Image 2 (Pexels):

Summary:

The Kerala High Court on Friday directed the Travancore Devaswom Board (TDB) to take immediate steps to ban the sale of chemical kumkum at Sabarimala, citing concerns over environmental degradation during the annual pilgrimage season.

Detailed analysis:

Shows interplay of environmental law, religious tourism, and state intervention—relevant for polity and environmental studies.

Source: <https://www.ndtv.com/kerala-news/kerala-orders-ban-on-chemical-kumkum-plastic-shampoo-sachets-at-sabarimala-9594388#publisher=newsstand>

Horrific Murder Shock: Teen's Headless Body Discovered!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The beheaded body of a 17-year-old girl was found in Jharkhand's Dumka district, police said on Friday.

Detailed analysis:

Important for crime & law-and-order updates. Reflects challenges of policing in tribal areas and the need for swift investigation, a recurring UPSC topic.

Source: <https://www.ndtv.com/india-news/beheaded-body-of-17-year-old-girl-found-in-jharkhands-dumka-9594625#publisher=newsstand>

Chaos in the Skies! 800 Flights Delayed as Airport Systems Crash

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

As delays continued at New Delhi's Indira Gandhi International Airport on Friday, the Centre has ruled out a cyber attack, clarifying that the ongoing flight disruptions have happened due to a technical glitch with the Automatic Message Switching System (AMSS) which is used on Air Traffic Control (ATC).

Detailed analysis:

Reveals critical infrastructure vulnerability and government response mechanisms—key for governance and technology sections of competitive exams.

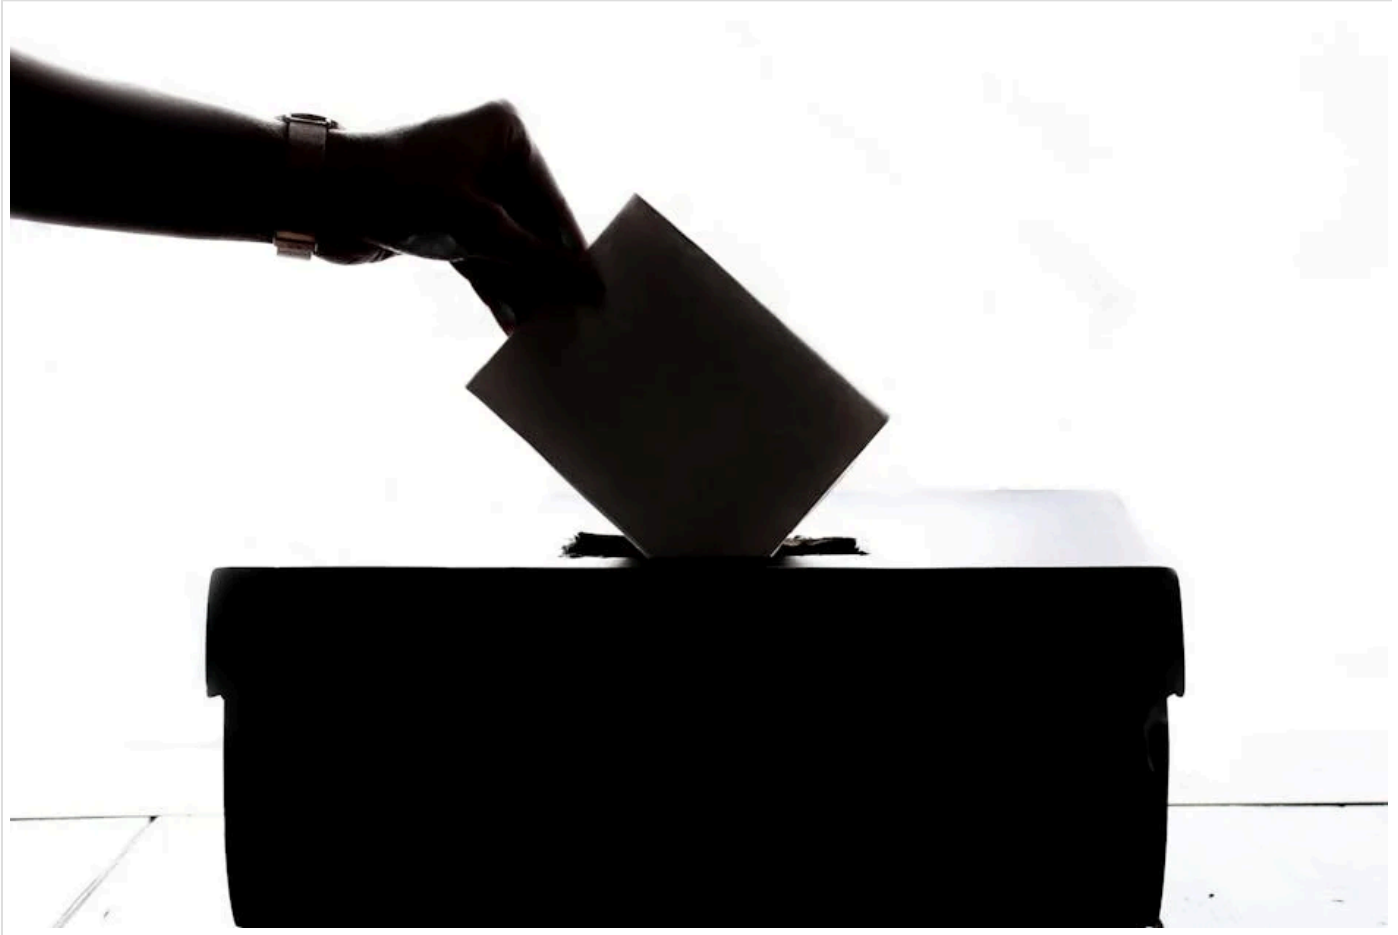

Source: <https://www.indiatvnews.com/news/india/delhi-airport-technical-glitch-centre-rules-out-cyber-attack-after-air-traffic-snag-hits-over-800-flights-2025-11-07-1016362>

Amit Shah Vows to Flush Out Illegal Immigrants from Bihar!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Union Home Minister Amit Shah today told NDTV the National Democratic Alliance (NDA) will sweep Bihar and that is evident from the huge crowds that turned up at every rally.

Detailed analysis:

Highlights central government's immigration stance and electoral strategy in Bihar—pertinent for polity, internal security, and current affairs.

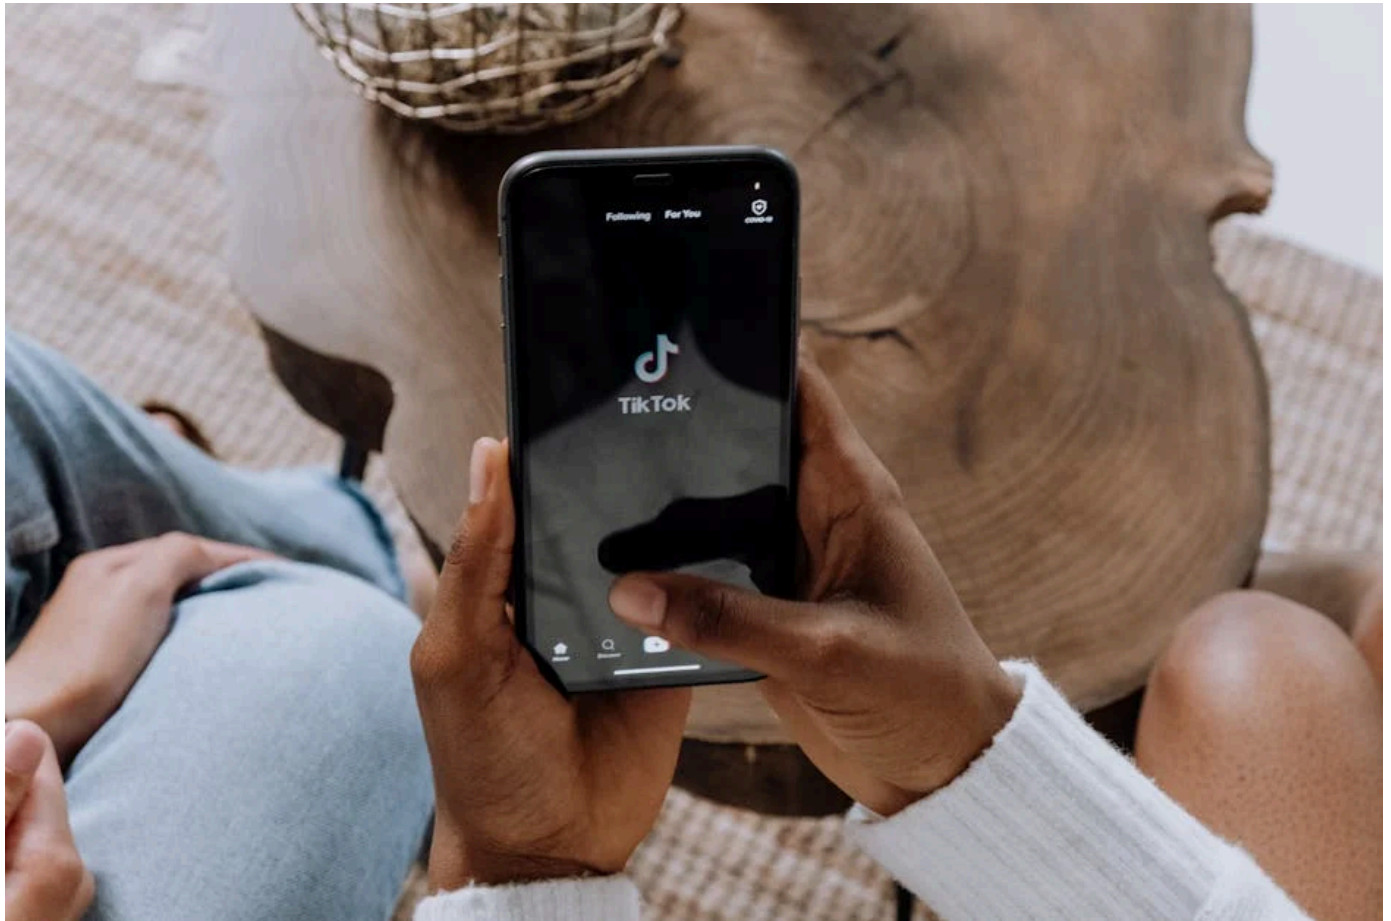

Source: <https://www.ndtv.com/india-news/will-clean-seemanchal-of-illegal-immigrants-amit-shah-to-ndtv-9594640#publisher=newsstand>

Denmark to Lock Kids Out of Instagram – Social Media Ban for Under-15s!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The Danish government stated that a coalition of parties from both the right and left emphasises that children should not be left alone in a digital world filled with harmful content and commercial interests alone.

Detailed analysis:

The move reflects a growing global trend of regulating digital platforms to protect minors. For Indian exam aspirants, it underscores the importance of understanding how policy decisions on technology can impact society and may inspire similar debates in India on online safety and child rights.

Source: <https://www.thehindu.com/news/international/denmarks-government-aims-to-ban-access-to-social-media-for-children-aged-under-15/article70253518.ece>

Moscow Poised to Send Troops and Jets to Venezuela – A New Cold War Flashpoint!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Venezuelan President Nicolas Maduro has appealed to Moscow for military support, including repairs to Russian-made Sukhoi fighter jets, upgrades to radar systems, and the delivery of missile systems.

Detailed analysis:

The Russia-Venezuela defence tie-up highlights shifting alliances in the Global South, a topic frequently examined in geopolitics sections of civil services exams. Understanding such partnerships helps gauge India's strategic positioning in Latin America and its own defence diplomacy.

Source: <https://www.thehindu.com/news/international/russia-says-its-ready-to-respond-to-venezuelas-appeal-for-help/article70252413.ece>

Bomb Blast Terror Strikes Jakarta School Mosque – 55 Wounded!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The cause of the blasts was not immediately known but they came from near the mosque's loudspeaker.

Detailed analysis:

Incidents of unexplained explosions in educational institutions raise concerns about campus security and radicalisation. For Indian exams, it emphasizes the need to study internal security challenges and counter-terrorism measures in neighboring countries.

Source: <https://www.thehindu.com/news/international/explosions-mosque-school-jakarta-indonesia-nov-7-2025/article70252248.ece>

Deadly Power-Plant Collapse in South Korea Claims Lives – Massive Rescue Ops Underway!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Two other workers had been located under the rubble and were presumed to have died, while two remain missing, the official, Kim Jung-shik.

Detailed analysis:

Industrial accidents in high-tech economies spotlight safety standards and emergency response. Indian civil-service candidates should note lessons for infrastructure development and occupational safety regulations in India.

Source: <https://www.thehindu.com/news/international/several-killed-south-koreas-power-plant-collapse-rescue-operation-update/article70252081.ece>

Japan Sends Scallops Back to China – Trade Resumes After Fukushima Fallout!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Six metric tonnes of scallops harvested in Hokkaido were shipped to China on November 5, 2025, the first shipment to that country since Beijing banned Japanese seafood in August 2023.

Detailed analysis:

The restoration of Japan-China seafood trade illustrates how environmental controversies can affect bilateral commerce. This case is pertinent for Indian aspirants studying trade policy, WTO disputes, and the impact of environmental issues on exports.

Source: <https://www.thehindu.com/news/international/japan-resumes-seafood-exports-to-china-two-years-after-fukushima-wastewater-release/article70251697.ece>

China Launches Massive 'Fujian' Carrier – New Naval Beast Hits the Waters!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The Fujian will be able to carry significantly more and heavier-armed jet fighters than the Liaoning and Shandong carriers, which are smaller and rely on ramps to launch aircraft.

Detailed analysis:

The induction of the Fujian carrier marks a significant stride in China's naval power projection, a crucial factor in Indo-Pacific security dynamics. Understanding this development is essential for exam topics on defence strategy and maritime security in the region.

Source: <https://www.thehindu.com/news/international/chinas-third-aircraft-carrier-fujian-enters-service/article70251584.ece>

Trump's 'Project Firewall' Targets 175 H-1B Abuse Cases – Jobs on the Line!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

H-1B visa news: The Department of Labor (DOL) has launched Project Firewall in a crackdown on potential abuses of visa program to protect American jobs.

Detailed analysis:

The DOL's probe signals tighter enforcement on H-1B misuse, affecting tech hiring and prompting companies to reassess reliance on foreign talent. Aspirants should note the impact on employment trends and immigration policy.

Source: <https://www.livemint.com/news/us-news/h1b-visa-trump-admin-launches-probe-into-175-potential-abuses-visa-program-project-firewall-protect-american-jobs-11762527367935.html>

Tariff Turmoil Triggers Cash Lifeline Plea for US Small Biz!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Till the tariff-related uncertainty wanes, the Centre should consider interim benefits to businesses, which are dependent on exports, particularly MSMEs, Nirmal K. Minda, executive chairman of UNO Minda Group and newly-appointed president of industry body Assocham, said.

Detailed analysis:

Export-oriented MSMEs face cash crunch due to lingering tariffs. A subsidy could mitigate credit gaps and sustain employment. Exam takers should link tariff policy to SME financing and fiscal measures.

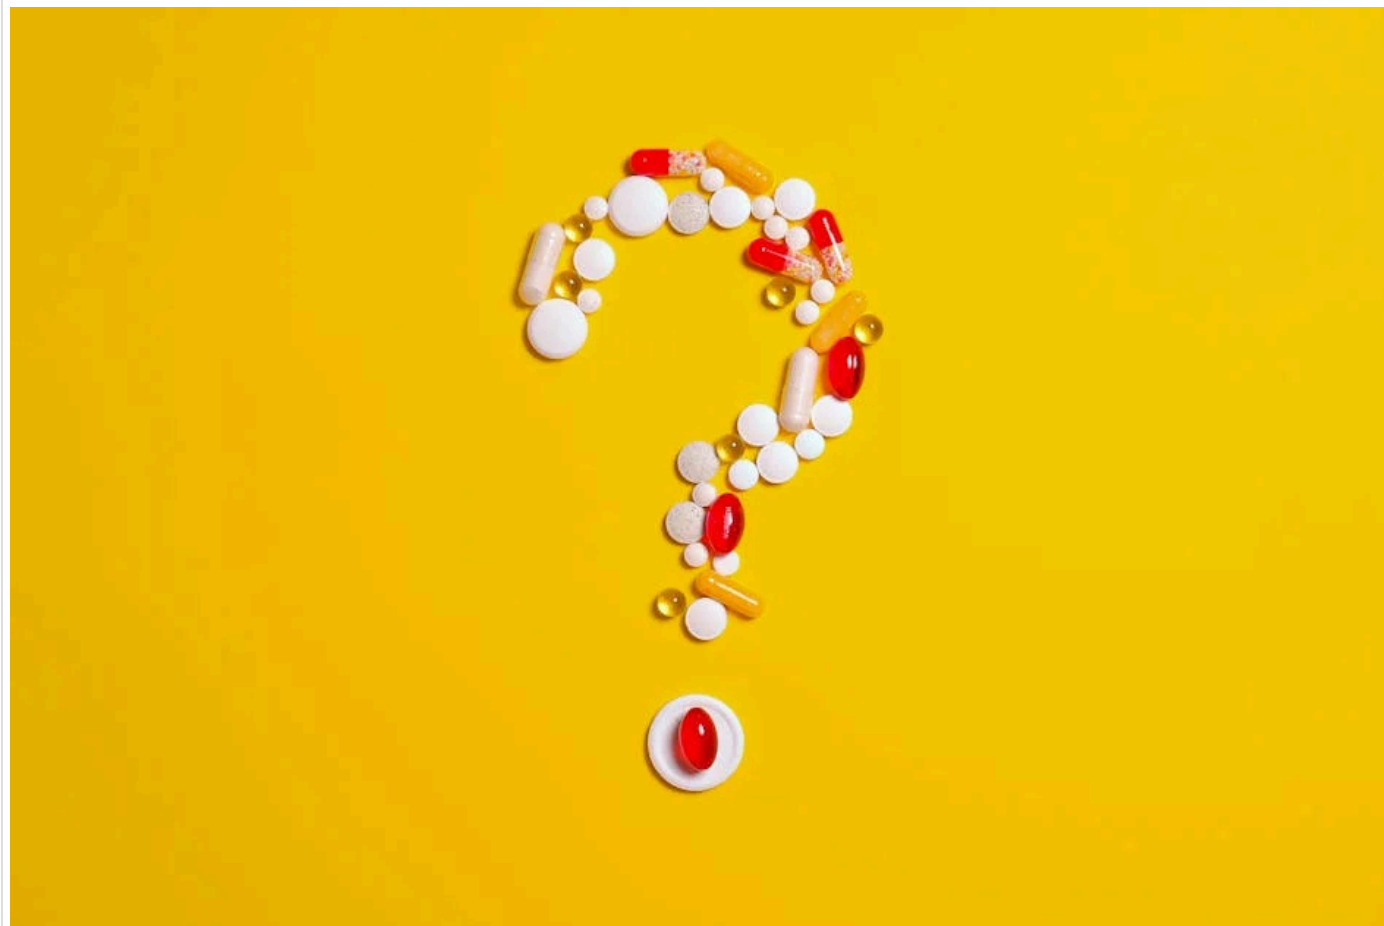

Source: <https://www.livemint.com/news/credit-small-businesses-cash-subsidyus-tariffs-msmes-exports-assocham-markets-11762518936784.html>

Weight-Loss Wonder Mounjaro Hits ₹100 Cr Milestone, Beats Antibiotics!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The anti-obesity drug registered sales of ₹100 crore in October, unseating the previous best-selling antibiotic Augmentin, which recorded sales of ₹80 crore during the month, according to data from intelligence platform Pharmarack on Friday.

Detailed analysis:

Mounjaro's surge reflects rising demand for obesity treatments and strong pricing power. It highlights shifting pharma revenue streams from antibiotics to chronic-disease drugs, a trend relevant for healthcare-sector questions.

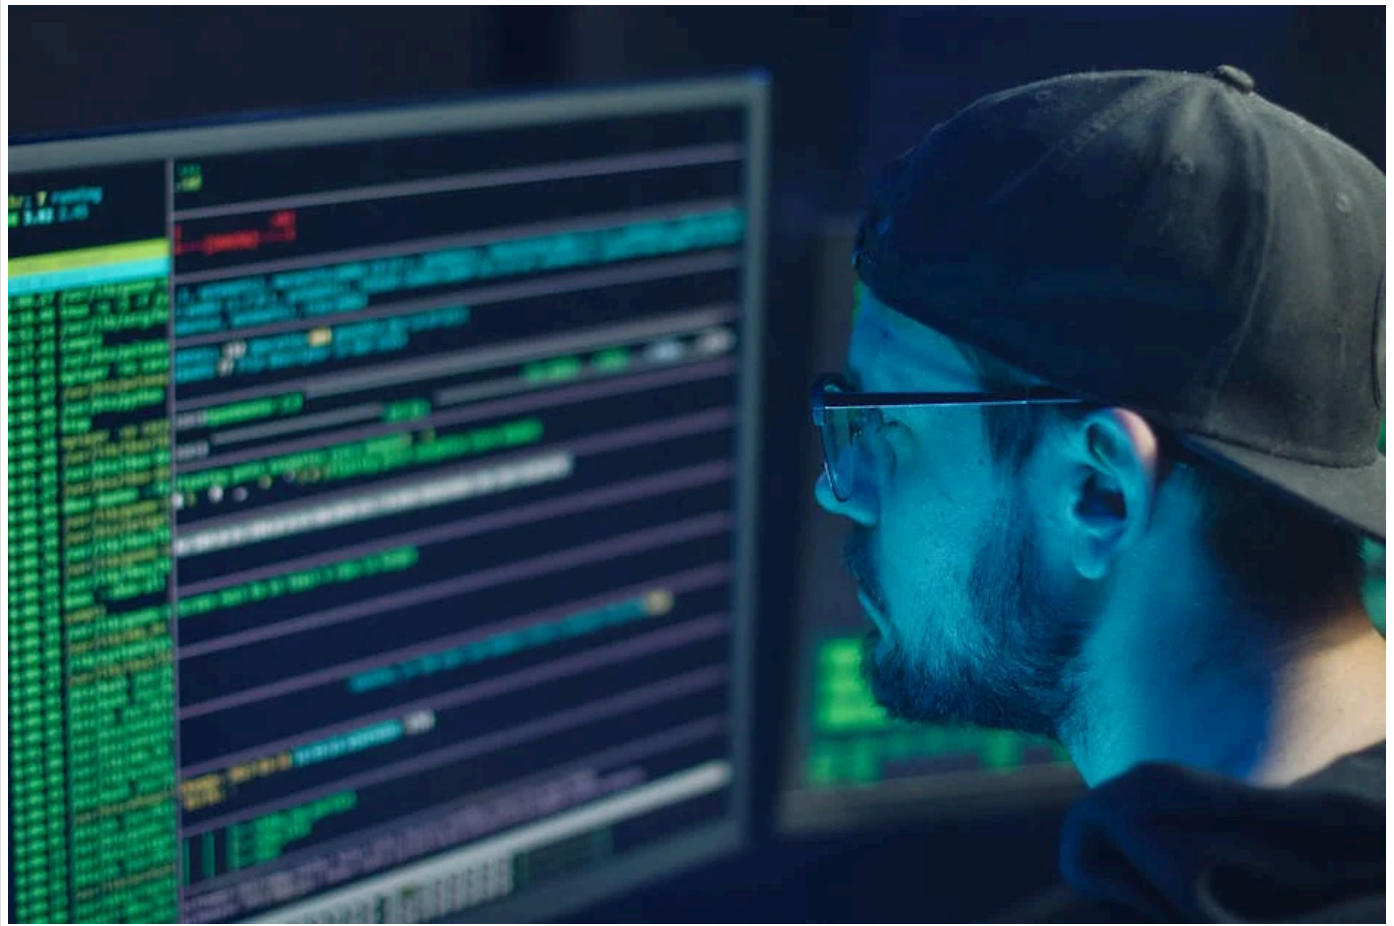

Source: <https://www.livemint.com/news/mounjaro-weight-loss-drug-100-crore-sales-patent-generic-health-diabetes-eli-lilly-lifestyle-drugs-cipla-11762516839865.html>

QR Code Chaos! Razorpay & Paytm CEOs Battle a Viral Scam

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

A new “scam” where people are apparently being asked to scan QR codes unrelated to the business/product has gained attention on social media, with Razorpay's Shashank Kumar and Paytm's Vijay Shekhar Sharma responding to the video.

Detailed analysis:

The incident underscores cybersecurity risks in digital payments. Firms must strengthen QR authentication and educate users. For exams, focus on regulatory safeguards and consumer protection in fintech.

Source: <https://www.livemint.com/news/trends/razorpay-founder-shashank-kumar-limit-gallery-ceo-vijay-shekhar-sharma-paytm-soundbox-solve-upi-qr-code-scam-watch-video-11762520636379.html>

Agri-Tech Breakthrough: VISTAAR Connects Soil Secrets to Farmers Live!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The agriculture ministry will shortly launch a digital platform— Virtually Integrated System to Access Agricultural Resources—designed to connect farmers in real time with vital agricultural information and services, said two officials aware of the development.

Detailed analysis:

VISTAAR aims to boost farm productivity by delivering timely advisories, potentially increasing yields and farmer incomes. Candidates should note its role in digitising agriculture and its impact on rural economies.

Source: <https://www.livemint.com/news/vistaar-platform-real-time-agri-insights-farmers-agriculture-innovation-techniques-technology-advisories-queries-11762515369537.html>

Hunger Crisis Alert: Trump's Funding Decision on SNAP Amid Shutdown!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

SNAP benefit update: A federal judge Rhode Island said that 16 million children are immediately at risk of going hungry as Supplemental Nutrition Assistance Program aid was suddenly cut amid the shutdown and asked Trump administration to fund it.

Detailed analysis:

The judicial push for SNAP funding highlights the intersection of welfare policy and political stalemate. For exams, examine how emergency relief programs are financed and the consequences of federal shutdowns on vulnerable populations.

Source: <https://www.livemint.com/news/us-news/snap-benefit-update-will-trump-fully-fund-food-aid-after-federal-judge-order-amid-shutdown-jd-vance-says-11762522220350.html>

EX-AUSSIE STAR ABANDONS HER COUNTRY TO DON THE TRIBAL TRIBAL TRIDENT!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Ryan Williams, 31-year-old midfielder born in Perth, relinquishes Australian citizenship to represent India, joins national camp and eyes debut this month.

Detailed analysis:

Highlights India's push to strengthen football by attracting diaspora talent; useful for GK exams on sports policy and naturalisation issues.

Source: <https://www.hindustantimes.com/sports/football/footballer-gives-up-australian-citizenship-so-he-can-play-for-india-added-in-national-camp-set-for-debut-this-month-101762512092424.html>

HOME-GROUND HERO GUKESH REIGNS SUPREME IN GOA – WORLD CHAMPION ON STEROIDS!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

World champion Gukesh D reflects on the pride and surreal feeling of competing in the FIDE World Cup 2025 in Goa, India, before a home crowd.

Detailed analysis:

Important for understanding India's growing stature in international chess and the impact of hosting major events; relevant for sports administration questions.

Source: <https://www.hindustantimes.com/htcity/htcity-delhi-junction/fide-world-cup-2025-gukesh-playing-as-the-world-champion-on-home-soil-feels-surreal-101762450864807.html>

CHESS DRAMA: HARIKRISHNA SLAMS NEPOMNIATCHI'S GOA GRIPE – 'VAGUE COMMENTS'!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Pentala Harikrishna rebukes Ian Nepomniachtchi for publicly criticizing the FIDE World Cup conditions in Goa, suggesting he should address FIDE directly.

Detailed analysis:

Shows internal disputes in international chess governance; useful for essay on sports diplomacy and athlete-admin relations.

Source: <https://www.hindustantimes.com/sports/others/exindia-no-1-gm-harikrishna-questions-ian-nepomniachtchis-chess-world-cup-criticism-of-conditions-in-go-101762508330938.html>

MESSI'S BIRTH-LIKE ECSTASY! RONALDO FIRES BACK AT ARGENTINA!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Messi describes the elation of lifting the World Cup as comparable to the birth of his children, while Ronaldo takes a jab at Argentina's triumph.

Detailed analysis:

Illustrates the enduring Messi-Ronaldo rivalry, a cultural touchpoint often referenced in general knowledge and sports history sections of exams.

Source: <https://www.hindustantimes.com/sports/football/lionel-messi-compares-joy-of-winning-world-cup-to-birth-of-his-children-amid-ronaldos-dig-at-argentinas-achievement-101762482110804.html>

RONALDO SCOFFS MESSI: 'ARGENTINA'S CUPS ARE COUNTING-ON-CANDLES!'

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Ronaldo minimizes Argentina's 2022 World Cup success, questioning how many titles they had before Messi's era, sparking media buzz.

Detailed analysis:

Highlights media narratives around star athletes; relevant for questions on sports communication and public perception in India's media studies syllabus.

Source: <https://www.hindustantimes.com/sports/football/cristiano-ronaldo-takes-a-dig-at-lionel-messi-downplays-argentina-s-world-cup-win-how-many-they-won-before-him-101762478272433.html>

GRANDSLAM GURU ALERTS ALCARAZ: 'INDOOR AREAS ARE SNEAKY TRAPS!'

Image 1 (Real):

Image 2 (Pexels):

Summary:

A tennis legend urges Alcaraz to improve his indoor-court game before the ATP Finals 2025, also highlighting Jannik Sinner as a major obstacle.

Detailed analysis:

Reflects the tactical aspects of high-performance sport; useful for sports science and strategy questions in competitive exams.

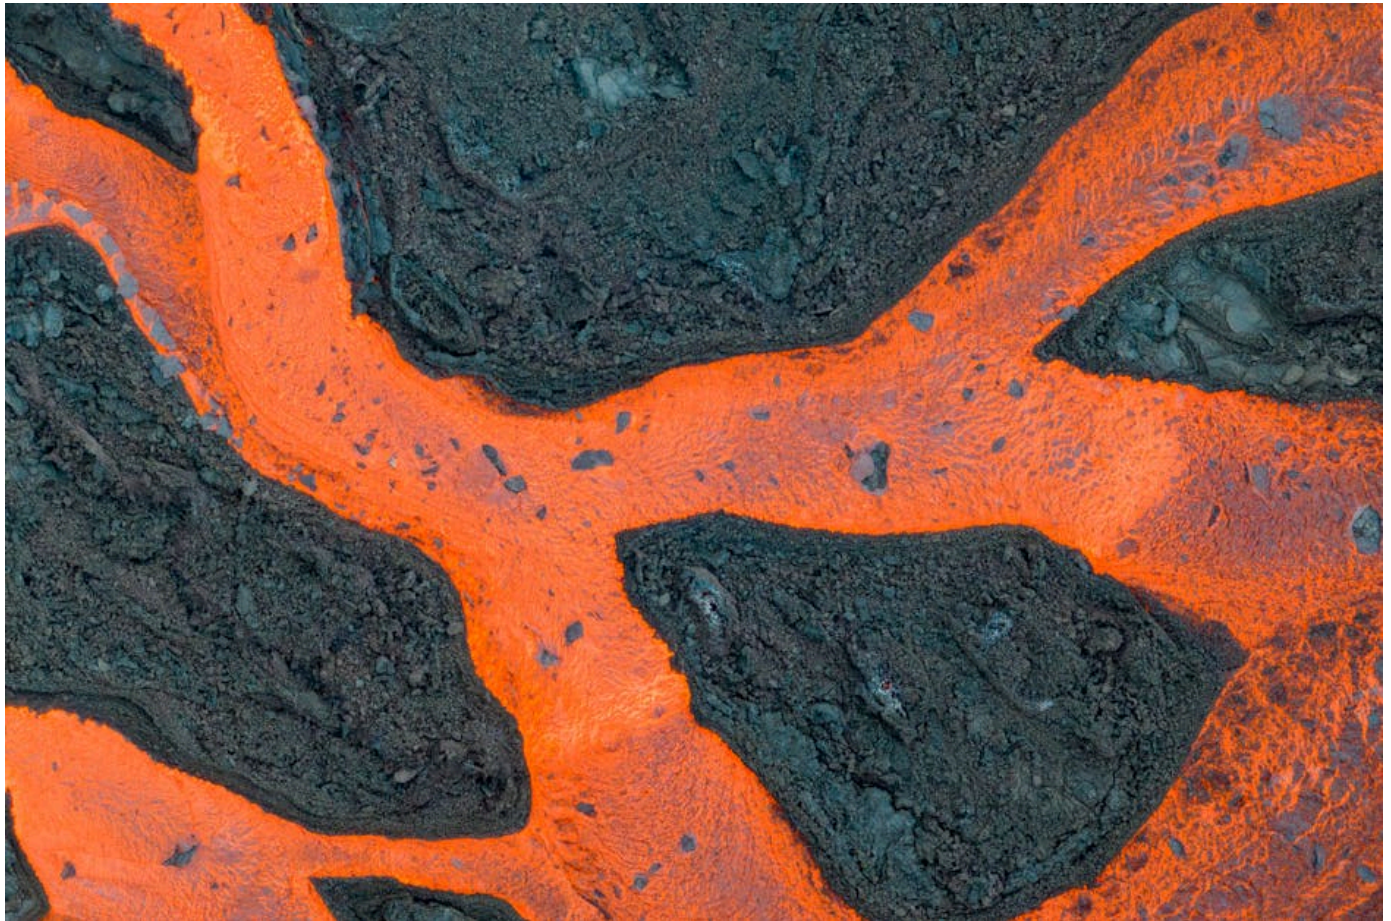

Source: <https://www.hindustantimes.com/sports/tennis/tennis-legend-warns-carlos-alcaraz-ahead-of-atp-finals-2025-makes-huge-jannik-sinner-claim-hurdle-to-overcome-101762517576638.html>

Lightning Strikes Inside Volcanoes – Nature’s Electric Fury!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Volcanoes are incredible but highly dangerous natural phenomena. But did you know that they also have the power to create lightning?

Detailed analysis:

Understanding volcanic lightning links geology with atmospheric electricity, a topic that frequently appears in UPSC and state civil services exams under Earth Science and Natural Disasters. Knowing the mechanisms helps answer questions on volcanic hazards and mitigation.

Source: <https://www.thehindu.com/children/what-is-volcanic-lightning/article70166951.ece>

Human Movement 40× the Animal Kingdom – Shocking Study Reveals!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Biomass movement of a given species is defined by its total biomass times the distance it actively travels per year

Detailed analysis:

The study highlights human impact on planetary energy flows, a key concept in environmental science and sustainable development sections of competitive exams. It underscores the scale of anthropogenic activity compared to wildlife.

Source: <https://www.thehindu.com/sci-tech/energy-and-environment/human-biomass-movement-40x-greater-than-all-land-animals-combined/article70247167.ece>

Don't Miss the Giant December Supermoon – Sky's Biggest Show!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The December 2025 supermoon will be the year's final big moon, visible worldwide, with details on timing and viewing.

Detailed analysis:

Astronomical events like supermoons are part of the General Studies (Science & Technology) syllabus. Knowing dates, visibility zones and observational tips helps answer questions on celestial phenomena and public outreach.

Source: <https://indianexpress.com/article/technology/science/december-2025-supermoon-when-where-and-how-to-see-this-years-final-big-moon-10351840/>

Mars Twins Ready to Sniff Out the Red Planet's Missing Air!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

NASA is developing twin probes to study Mars' lost atmosphere and assess solar storm effects.

Detailed analysis:

Mars exploration, atmospheric loss, and solar storm impacts are central to planetary science. These topics are asked in the Science & Technology part of exams, especially with India's growing space ambitions.

Source: <https://indianexpress.com/article/technology/science/nasa-prepares-twin-probes-to-uncover-marss-lost-air-and-measure-solar-storm-impact-10351443/>

Alien Comet 3I/ATLAS Storms Into Our Solar Backyard!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Interstellar comet 3I/ATLAS is on a trajectory towards the solar system, offering rare research opportunities.

Detailed analysis:

Interstellar objects are a frontier in astrophysics. Their detection and study are highlighted in recent UPSC questions on space science and international collaborations in astronomy.

Source: <https://indianexpress.com/article/technology/science/alien-3i-atlas-hurtling-towards-solar-system-what-we-know-about-the-interstellar-comet-that-has-piqued-curiosity-10351154/>

Sun-Sizzled Comet Turns Golden – Celestial Fireworks!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Comet C/2025 K1 survived a close solar encounter, changing color from green to golden.

Detailed analysis:

Cometary behavior during perihelion, color changes, and survival mechanisms are important for understanding solar-comet interactions, a topic that appears in the astronomy section of competitive exams.

Source: <https://indianexpress.com/article/technology/science/comet-c-2025-k1-atlas-survives-sun-close-encounter-green-to-golden-10351098/>

— HEALTH —

Your health history could lock you into long-COVID – the order matters!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

 Pexels Image

Summary:

Researchers discovered that the sequence in which chronic conditions develop before a COVID-19 infection influences the likelihood of experiencing long-COVID symptoms, highlighting the need for personalized preventive strategies.

Detailed analysis:

Exam-relevant because it links epidemiology, risk stratification, and preventive public health—key topics in UPSC and state health services exams. It underscores the importance of longitudinal health data for policy planning.

Source: <https://www.thehindu.com/sci-tech/health/order-of-developing-chronic-conditions-before-covid-19-may-influence-risk-of-long-covid-study/article70252393.ece>

Cyclones are killing kidneys – death spikes post-storm!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

 Pexels Image

Summary:

The study shows that mortality from kidney diseases spikes sharply in the weeks following tropical cyclones, urging integration of renal care into disaster response.

Detailed analysis:

Highlights climate-health nexus, disaster management, and chronic disease care—areas covered in environmental health modules of medical and civil services exams.

Source: <https://www.thehindu.com/sci-tech/health/study-finds-increase-in-deaths-due-to-kidney-problems-highest-following-tropical-cyclones/article70252335.ece>

India faces a 'vision crisis' – far fewer eye doctors than needed!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

 Pexels Image

Summary:

AIIMS-Delhi survey finds only 20,944 ophthalmologists in India, well below the 25,000 needed to meet the 2030 avoidable-blindness target.

Detailed analysis:

Critical for public-health planning, eye-care programmes, and the National Health Mission—topics frequently asked in health-policy sections of exams.

Source: <https://www.thehindu.com/sci-tech/health/india-has-one-ophthalmologist-for-every-65000-people-reveals-aiims-delhi-survey/article70252276.ece>

Lenskart's IPO Nightmare: Analyst Slashes Target by 16%!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Eyewear retailer Lenskart has received a “Sell” rating from Ambit Capital ahead of its IPO listing, with a target price of Rs 337—16% below the issue price of Rs 402. Ambit cited stretched valuations despite strong growth prospects, cautioning that free cash flows may remain negative until FY28 due to heavy capex plans.

Detailed analysis:

Illustrates IPO valuation challenges and the impact of analyst recommendations on market entry. Exam takers should note factors like capex, cash-flow expectations, and valuation multiples in equity offerings.
