPFO 3.0 features: One of the most significant changes under EPFO 3.0 is the availability of the option to withdraw PF money using ATM and UPI.

Detailed analysis:

The reform expands digital access to retirement savings, aligning with India's push for financial inclusion. Candidates should note the eligibility criteria, transaction limits, and how this reduces cash-handling risks—key points for banking and finance sections of competitive exams.

Source: <https://www.livemint.com/money/personal-finance/pf-withdrawal-rules-under-epfo-3-0-how-much-of-your-pf-balance-can-you-withdraw-using-atm-and-upi-11775380265393.html>

New Gratuity Rules: Employers Must Pay After 1 Year!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

There are significant changes in gratuity rules for fixed-term employees. Employers are now required to pay gratuity on termination of contract of such employees after completion of one year of service.

Detailed analysis:

The update broadens gratuity coverage to contract workers, a move toward social security equity. Exam aspirants should remember the 1-year threshold, calculation formula (15 days' wages per year of service), and its impact on employer cost-structures.

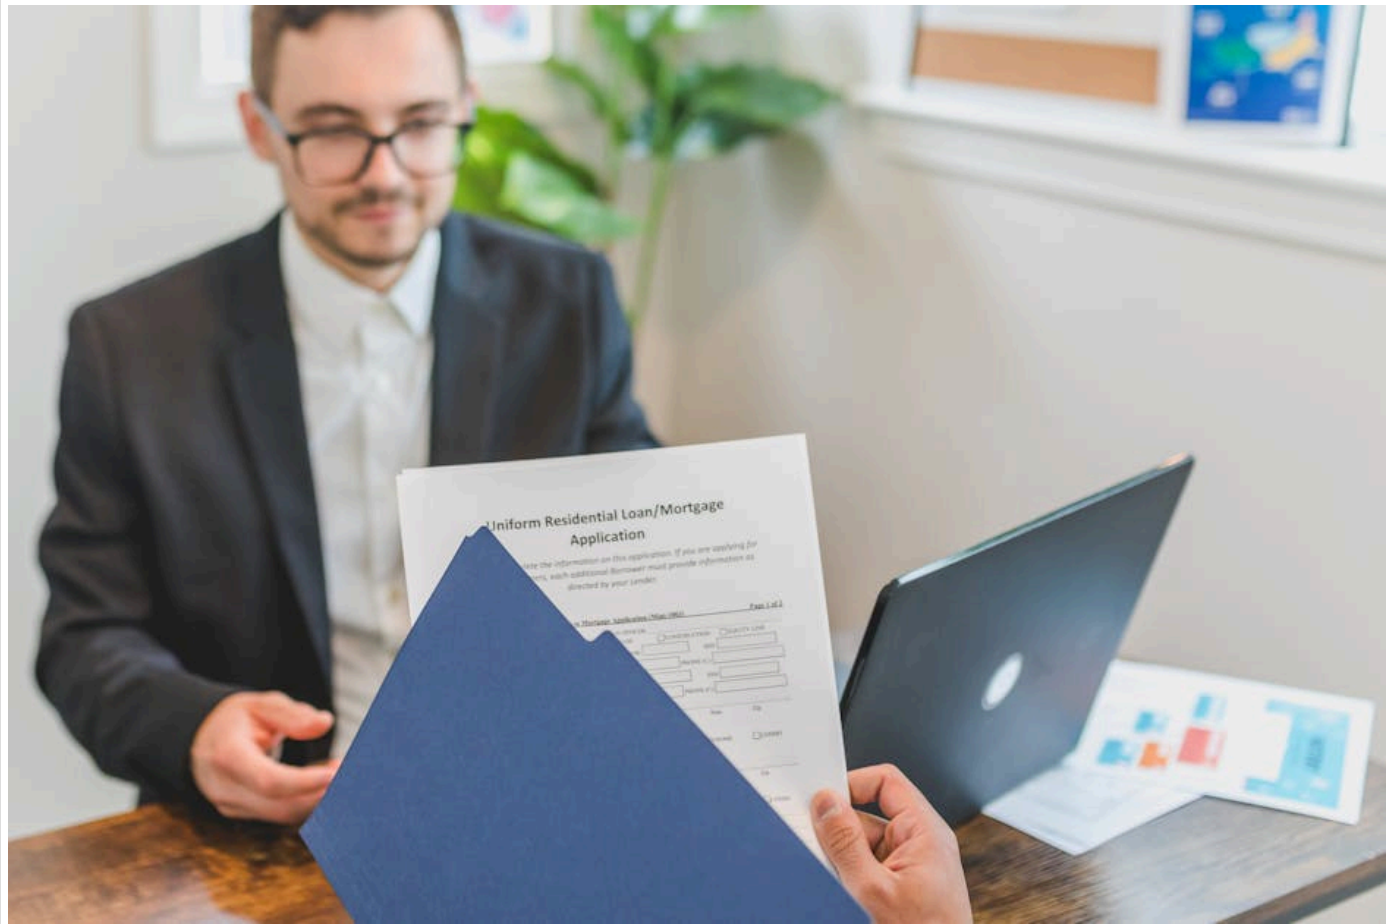

Source: <https://www.livemint.com/money/personal-finance/gratuity-payment-what-are-the-new-rules-how-is-gratuity-calculated-key-faqs-answered-11775372344386.html>

Unlock Your PPF: Low-Cost Loans at Your Fingertips!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

A loan against PPF is a facility available to all account holders who are not yet eligible for premature withdrawals. It allows you to borrow money against your PPF balance at a nominal interest rate

Detailed analysis:

The scheme provides a low-interest credit line, encouraging savings while meeting liquidity needs. Important for exams: eligibility (5-year lock-in completed), interest rate ceiling (typically 7-8%), and repayment schedule tied to PPF maturity.

Source: <https://www.livemint.com/money/personal-finance/loan-against-ppf-what-is-it-who-can-avail-loan-against-public-provident-fund-interest-rates-and-how-to-repay-11775366478999.html>

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Amid the US- Iran war, trade disruptions and energy uncertainties, a common question persists: does this environment warrant a portfolio rethink?

Detailed analysis:

The piece stresses asset allocation shifts—greater weight to defensive sectors, commodities, and sovereign bonds—during geo-political stress. Candidates should link this to concepts of systematic risk, beta, and the role of safe-haven assets in macro-economics.

EPFO 3.0: Pension Payouts Go Auto in 2026!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

EPFO 3.0 represents a comprehensive digital overhaul of the retirement fund's IT infrastructure, with full implementation expected by mid-2026

Detailed analysis:

The digital overhaul reduces processing time, curbs leakages, and integrates Aadhaar-based verification. For exams, focus on the shift from manual to automated settlements, timelines, and expected impact on the fiscal health of the EPFO corpus.

BSF proposes deadly river guardians: snakes and crocs to stop border breaches!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Parts of the Bangladesh border are prone to floods and the topography makes it difficult to erect fences

Detailed analysis:

Highlights a novel, wildlife-based security measure linking flood-prone riverine ecology with border management – a useful case study for environment-policy and disaster-management sections of civil services exams.

Tigers under fire: Experts accuse govt of colonial-era cruelty!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Madhya Pradesh, a State with the country's largest tiger population, recorded 55 tiger deaths last year, the highest in a single year since Project Tiger was launched in 1973

Detailed analysis:

Serves as a critical commentary on wildlife conservation policies, exposing gaps in current tiger protection strategies—key for questions on biodiversity, wildlife law and policy reforms in exams.
