

China Flexes Its Muscles: Live-Fire Drills Simulate Blockade of Taiwan's Key Ports!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

China announced that it had successfully completed a series of live-fire military drills around Taiwan, simulating a naval blockade and assaults on strategic ports.

Detailed analysis:

The drills underscore Beijing's intent to pressure Taiwan ahead of any political settlement. For UPSC and other exams, note the pattern of coercive naval exercises as a tool of hybrid warfare and the implications for India's maritime security and the Indo-Pacific balance of power.

Putin's New-Year Promise: Russia Will Triumph Over Ukraine No Matter What!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

In his New Year's Eve speech, Russian President Vladimir Putin asserted that Russia is confident of winning the war in Ukraine, despite the protracted conflict.

Detailed analysis:

This statement reflects Moscow's domestic narrative of resilience and serves as a diplomatic signal to allies and adversaries. Aspirants should link this to India's non-aligned stance, the impact on global energy markets, and the potential for heightened NATO-Russia tensions.

Source: <https://www.ndtv.com/world-news/putin-says-russia-believes-it-will-win-in-ukraine-in-new-year-address-10149084#publisher=newsstand>

BJP Calls Out Muslim Group Over Vande Mataram 'Insult': "Fix This Now!"

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The Bharatiya Janata Party sharply criticised a Muslim organisation for objecting to a music competition themed around the national song Vande Mataram, demanding a correction of the perceived 'mistake'.

Detailed analysis:

The episode highlights the politicisation of cultural symbols and communal sensitivities in India. For exam preparation, focus on how cultural nationalism is leveraged by parties, the constitutional debates on Vande Mataram, and the broader implications for secularism and minority rights.

Source: <https://www.ndtv.com/india-news/rectify-mistake-bjp-slams-muslim-groups-objections-to-vande-mataram-10152663#publisher=newsstand>

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Vodafone Idea clarified that it has not received any official order from the Union Cabinet regarding a proposed five-year moratorium and freeze of its adjusted gross revenue dues worth Rs 87,695 crore.

Detailed analysis:

The telecom sector's financial health remains precarious. Candidates should understand the AGR issue, its impact on fiscal consolidation, and the role of government interventions in reviving distressed large-scale private enterprises.

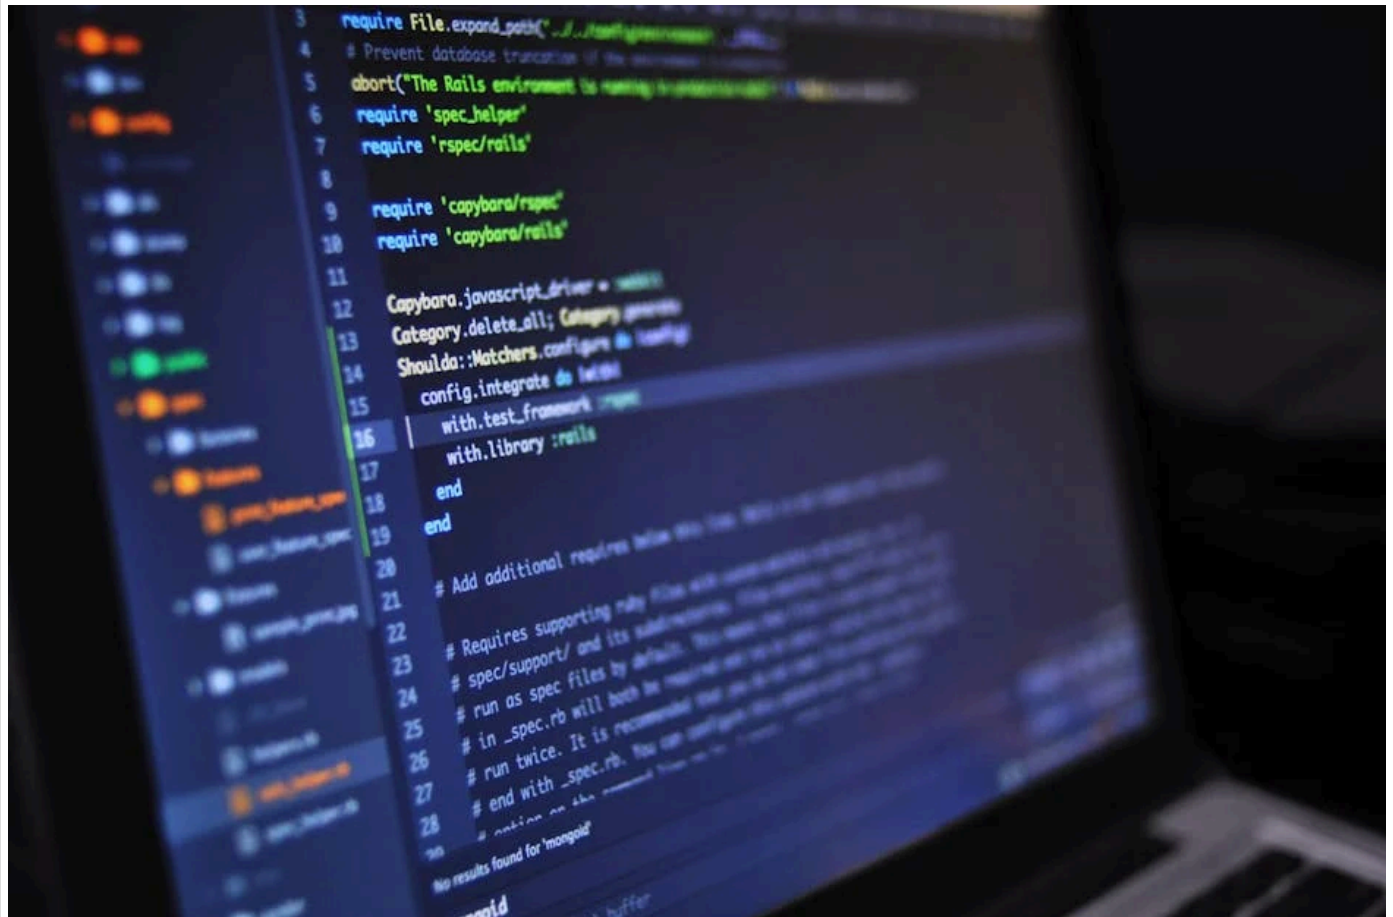

Source: <https://www.ndtv.com/india-news/no-official-word-vodafone-idea-says-hasnt-received-order-on-dues-freeze-10151252#publisher=newsstand>

Anand Mahindra Calls AI 'Gold-Collar Booster', Not a Menace – Future of Jobs Re-Imagined!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Anand Mahindra stated that artificial intelligence is a catalyst that will transform practical skills into premium assets, elevating factory work and creating lucrative 'gold-collar' professions.

Detailed analysis:

The statement underscores the government's push for AI adoption and skill up-gradation. Examine AI's role in Make-in-India, the National AI Strategy, and how it aligns with employment policies for competitive exams.

Source: <https://www.ndtv.com/india-news/not-a-threat-anand-mahindra-rejects-ai-fears-in-new-year-message-10148859#publisher=newsstand>

Jaishankar's Dhaka Mission Set to Rewrite India-Bangladesh Ties – New Era Ahead!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Bangladesh's High Commissioner praised External Affairs Minister S Jaishankar's recent visit, highlighting opportunities to deepen bilateral relations between the two neighbours.

Detailed analysis:

The visit signals a strategic push to strengthen ties on trade, connectivity, and security. For aspirants, note the significance of neighbourhood policy, the Bangladesh-India border issues, and how such engagements feed into India's Act East and Look-West initiatives.

Source: <https://www.ndtv.com/india-news/will-script-new-chapter-bangladesh-high-commissioner-on-s-jaishankar-visit-10149323#publisher=newsstand>

Israel Slams the Door on 37 Humanitarian Lifelines to Gaza!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Several NGOs said the new rules will impact food and medical shipments to Gaza, at a time when humanitarian organisations say the amount of aid getting in is inadequate to the devastated territory's needs

Detailed analysis:

The ban signals a hardening Israeli stance that could worsen the humanitarian crisis and affect international diplomatic pressure. Candidates should note the potential impact on UNRWA operations, cease-fire negotiations, and India's position in UN forums.

Source: <https://www.thehindu.com/news/international/israel-to-ban-37-aid-groups-operating-in-gaza/article70457864.ece>

Turkey Unleashes Massive Crackdown: 125 ISIS Suspects Nabbed in One Week!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Nearly 600 people have now been detained in anti-IS raids over the past week

Detailed analysis:

The intensified operations reflect Turkey's commitment to curb ISIS resurgence after the 2024 resurgence in Syria. For exams, focus on Turkey's counter-terrorism policy, regional security dynamics, and implications for NATO cooperation.

Source: <https://www.thehindu.com/news/international/turkiye-anti-islamic-state-raids-arrests/article70457770.ece>

Moscow Drops Bombshell Video Claiming Kyiv's Secret Drone Strike!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The video released by the Ministry included footage of a Russian serviceman standing next to fragments of a device which he said was a downed Ukrainian Chaklun-V drone carrying a six-kilogram explosive device which had not detonated.

Detailed analysis:

The footage is part of Russia's information warfare aimed at delegitimising Ukraine's air-defence claims. Examine the role of media in hybrid warfare and its impact on India-Russia strategic ties.

Source: <https://www.thehindu.com/news/international/russia-video-evidence-ukraine-drone-attack-presidential-residence/article70457226.ece>

Iran's Rial Crashes, Protest Wave Roars – New Central Bank Boss Takes the Helm!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The plummeting of the rial, Iran's currency, sparked the largest protests in the country in three years, with rallies that began Sunday (December 29) and continued until Tuesday (December 30).

Detailed analysis:

The appointment aims to restore confidence and curb inflation. Candidates should understand Iran's monetary policy challenges, sanctions impact, and how regional economic instability can affect India's energy imports.

Source: <https://www.thehindu.com/news/international/iran-appoints-new-central-bank-governor-after-record-currency-fall-and-mass-protests/article70456604.ece>

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Our country's economy is expected to move forward under pressure...showing strong resilience and vitality, says President Xi Jinping

Detailed analysis:

Proactive fiscal and monetary steps signal Beijing's intent to sustain growth amid global slowdown. Important for UPSC on India-China trade, Belt-and-Road projects, and comparative economic strategies.

Source: <https://www.thehindu.com/news/international/china-will-push-more-proactive-macro-policies-in-2026-xi-jinping-says/article70456116.ece>

Putin Commands Massive Buffer Zone Push – Ukraine's Frontline Redrawn!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Chief of the General Staff Valery Gerasimov said Mr. Putin ordered expansion in 2026 of the buffer zone in Ukraine's regions of Sumy and Kharkiv near the Russian border

Detailed analysis:

The directive indicates a strategic shift towards territorial consolidation, raising NATO's alarm. For exam preparation, note the implications for Indo-Pacific security calculus and India's diplomatic balancing act with Russia and the West.

Source: <https://www.thehindu.com/news/international/putin-ordered-ukraine-buffer-zone-expansion-in-2026-says-russias-top-general-gerasimov/article70455991.ece>

India's New Export Super-Boost: Govt's Secret Weapon to Conquer Global Markets!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The commerce ministry said the move signals a shift towards more structured and outcome-driven efforts to help Indian exporters, especially MSMEs and first-time exporters, gain a foothold in overseas markets.

Detailed analysis:

Exam-relevant because it highlights a fresh government initiative aimed at expanding export volumes. Candidates should note the scheme's focus on MSMEs, the expected procedural steps, and its alignment with the 'Make in India' vision, which may be asked in trade-policy questions.

Source: <https://www.livemint.com/news/govt-rolls-out-market-access-support-scheme-to-push-indian-exports-into-new-markets-11767184299176.html>

Labour Code Shake-Up: New Wage Rules Could Redefine Pay for 400 Million Workers!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The Union ministry of labour has released draft rules for minimum wages, gratuity, and social security under new labour codes, affecting over 400 million workers. Changes include a revised definition of wages and stricter compliance requirements for employers.

Detailed analysis:

Critical for UPSC/SSC as the draft translates the recent labour codes into actionable formulas. Aspirants must grasp the new wage definition, gratuity ceiling, and compliance timelines, which are likely to feature in quantitative aptitude and policy-analysis sections.

Source: <https://www.livemint.com/news/india/draft-rules-wage-gratuity-calculation-under-new-labour-codes-social-security-stricter-compliance-employers-11767186483969.html>

Cooking Gas Price Slash! Delhi-NCR Households to Save Big from Jan 2026

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Delhi-NCR gas prices: Indraprastha Gas (IGL) on 31 December 2025, has decided to cut the prices of piped cooking gas effective Thursday, 1 January 2026. Here's how much prices will be cheaper in Delhi, Gurugram and Noida.

Detailed analysis:

Relevant for economics and public-policy sections: a direct price reduction impacts household disposable income and inflation metrics. Candidates should note the percentage cut and its potential effect on CPI calculations.

Source: <https://www.livemint.com/news/india/delhi-ncr-gas-prices-igl-cuts-piped-cooking-gas-prices-effective-january-2026-details-here-11767186654356.html>

India Bans High-Dose Nimesulide: Pharma Giants Brace for Shockwave!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

 Pexels Image

Summary:

The decision was taken following a recommendation by ICMR, the apex health research body of India.

Detailed analysis:

Pharma regulation question-bank favourite: the ban affects manufacturers, exporters and prescribers. Aspirants should remember the health-safety rationale and potential impact on the domestic drug market share.

Source: <https://www.livemint.com/news/india/govt-bans-manufacture-sale-of-oral-formulations-containing-nimesulide-above-100-mg-heres-why-11767173627531.html>

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Officials said the ED initiated an investigation on the basis of more than 15 FIRs registered and charge sheets filed by the Haryana and UP police.

Detailed analysis:

Important for banking, finance and law-enforcement topics. The seizure size, assets involved and multi-state FIRs illustrate how money-laundering probes are conducted—useful for ethics and crime-prevention questions.

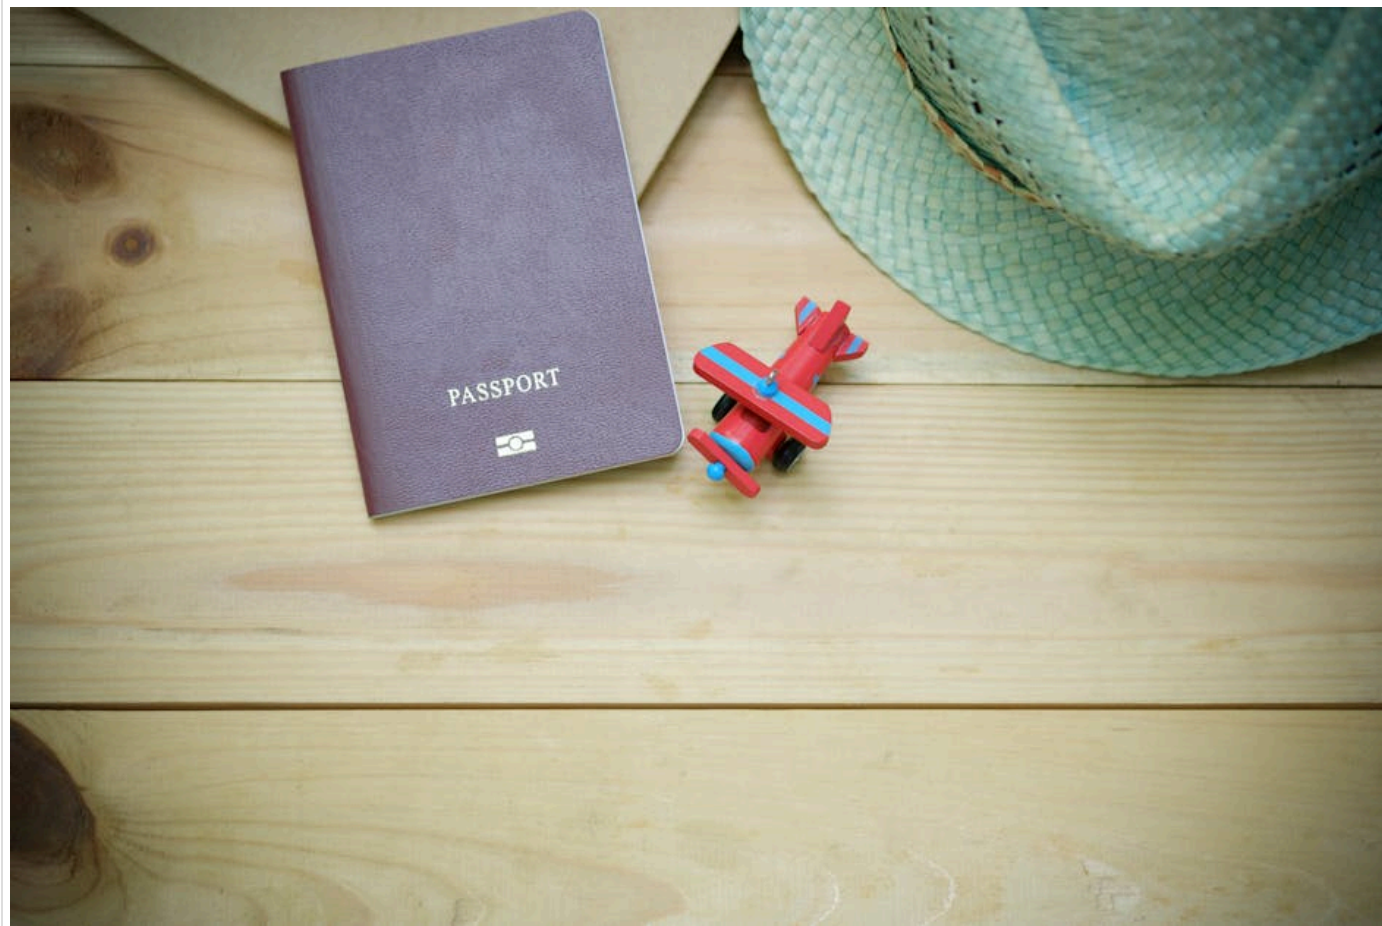

Source: <https://www.livemint.com/news/india/ed-seizes-rs-5-12-crore-in-cash-gold-diamond-jewellery-property-docs-in-money-laundering-case-inderjit-yadav-11767177832127.html>

Visa Wars & Tariff Battles: How India's New Playbook Could Redefine Global Trade!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

India and the US aim for global peace and stability, with Modi and Trump highlighting their strong ties. Meanwhile, India and China are working to normalise relations after recent tensions, focusing on cooperation and mutual respect.

Detailed analysis:

Touches on international trade, immigration policy and bilateral tariffs—areas often tested in economics and international-relations papers. Candidates should link the H-1B crackdown to talent flow, and tariff shifts to India's export-import balance.

Source: <https://www.livemint.com/news/world/h1b-visa-crackdown-tariffs-india-foreign-policy-towards-us-china-rare-earth-metal-donald-trump-xi-jinping-pm-modi-11767177563573.html>

India Aims for Olympic Glory by 2036 – A Nation's Sports Revolution Unveiled!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

As India prepares for CWG 2030 and harbours ambitions of hosting the 2036 Olympics, a hard look is needed at where Indian sport stands.

Detailed analysis:

This piece examines the strategic plans, funding gaps, and policy reforms needed for India to transition from a participant to a host of major multi-sport events. Aspirants should note the emphasis on infrastructure, talent pipelines, and the role of schemes like TOPS in shaping future medal prospects.

Source: <https://www.hindustantimes.com/sports/others/the-year-that-was-beyond-the-podium-india-s-ambition-under-spotlight-101767159628046.html>

Young Indian Chess Prodigy Mirrors Anand's Glory – Bronze Shock at Qatar Blitz!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Arjun Erigaisi had a tournament to be proud of, leading the Swiss round-robin before falling in the semifinal of the Blitz Championship in Qatar.

Detailed analysis:

Erigaisi's performance signals a new wave of Indian talent in fast chess formats, crucial for future Olympiad and World Cup selections. The article highlights his preparation methods and the rising importance of blitz in global rankings – useful for sports-science and psychology sections of exams.

Source: <https://www.hindustantimes.com/sports/others/arjun-erigaisi-achieves-historic-feat-with-bronze-medal-at-world-blitz-championship-matches-viswanathan-anand-101767175588181.html>

Top Athletes Left Out! Shooting & Boxing Stars Fight for Government Support

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Despite stellar performances, top Indian athletes like shooters Suruchi Phogat and Samrat Rana were omitted from the TOPS program, raising concerns.

Detailed analysis:

The article exposes gaps in the Target Olympic Podium Scheme, a key policy area for sport-related questions in civil services exams. Understanding the eligibility criteria and recent controversies helps answer questions on sports funding and governance.

Source: <https://www.hindustantimes.com/sports/others/indias-in-form-shooters-boxers-await-inclusion-in-olympic-scheme-101767117914345.html>

Ronaldo's Race to 1,000 Goals – Can the Legend Defy Age and Records?

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Cristiano Ronaldo aims for 1,000 official goals, needing 43 more by 2026-27.

Detailed analysis:

While centered on a global football icon, the piece offers insight into career longevity, performance metrics, and the commercial impact of personal milestones—topics relevant for sports-management and economics sections of competitive exams.

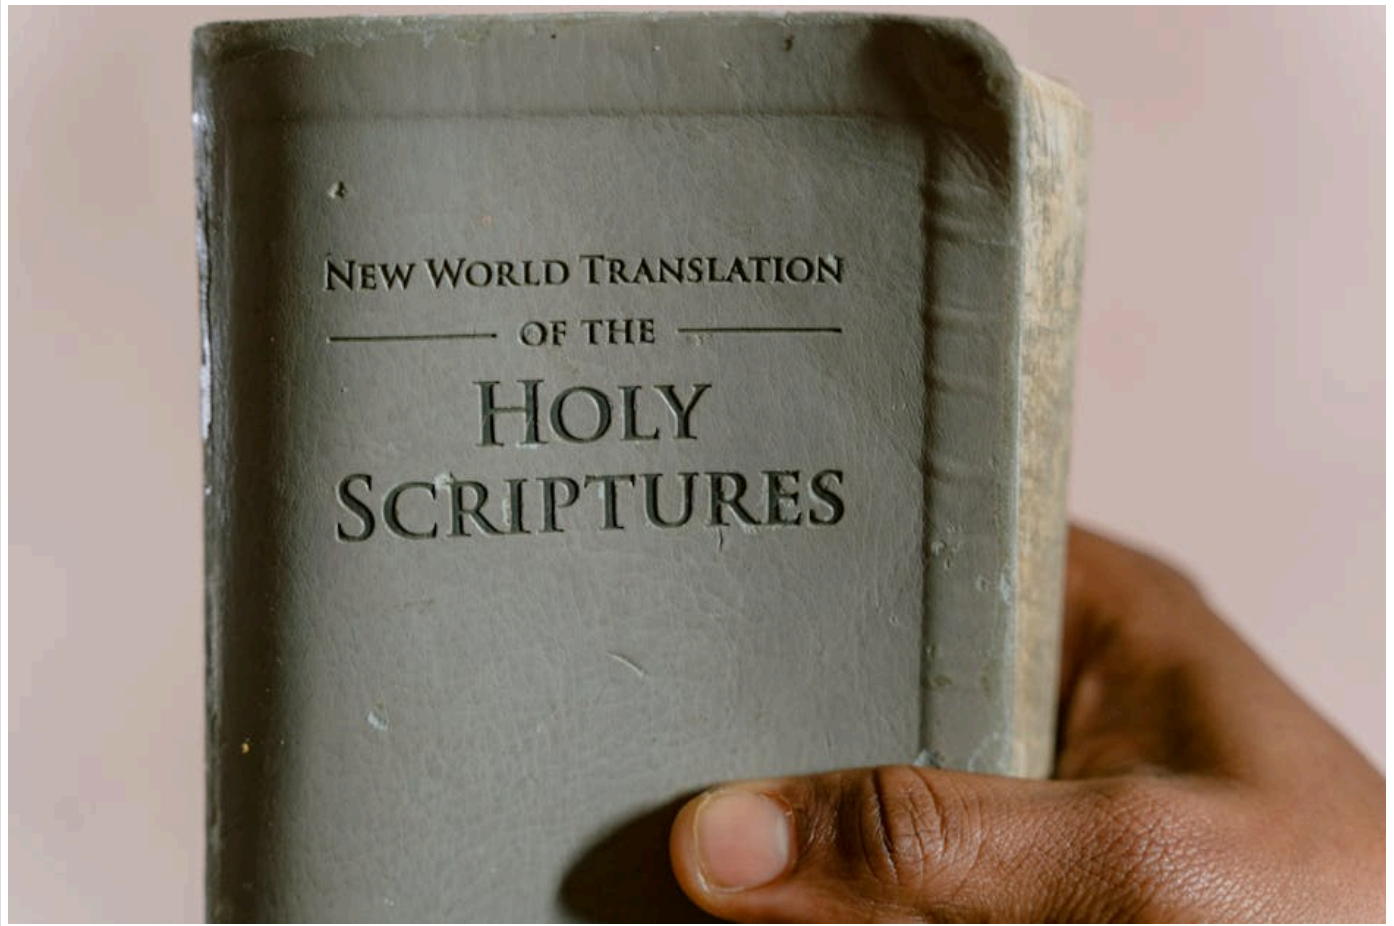

Source: <https://www.hindustantimes.com/sports/football/cristiano-ronaldo-vs-time-the-1-000-goal-chase-explained-required-rate-match-volume-and-the-risk-factor-101767184476787.html>

Carlsen Reigns Supreme! 20th World Crown Secured in Doha's Blitz-Rapid Showdown

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Magnus Carlsen almost failed to reach the semi-finals after suffering three defeats in the 19 qualifying games, finishing third in the standings.

Detailed analysis:

Carlsen's achievement underscores the significance of adaptability across time controls. The article can aid aspirants in answering questions on mental resilience, preparation strategies, and the evolving format of international chess competitions.

Source: <https://www.hindustantimes.com/sports/others/magnus-carlsen-completes-rapid-blitz-double-in-doha-to-claim-20th-world-title-101767154045101.html>

United Ready to Part with Midfield Maestro – Massive Offer Could Trigger Bruno Exit!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Bruno Fernandes suggested Manchester United might sell him, sparking January transfer speculation.

Detailed analysis:

The transfer saga reflects market dynamics, player valuation, and contract negotiations—key concepts for sports-management and finance modules in competitive examinations. It also illustrates the impact of star player movements on club revenue and branding.

Source: <https://www.hindustantimes.com/sports/football/manchester-united-open-to-selling-bruno-fernandes-if-massive-bid-arrives-report-101767171106975.html>

Beware! The Smelliest Chemicals That Could Make You Sick!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

A quiz-style article exploring toxic and odorous chemicals in everyday life, highlighting their health impacts and safety measures.

Detailed analysis:

Important for chemistry aspirants to remember hazardous substances, their properties, and safety protocols that frequently appear in entrance exams.

Source: <https://www.thehindu.com/sci-tech/science/science-quiz-chemistrys-foul-fellows/article70449402.ece>

Gut Bacteria Trigger Ulcerative Colitis? The Hidden Villain Revealed!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Researchers identified the toxin-producing *Aeromonas* strain as a potential initiator of ulcerative colitis; neutralising its aerolysin toxin prevented disease onset in mice.

Detailed analysis:

Links microbiology with gastroenterology—key for biology and medical exams. Focus on pathogen-host interaction, toxin mechanisms, and therapeutic implications.

Source: <https://www.thehindu.com/sci-tech/science/microbe-might-spark-first-stages-of-ulcerative-colitis-new-study/article70452348.ece>

EV Batteries Betray You! The Secret Reason They Die Early Exposed!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The study uncovers that structural degradation of cathode materials and electrolyte decomposition accelerate capacity loss even in next-gen EV batteries.

Detailed analysis:

Crucial for physics and engineering aspirants: understand battery chemistry, degradation pathways, and strategies to enhance cycle life—topics often asked in tech exams.

Source: <https://indianexpress.com/article/technology/science/researchers-crack-why-even-advanced-batteries-for-electric-cars-dont-last-long-10448541/>

Thwaites Glacier on the Brink: Is the Planet's Ice Age Countdown Starting?

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

An analysis of recent satellite data and climate models reassessing the stability of Antarctica's Thwaites Glacier and its potential contribution to sea-level rise.

Detailed analysis:

Vital for geography and environmental science exams: grasp glacier dynamics, climate feedback loops, and the global impact of Antarctic ice melt.

Source: <https://indianexpress.com/article/technology/science/is-thwaites-still-the-doomsday-glacier-10448122/>

PROTECT YOUR SKIN: THE SECRET THEY DON'T TELL YOU!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Skin barrier damage is now emerging as a frequent source of dermatological problems, driven by over-use of products, sun damage, pollution, stress and other factors. Learning how to protect this barrier is crucial for good skin health

Detailed analysis:

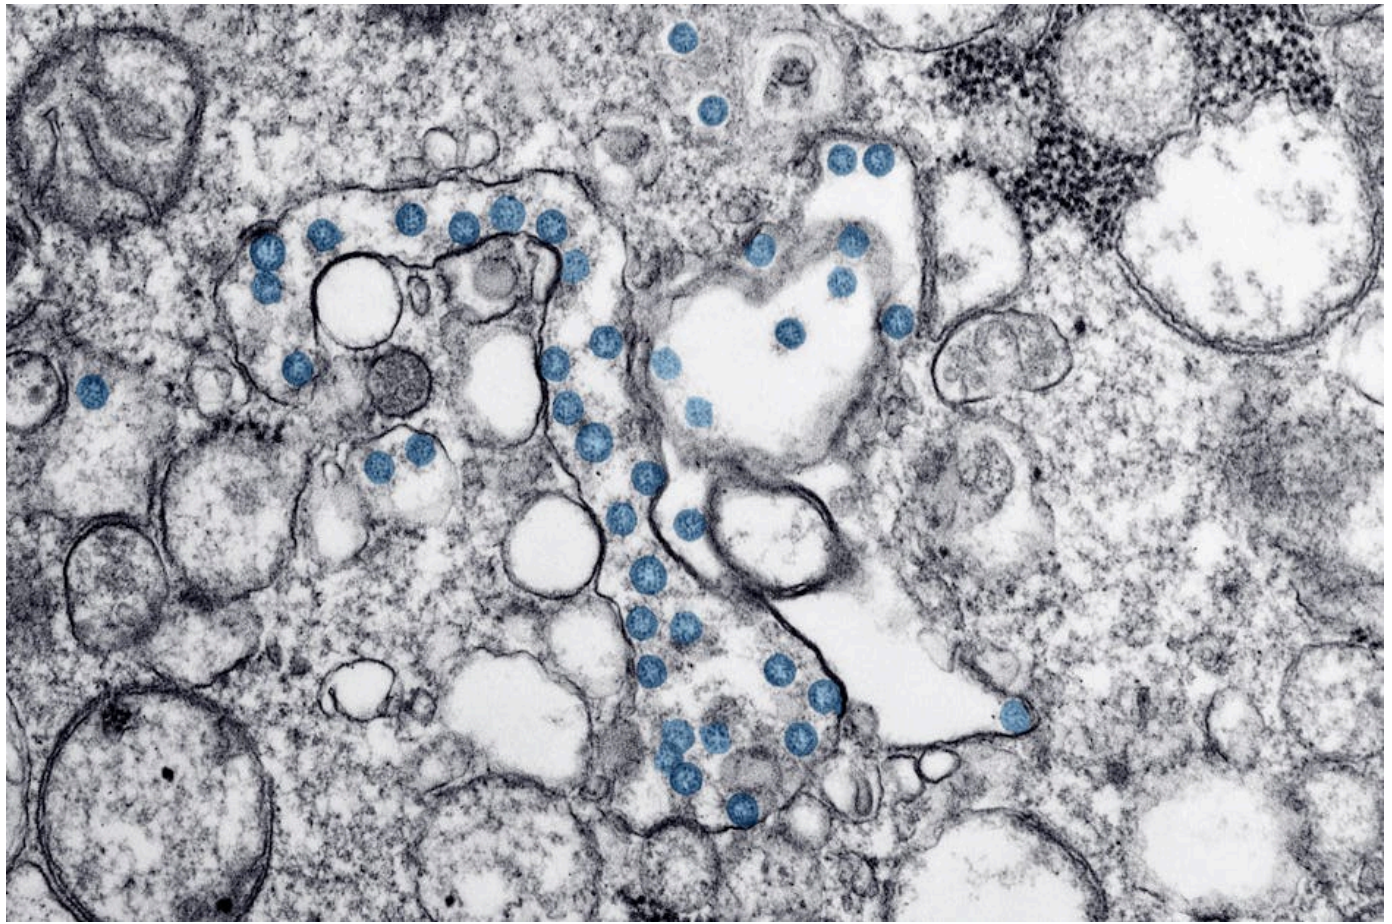

Important for understanding dermatology basics, preventive health, and the impact of lifestyle factors—key topics for public health and medical entrance exams.

THE BACTERIA THAT COULD TRIGGER ULCERATIVE COLITIS REVEALED!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

If future tests can confirm that distinct groups of UC patients harbour the toxin-producing *Aeromonas* strain, clinicians could classify patients by microbial subtype. In mice, antibodies that neutralised aerolysin prevented the onset of colitis, pointing to interventions focusing on the toxin as a possible strategy

Detailed analysis:

Highlights the role of microbiota in gastrointestinal diseases, a cutting-edge topic for pathology and microbiology sections of medical and civil service exams.

Source: <https://www.thehindu.com/sci-tech/science/microbe-might-spark-first-stages-of-ulcerative-colitis-new-study/article70452348.ece>

WHY INDIA'S CLEFT CARE IS A NATIONAL EMERGENCY!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Comprehensive cleft care for children in India is driven by the non-profit private model while government has achieved little in creating awareness or making cleft surgeries accessible and affordable to all

Detailed analysis:

Focuses on health policy, accessibility, and government responsibility—crucial for UPSC, state PSC, and public health syllabus.

Source: <https://www.thehindu.com/opinion/op-ed/prioritising-cleft-care-as-a-health-issue/article70452890.ece>

AI-POWERED DOCTOR'S ASSISTANT WILL REVOLUTIONISE INDIAN HOSPITALS!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

CDSS provides free digital assistance to doctors for faster, evidence-based decision-making; the system has been trained on most common symptoms and diseases

Detailed analysis:

Introduces Clinical Decision Support Systems, aligning with digital health, health informatics, and policy trends—relevant for exam questions on health technology.

Source: <https://www.thehindu.com/sci-tech/health/tool-to-help-doctors-make-quick-decisions-to-be-rolled-out-in-hospitals-soon/article70453878.ece>

EXERCISE CAN SPARK BACK PAIN BUT WON'T HARM YOU LONG-TERM!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The results indicate that although some activities may trigger a flaring up of lower back pain in the short term, they are not associated with long-term functional limitations, the team said

Detailed analysis:

Provides insight into musculoskeletal health, risk-benefit of physical activity—useful for sports medicine and general health sections of medical exams.

Source: <https://www.thehindu.com/sci-tech/health/study-finds-physical-activity-may-temporarily-trigger-back-pain-flare-ups-without-lasting-damage/article70456571.ece>

THE SURPRISING POWER OF YOUR ELBOW'S BONE TIPS!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

The bony tips of the elbow may be small, but they carry a disproportionate share of the arm's workload. With better awareness, corrected wrist posture, gradual strengthening and early treatment, most elbow problems are preventable and fully treatable

Detailed analysis:

Emphasizes anatomy and ergonomics, essential for orthopedics and physiotherapy questions in health-related competitive exams.

Source: <https://www.thehindu.com/sci-tech/health/why-the-elbows-bony-tips-matter-more-than-you-think/article70361611.ece>

— EDUCATION —

India's Education Revolution: UGC Shuts Down, Boards Revamped, Global Campuses Flood In!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

A review of the major transformations in Indian education in 2025, covering the dissolution of the UGC, reforms to board exams and the surge of foreign university campuses in India.

Detailed analysis:

Understanding these systemic shifts helps aspirants align their study plans with new accreditation standards and emerging opportunities across domestic and international institutions.

Oracle of Omaha Walks Away: Buffett's Shock Exit Sends Shockwaves Through Wall Street!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Warren Buffett concludes his long tenure as Berkshire Hathaway CEO today. Gregory Abel assumes day-to-day leadership. Investors now assess Berkshire's future without Buffett's direct operational guidance. The conglomerate, built into a financial giant, faces new challenges in capital allocation and governance. Buffett's philosophy of patience and enjoyment of work remains, but his singular influence departs.

Detailed analysis:

The retirement of a legendary investor highlights corporate governance, succession planning and the impact of leadership on market sentiment—key topics for UPSC/IAS and banking exams. Candidates should note how a change at the helm can affect equity valuation, capital allocation strategies and investor confidence.

Source: <https://economictimes.indiatimes.com/markets/stocks/news/warren-buffett-retires-today-berkshire-faces-its-first-dawn-without-the-oracle-of-omaha/articleshow/126264753.cms>

Bond Mass Exodus! Weak Rupee Triggers Historic Outflow of Foreign Cash

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Indian sovereign bonds face record foreign outflows in December as rupee weakness, fading rate-cut expectations and global reallocations weigh on sentiment, pressuring bond prices and borrowing costs despite prospects of index inclusion boosting future inflows.

Detailed analysis:

Bond market dynamics, exchange-rate risk and capital flow trends are frequent GSAT/UPSC questions. Understanding why a depreciating rupee drives investors away helps explain fiscal-monetary interaction and its impact on sovereign borrowing costs.

Source: <https://economictimes.indiatimes.com/markets/bonds/foreigners-dump-record-indian-bonds-as-weak-rupee-erodes-returns/articleshow/126263647.cms>

India's Markets Crash to Bottom: World's Worst Index Returns in 2025!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

Indian stock markets ended 2025 as the world's worst performers. Foreign investors pulled out billions due to currency depreciation and expensive valuations. However, 2026 offers hope. Supportive policies, easing trade risks, and potential rate cuts are expected to boost domestic growth and earnings. This could lead to a market recovery, attracting renewed investor interest.

Detailed analysis:

Performance of major indices, foreign portfolio flows and policy outlook are core to economics papers. Candidates should link index underperformance to macro factors like rupee volatility, valuation levels and expected fiscal/monetary easing.

Source: <https://economictimes.indiatimes.com/markets/stocks/news/sensex-nifty-end-2025-as-worlds-worst-performers-can-2026-change-the-script/articleshow/126263345.cms>

Pay Commission Payoff: Millions Await Massive Arrears as 2026 Looms!

Image 1 (Real):

 Original Image

Image 2 (Pexels):

Summary:

While the provisions of the 8th Pay Commission will be effective from 1 January, 2026, the implementation is expected to be delayed. This is why government employees and pensioners will receive arrears.

Detailed analysis:

Pay commissions affect salary structures, pension liabilities and fiscal deficit—areas examined in public administration and economics sections of competitive exams. Knowing the rollout schedule helps answer questions on government expenditure and employee welfare.
